Sixty-fifth Annual Report and Financial Statements for 1970-71 Season

Gentlemen,

On behalf of the President and Club Council, I have much pleasure in presenting the 65th Annual Report and Balance Sheet for your approval and adoption.

It is my pleasure to again announce that NO LIVES were lost on our beach. All Patrols were well attended and I congratulate Patrol Captains and members on the efficient manner in which they performed their duties.

During the season your Club successfully participated in all Branch and Open Carnivals. Following the efficient organisation of our Annual Carnival, the Executive of National Council held a meeting in our clubhouse and suggested Coogee as the venue for the 3rd Test Carnival between Australia and Sth. Africa — the Test and Open Carnival was held at Coogee on the 27th March, 1971.

Season 1970-71 has been most rewarding. In last year's Report it was said that Coogee achieved their best ever results at an Australian Championship Carnival — this year that achievement was pushed back into second place; a full report on all carnivals is made later, but to successful competitors I say congratulations and to those who participated, thanks for trying.

Your Club Captain receives my recognition of his value to our club; Joe's effort was more than the duties of a Captain. His encouragement of Cadets and Juniors was largely responsible for our Carnival successes, especially at the Australian Championships; the time and assistance given, attending and helping at all meetings and functions, was commendable. In being so intent for the club, Joe naturally enough, at one time or the other has stood on the toes of committeemen and members alike, in fact I have not always seen eye to eye with Joe, but I do say "Thank you Joe Seddon".

CLUB CHAMPIONSHIPS AND COMPETITIONS

Open and Junior Championship: This year the Senior Championship was made an Open event and with no embarrassment to Seniors, the result of the Open Championship was identical with the Junior Championship. The boys to achieve this proud record were Barry Bunton, Open and Junior Champion with Peter (Biscuit) Bennett second and Harry Klouzal third.

Last year Barry was Cadet Champion and I wrote of him then, that if he retained his keenness his name would be seen in the future as a Senior Champion and as predicted he has arrived; for further accomplishments of this remarkable young man see "Carnival and Team Results".

Cadet Championship was won by Greg Tucker from Paul Gately with John Dauhoff third. These three young gentlemen are very keen competitors and we look to them as future open event winners.

Iron-man Championship saw the return to competition of "Henri" Parsons the "French Gentleman". Henry won this demanding event from Mick Georgaris with Peter Primo third.

Junior Iron-man Championship winner was Harry Klouzal, Phil Julian second and Peter Bennett third.

Cadet Iron-man Championship: Roger Miley first; John Dauroff second; S. Crow third.

Senior Beach Sprint Championship: Congratulations to Bob Middledorp from Rod Miller and Phillip Costello third.

Junior Beach Sprint Championship was won by Junior Captain, Rodney Miller with Lance Kerr second and Paul Berghouse third.

Cadet Beach Sprint Championship: Congratulations to Ken Wright in taking first place from Paul Kofod and Gary Scott third.

Senior Musical Flags Award: Paul Berghouse first; Phil Costello second; R. Middledorp third.

Junior Musical Flags Award: Again Paul Berghouse first; S. Liebskind second; R. Miller third.

Cadet Musical Flags Award: Once again congratulations Ken Wright from Paul Kofod with Stew Crow third.

Open Malibu Championship: Mick Georgaris first; Andy Winters second; Jim Barden third.

Cadet Malibu Championship: Roger Miley first; Stew Crow second; Greg Tucker third.

At the conclusion of the Carnival the Executive of National Council held a meeting in our club and offered to us the 3rd International Test Carnival between Australia and Sth. 3rd TEST MATCH AUSTRALIA v. STH. AFRICA, AND OPEN CARNIVAL

This Season a representative team from Sth. Africa visited Australia for three Test Match Carnivals against Australia.

The first Test was held at Lorne, Victoria, and the 2nd Test at Burleigh Heads, Queensland, both Tests being won by Australia. The third and final Test set down for Nth. Cronulla was transferred to Coogee and held on the 27th March. Australia was again successful, making a clean sweep of the series. Despite Australia's decisive victory the Sth. Africans, a fine team of sportsmen, were far from disgraced and to both teams we say thank you for a competition which displayed true sportsmanship, resulting in everlasting friendships.

An Open Carnival was held in conjunction with the Test Match and we say thank you to all clubs that participated.

After the Carnival our members entertained the Australian and Sth. African teams and S.L.S.A. Officials in the Clubhouse. The managers for both National teams and S.L.S.A. representatives were high in praise of the manner in which our club set up the carnival area and the generosity of our hospitality.

For organising the Carnival thank you Barrie Cribb and Joe Seddon. For the lovely buffet and the thereafter again thank you Jean Cannot, Colleen Cribb, your ladies, and Ron Lansdown and Alwyn.

AUSTRALIAN CHAMPIONSHIPS CITY BEACH PERTH

The Carnival held over the Easter holidays commencing with the Inter-Club events on Good Friday and finishing with the finals of the Australian Championships on the Sunday were held in perfect weather. The City Beach Club assisted by their Shire Council, is congratulated on their organisation and presentation.

Your club was creditably represented by a team of 42 and we say thank you to the Coogee Sports Club, Coogee-Randwick R.S.L. and Swimming Clubs, Randwick Rugby Club, Associated Motor Club, the Oceanic Hotel and to the many individuals who contributed towards the sponsorship of the team. Coogee successes at the Carnival were:

Australian Inter-Club Championships: Junior Beach Relay 1st; Cadet Beach Relay 1st; Open Beach Relay 3rd; Warwick Everingham 1st Junior Beach Sprint; Ken Wright 2nd Cadet Beach Sprint, 1st Cadet Beach Flags; Paul Berghouse 2nd Junior Beach Flags; Barry Bunton 1st Open Non-Championship Surf Race, 2nd Junior Non-Championship Surf Race, qualified Final Junior Championship Surf Race; Phil Costello qualified Final Open Beach Sprint; Rod Miller qualified Final Junior Beach Sprint.

Our Juniors and Cadets turned in the most outstanding performance ever, recording six wins and three seconds. In addition the Junior Beach Relay is the only full Junior team ever to win that event at a S.L.S.A. Championship. The Cadet Relay impressed in winning their championship by a margin of fifty yards. Warwick Everingham ran well to win the Junior Beach Sprint Title. Incidentally Warwick is also strongly tipped to represent Australia at the Munich Olympics. He is the current Australian Junior 400 metre and State Junior 200 metre Champion, and State Sub-junior 100 and 400 metre Champion. All the best Warwick.

Ken Wright won the Cadet Flags effortlessly whilst Paul Berghouse took 2nd place in the Junior Beach Flags. For the record Paul filled second place in this event, in all major championships this year.

BARRY BUNTON

Winner of Open Non-Championship Surf Race at City Beach, Perth, W.A.

KEN WRIGHT

Winner of the Australian Cadet Beach Flags Championship at City Beach, Perth, W.A.

Barry Bunton is to be congratulated on his fine effort, especially as all his swims were on top of another.

The bouquets for results obtained definitely go to the Juniors and Cadets, but your Senior representatives although not winners were most certainly worthy representatives.

The touring team was capably handled by team manager Joe Seddon and assistant manager Bruce Emerson and, taking all into consideration, was a successful and happy tour.

To our club member John Vaughan who managed the successful N.S.W. team in the State teams section of the Carnival—congratulations John on a terrific performance by the team.

Most Outstanding Junior: This honour was again awarded to Junior captain Rodney Miller. Rod was voted this award last year and once again has proved his entitlement to the honour was well deserved. The reasons for which Rod has again won the award seem very much like a repeat of last year's report, but simply, after being last season's outstanding junior Rod did not fall into a rut but kept up the good work which comes as a second nature to him.

Rod again efficiently carried out his duties as Junior Captain and helped the Club Captain domestically and at carnivals. In fact his energy and interest for his juniors and cadets was a big factor in the results achieved at the Australian Championships.

In club representation Rod was a member of the champion Junior Relay team, sometimes ran for the Open Relay, competed in the Junior R. & R. and is club Junior Beach Sprint Champion and Beach Point Score winner.

Most Improved Junior award went to Barry Bunton. There appears to be no limit to this young man. Barry's all-round ability of club-man, representative swimmer and even junior officer seem to know no end. This year saw him jump from Cadet Champion to become our first holder of both Junior and Open Championships of the same year. As a representative he won several placings at Open carnivals, climaxed with his outstanding win in the Open Non-Championship Surf Race in Perth. On the club administrative side he capably assisted the club captain with patrol records during the Registrar's unavoidable absence in the country.

Most Outstanding Cadet: This award deservedly went to Ken Wright. Ken's competition results speak for him. He won the Cadet Branch and State Beach Sprint Championships, was runner-up in both Metropolitan and Australian Sprints, is Branch, State and Australian Cadet

CADET BEACH RELAY

Australian and Metropolitan Champions, 2nd Branch Championships, 1970-71.

Flags Champion, Club Cadet Sprint and Flags Champion and took many placings in open carnivals.

Ken is a young gentleman, but in fairness to all our cadets there is not one who cannot be called a gentleman.

Most Improved Cadet was voted to Greg Tucker. This is Greg's first year with the Senior Club, having come through our Minnows. Your club officers have watched Greg's progress with interest and sincerely feel that this boy has a good surfing future.

Greg was still eligible this year to compete in the Juvenile Movement Championships held at Merewether and won their Senior Surf Championship; added to this he also finished 7th in the State Championships at Swansea.

PRESIDENT'S CUP

Our President's trophy was indeed keenly contested and resulted in a dead-heat. The winning teams being: J. Seddon (c.), D. Habler, S. Liebskind, P. Gately, M. Reid, D. Park and T. O'Connor (c.), P. Bennett, F. Back, L. Kerr, J. Harte, P. Koford.

ROSE SHIELD

This trophy, presented by Past-President, the late H. A. Rose, for annual R. & R. Competition was won by Bob Cocking's team: W. D. Kimber, L. Gay, S. Crow, B. Wilson, R. Wheatley.

DIGGERS v. SURF CLUB

The annual race for the Jack Gilmore Memorial Shield held at the Sunstrip Pool resulted in a win for the Surf Club. After the swim a very enjoyable afternoon was spent at the R.S.L.

COOGEE-RANDWICK AMATEUR SWIMMING CLUB, MINNOWS AND SURF CLUB

Following a discussion between captain Joe Seddon, Mr. Geoff Gately, President of our local swimming club, and Barry Davison representing the Minnows, new ground was broken. The swimming club donated a shield for annual competition between the three clubs.

Each club is to enter two ten-men teams selected on an age basis. The inaugural swim was held at the Sunstrip Pool and was won by the Surf Club from the Swimming Club with the Minnows third. We feel that this association will benefit the membership of all three clubs.

PAT SCANDRETT CUP

Unfortunately owing to a full programme we had to postpone the annual swim between the Coogee-Randwick R.S.L., Bondi Diggers and the Surf Club.

HONOUR BLAZER

This blazer is awarded to the Active, Reserve Active or Long Service member of the Club who, in the opinion of the Club Council, has performed outstanding work and service to the Club during the past year. This year it was deservedly awarded to Club Treasurer, John J. Dunn. John is well known for the efficient manner in which he handles club finances; in fact for the record John has been club treasurer for the last 10 seasons, this in itself is a very onerous record of service. In addition to the demands placed upon him as treasurer, John's management of and service in the club shop has been a tremendous effort. It was largely due to John's management of the shop that your club was able to meet the many expenses incurred during the season. We congratulate you John Dunn.

JOHN J. DUNN, J.P.
Honour Blazer Award.

ASSOCIATE AWARD

This award for the Associate member who has performed outstanding work for the club during the year was won by Tom (in-human) Baker. He won this award for his unselfish service to the club and members, in the role of gym advisor and instructor. Because of his love for physical fitness and ideal to help others his knowledge in this capacity is invaluable. Tom has been instrumental in bringing club teams to the peak of fitness and many individual members have benefited from his advice. At no time was Tom aware that he was a possible candidate for this award and when informed that he had been elected his surprise was in keeping with his nature.

SWIM-A-THON

On the 21st of March this season our juniors and cadets completed the first ever fund-raising Swim-a-thon by our club. A report from the organisers follows.

As part of the fund-raising drive to send our younger representatives to the west, our juniors and cadets participated in a Swim-a-thon. Each swimmer was required to complete 10 laps of the beach and to gain as many sponsors as possible at a \$1 per lap.

The boys threw themselves into this very enthusiastically and raised over \$800.

Our thanks to the swimmers Barry Bunton, Lance Kerr, Tracy Rockwell, Harry Klouzal, Peter Bain, Roger Miley, John Dauroff, Paul Gately and Stewart Crow for a great effort. To Joe Toohey for his active support, to Des Renford for keeping the boys company over the distance, to President Mick Nailon and the Coogee-Randwick Diggers Swimming Club, to Mr. Mike Klouzal for designing and printing our appeal slips, and to all sponsors.

JOE SEDDON & ROD MILLER,
Hon. Organisers.

ERIC CORBETT TROPHY

One of our staunchest associate members, Eric Corbett, donated a fine paddling board to be awarded to the winner of a point score competition taken over all board races during the season.

The idea behind Eric's donation was to foster the interest in board events in an endeavour to regain the high position previously held by our club in board paddling. Eric, your club sincerely appreciates your generosity and the purpose behind your donation.

The competition was keenly contested and was won by Mick Georgaris. Congratulations Mick, and we hope to see you using the board successfully next year.

CLUB SUBSIDIARIES

Penguins: As in 1969 the winter season of 1970 proved to be exceptionally pleasant from the weather point of view. We got through the season without a wet Sunday until the N.S.W. Championships when it rained heavily all the way to Cronulla — then it stopped and we got through the day in fine style. Some top class swimming was seen at this carnival as it drew the best from all over Sydney. The Open Relay was a real thriller with Clovelly finally winning by a touch after the lead had changed hands several times—this made it 12 in a row for Clovelly and this is a performance that is going to stand for a long time. Other results were as follows: Over 60 years Championship, C. Jardine 18.7 (33 yds.). Over 50 years Championship, K. Little 16.1 (record, previous record 17.5 (33 yds.)). Over 40 years, J. Campbell 28.8 record. Over 30 years, C. McFarland 26.9. Open Championship, G. Elliott 26.5. Over 30 years Relay, Bronte. Over 40 years Relay, Harbord with Coogee third. Open Relay, Clovelly in the record time of 4.36.

Our own Championships brought some new faces to the top but some old familiar faces are still in their same positions which they have occupied through the years. The championships were keenly contested by a big field and the results were as follows:

2 lapper: "A" Grade — L. Kerr; "B" Grade — J. Sorrell; "C" Grade — J. Miller; "D" Grade — G. Meena; "E" Grade — E. Corbett.

4 lapper: "A" Grade — H. Klouzal; "B" Grade — K. Ranby; "C" Grade — J. Miller.

6 lapper: "A" Grade — H. Klouzal; "B" Grade — K. Ranby; "C" Grade — J. Miller.

Over 60 years — W. Meaney. Over 50 years — R. Graves. Over 40 years — L. Raper. Over 30 years — K. Ranby.

The point score winner for the two-lap event was the Assistant Handicapper Len Raper with Ken Mungoven 2nd and Pal Appleton filling 3rd spot. With only three points separating the first seven swimmers, the race at the end was really keen and so that Len Raper won't cop it too much I must confess here that he really did not tamper with the handicaps at the end.

The 4/6 lap point score was taken by the too consistent Kev. Wilson, with Col. Scott breathing down his neck until the last day. Bob Wheatley filled third position.

This year no less than nine swimmers earned our award of a set of Penguin cuff links for having completed the maximum number of swims through the season. This was a big difference to last year when only three earned the award.

The relay went to the Okinukes who had too much talent for the rest of the teams.

Once again we were well represented in the children's department with Stewart Crow showing great improvement on the previous year. It looks like he will be showing his big brother a clean pair of heels before many more seasons go by.

Finally, once again we are in debt to Marj Little and her team of clockers. For their work each year we would like to express our very sincere thanks.

MINNOWS

The season 1970-71 saw another large gathering of Minnows. Although most Sundays the weather was adverse, the events were still held with a good roll up in all age groups.

Competition wise the club performed very well. The State Championships were well contested by our members, with Grey Tucker winning the 13-year-old Championship Surf and many minor placings were won by others. The Minnows did have a very happy year and I sincerely thank our ladies, mothers, fathers and committee for their effort and interest in seeing that the kids were well looked after.

Congratulations to the ex-Minnows who performed so well for the senior club this season and I feel sure that the Surf Club will continue to benefit from our ranks.

A special thank you to the Surf Club committee and to the senior members who assisted us each Sunday morning.

We do look forward to a successful 1971-72 season.

BARRY DAVISON,
"Coogee Minnows"

SHUTTLE

Last year we were successful in winning both the A. and B Grade competitions. We have been knocking on the door for the past few years and have won a lot of A and B competitions separately but this is the first year we have cracked the double. It was pleasing to see so many new young players and, as with all club team events, a lot of satisfaction is gained from competing for the club. Anyone interested in playing shuttle competition has only to approach the Junior or Club Captains and he will be informed of when to train. Thank you President, Arthur Day of the R.S.L., for making available the R.S.L. Hall for the finals of our competitions. The R.S.L. Hall is an ideal finals venue.

J. LeMARSNEY.

CLUB CAPTAIN'S REPORT

Gentlemen,

The past season has been one of the most successful ever experienced by our Club. Patrols were maintained at a very high level with 43 members gaining their 100% efficiency awards; Richard "Beep" O'Farrell and Andy Winters gained their 10-year and 5-year pennants respectively.

Patrols have always been recognised as the primary function of any surf club and whilst our patrols have been complimented on their efficiency throughout the season I would like to take this opportunity of stressing the importance of proficiency in Resuscitation by all members. This season an instructional film night was held and the attendance of patrol members was disappointing, however these will be held again next season and it is up to all members to face up to their responsibilities and attend these functions. It would probably be the most informative session ever attended by members.

This season the Branch and State Centre requested clubs submit new ideas for the modernising of the bronze exams and the whole of surf life saving as it is known today. Bob Cocking, Ken Key, Eric Walton and Mick Oxborrow undertook to report on our club's behalf and whilst their report is not yet to hand it is sure to contain some startling ideas.

Competitively, we have had our best season ever. Our junior and cadet contingent's performances were unequalled by any other surf club.

The Junior Relay are current State and Australian Champions and the cadets are Metropolitan and Australian Champions. Ken Wright is dual State Cadet Sprint and Flags Champion. He is also National Cadet Beach Flag Champion and Warrick Everingham is National Junior Beach Sprint Champion.

Throughout the season the March Past, coached by Bruce (Abe) Emmerson had numerous wins including the Branch Trophy for the 5th successive season and culminating with their fine win at the State Championships at Swansea.

The Senior Relay side were very unlucky not to retain their title and were placed 3rd in a close finish. Perhaps next season we can regain this one.

The boat crews trained hard throughout the season and our A crews are current Branch Champions. Throughout the greater part of the season the Club was without a junior boat crew. This situation was rectified later in the season when former A crew sweep John Le-Marseny took a crew of youngsters and if these boys have the ability and a liking for hard work then next season could see them a real force in competitions.

One of the most pleasing aspects of the season was the tremendous performance of our Junior R. & R. team. This team, captained by Peter Bain, gained many placings and improved with every start. Their achievements, especially qualifying for the State final, after only six months together are something that every club member can look on with pride. Our thanks to Bondi member Len Harris for the time and effort he put into coaching this team. Their prospects next season are very bright.

The Club continued to subsidise the coaching of junior and cadet swimmers and was rewarded with numerous placings by our Junior Surf Teams. The cadet swimmers have yet to show their full potential but with youngsters of the calibre of Greg Tucker and Paul Gately they have a big future next season.

Barry Bunton climaxed a very successful season after winning both the Open and Junior Club Championships with a great win in the Open Non-Championship Surf Race in Perth and he was runner-up in the junior event and qualified through the State for the final of the Australian Junior Championship Surf Race.

The highlight of the season was the performance of our Junior Beach Relay in both team and individual events. These boys, Rod Miller, Paul Berghouse, Lance Kerr, Warwick Everingham, Gabe Meenar and Steve Liebeskind are current State and Australian Junior Champions and the first four named combined to win the Open Relay at the Australian National Titles, the first junior side ever to do so. Their individual wins are far too many to enumerate. Congratulations for a really tremendous performance.

Our competitive results are the best ever; third in the branch; fourth in the State and we were the most successful single club at the Australian Championships.

Sunday morning events were well attended in most events, however your committee reluctantly decided to cancel the Ski Championship and the Long Board Championship because of lack of starters. In a club that up until a few years ago produced many Australian champions, the situation is little short of scandalous. We are going to need the help of all those former board men to put us back on top here. This is the only department in the competitive sphere in which we are lacking and I am confident that with a little help next season could see us on the road back.

Fred Back continued his excellent work amongst our cadet members on Sunday mornings and I am sure that this work is laying the foundations for the future of each of these youngsters in this surf club. My thanks for a job well done.

My thanks to Vice-Captain Dennis Cleary for his help throughout the season, to Bob Cocking, Reg Johnston and Barrie Cribb for their help and advice; to Barry Bunton for his capable assistance during the Registrar's unavoidable absence, and to Rod Miller who through sheer drive and enthusiasm so capably organised our junior and cadet members and assisted me greatly.

We have a strong club in life saving and competitive activities which has been built over the past years by members and committee men alike. Unfortunately, every club has its share of knockers and we are no exception. It is easy to criticise but it is always hard to put the time and effort in to stand up for your convictions. Next season I would appeal to all members to support the workers on your committees; they deserve your support to keep our club where it belongs, on top.

Finally gentlemen, I would like to express my appreciation of the support I have received from club members over the past three seasons. This job has been a singular experience for me, one that I have enjoyed personally and I wish my successor the same support I have enjoyed and the satisfaction I have derived during my term as Captain.

J. J. SEDDON,
Club Captain.

BARRY BUNTON

ANZAC DAY

The club honoured its fallen members of both Wars on Anzac Sunday. The Anzac address was given by Mr. J. R. McDonald, Life Member of Coogee-Randwick R.S.L. and President of Randwick Torch Bearers of Legacy, and a wreath was placed on the Club Honour Roll. In the afternoon Deputy President, Jack Scott, attended the combined R.S.L. Wreath-laying ceremony at High Cross Park, placing a wreath on the Memorial on behalf of the Surf Club.

SOCIALS

Various functions were held during the year. Our thanks to Brian Wyllie, Ron Lansdown, Joe Toohey, Alwyn McSweeney and Jack Sheffield; the club is most appreciative of the work carried out by these members.

MELBOURNE CUP RAFFLE

Once again I wish to express my thanks to members and friends who gave their support to our Melbourne Cup Raffle.

This year proved even better financially than in previous years; with a net result of \$720. Your continued support is needed and I hope is reflected in this year's raffle.

JACK SCOTT, Hon. Organiser.

200 CLUB

After a lapse of two years it was decided to run another 200 Club to help build up funds need to send a representative team to the Australian Championships in Perth, Western Australia.

The first prize of a Holden Automatic Sedan was won by March Past coach, Bruce Emerson.

Unfortunately from a club membership of 615 only 93 members supported this venture and the balance was made up of persons outside the Surf Club.

After expenses which included a rise of approximately \$200 on the price of a Holden car, a net profit of \$1,135 was made.

BARRIE CRIBB & JACK SCOTT,
Hon. Organisers.

RESIDENT MEMBER

The position was again filled by Bill Bard to the satisfaction of your Council.

Mr. Con Asmussen the President of State Centre was asked to present the Honour Blazer to Treasurer John Dunn for his work during the season. The blazer was presented to John as our outstanding clubman. Mr. Asmussen also congratulated Coogee on their achievements during the year and thanked us for the use of our club for the mid-yearly meeting of State Centre and for the hospitality and co-operation given to the members attending the meeting.

Ald. Cunningham, Mr. Alf Loton the President of Sydney Branch, Mr. Ted Hurst the President of Coogee Sports Club and Mr. George Johnson were then asked to present trophies and all spoke highly of the work of Coogee Surf Club.

To Tony (Leonard) Shanks and Ian Moody for their donation of printing blocks for this Report.

Also to those members and donors who have contributed so much to the functioning of the club.

CONCLUSION

I sincerely thank President Barrie Cribb, Deputy President Jack Scott, Captain Joe Seddon, my capable assistant, Robert Wheatley and members of Club Council and Life Saving Committee for their assistance and administration of our club.

This has indeed been a successful season. I not only congratulate those who won championships but every club member who completed and in the main, helped patrol our beach during the season.

A special thank you to our Chief Instructor Eric Walton who, on the retirement of John Emerson, took over the duties of Club Auditor. Eric has performed both tasks creditably and has presented a comprehensive Balance Sheet for your approval.

Gentlemen, it is an honour and pleasure to be Secretary of the Coogee Surf Life Saving Club.

Thank you,

R. L. JOHNSTON,
Hon. Secretary.

PRESIDENT'S ADDENDUM

This fine and comprehensive report completes a year's work in which many ventures have been undertaken in the interests of the Club, the members and the movement generally. The onerous position of Honorary Secretary was carried out in a most capable and businesslike manner by Reg Johnston, and I take this opportunity of conveying my sincere thanks in appreciation of his splendid efforts.

The 1970-71 season has seen the completion of many projects begun during the 1966-67 season. These include the extension to the Club shower room, fully equipped gymnasium, lockers, hand-ball court, relocation of the captain's room and gear room, new toilet block, tiled area upstairs, modern bar, refreshment kiosk on the beach and members' parking area.

Financial arrangements also made during the 1966-67 season are now at a stage where only a small amount is left to be repaid. Of the original loan of \$20,000 only approximately \$520 is left to be repaid on the interest.

One loan of \$2,000 from the Herald Fund N.S.W. State Centre has been repaid. Another loan of \$2000 has been repaid to the extent of \$1,000.

An amount of \$2,000 has been allocated for re-painting of the club house. The club house, furniture and fittings have been revalued. Vast amounts have been spent on sending club teams to National Championships. Another surf boat has been ordered and the club constitution revised. All these achievements have benefited the great majority of club members although I feel our greatest achievements are still bringing results. I refer to our encouragement to Junior and Cadet members. A glance at the carnival results for the year will bear this out. This, I believe, is your committee's greatest accomplishment.

It will be appreciated that none of the above achievements could have been contemplated let alone commenced unless someone was prepared to saddle himself with the responsibility of seeing them through to finality. A number of your officials have never hesitated to offer their services, time and energy when called upon to do so, mentioning in particular Joe Seddon, John Dunn, Jack Scott, Jack Cannott, Joe Toohey, Mick Sweeney, Jack Sheffield, Bruce Emerson, Tom Baker and Eric Walton.

It is pleasing to note the measure of club spirit and co-operation generally is most pronounced. However it is desirable to impress upon each member that he forms a highly necessary unit in the club as a whole and it is incumbent upon him to uphold the dignity, prestige and honour of the club.

It has been my privilege to act as President of this fine club, and I trust my efforts have been adequate to ensure a satisfactory season.

C. B. CRIBB, J.P.,
President.

NOTES TO BALANCE SHEET

- Under sealed memorandum dated 29th December, 1967, the Council of the Municipality of Randwick, confirmed the granting of a subsidy of \$20,000 to Coogee Surf Life Saving Club payable by five consecutive instalments of \$4,000, the first payment of which was made on the 1st September, 1968. Arrangements were made between the Trustees of Coogee Surf Life Saving Club, the Council of the Municipality of Randwick, and Australia & New Zealand Banking Group that subsidy instalments be paid to the latter in satisfaction of long term loan.
