Coogee Surf Life Saving Club

80th Annual Report

On behalf of the Club Council I present to you, the members, for consideration and adoption the Eightieth Annual Report and Financial Statements of the Coogee SLSC for 1985/86.

Introduction

It gives me great satisfaction to report to the members that "no lives were lost" on Coogee Beach during the season 1985/86.

The correct selection of bathing areas and careful surveillance by our patrols has ensured this result. During the season there were a number of heavy seas and this is reflected in an increase in the rescue tally.

For the record, rescues were recorded as follows:

During Patrols

without any gear	12
with reel line and belt	NIL
with rescue tube	5
with rescue board	8
with rescue ski	1
IRB	7
	33

Outside Patrols

Total Rescues

16
49

In addition there were three cases requiring resuscitation either on the beach or surrounds.

As this work is the *raison d'être* of a surf life saving club, I cannot stress enough the importance of patrols and the patrol system within the club.

Congratulations to the various patrol captains for a job very well done.

Congratulations to Clayton Kearney who annexed the Australian Open Beach Sprint Championship for the Club. Clayton is a new member this season after having competed some seasons ago for the Freshwater Club.

Congratulations Clayton and we hope to see more of you at Coogee in the coming season.

Constitutional Revision

This season saw a number of initiatives in an attempt to revive our management and operational structures. An enormous amount of work was undertaken in this direction by Gary Daly which culminates in the special General Meeting called to consider and adopt a new constitution. This document has the support of the present Club Council and is a necessary step in the continuing objective of ensuring Coogee SLSC func-

Hon. Secretary Joe Seddon

tions effectively. I commend it to you and offer Gary the sincere appreciation of all members. A precis of the structure and new constitution is included in this report.

South Coogee Reserves Plan of Management

You will recall from last year's report the concern felt for the club's independence when Council proposed the club become part of an overall Committee of Management. After several representations by ourselves and other organizations and with the not inconsiderable assistance of our own local Member, Michael Cleary, Council voted to delete the Committee of Management aspect which was causing so much concern. Our local East Ward Aldermen Read, Newman, and Finn were also very helpful in this matter. Thanks also to Maurie Daly and the Randwick and Coogee Amateur Swimming Club and Mrs. Vivienne McCredie and the Randwick and Coogee Ladies ASC for their strong assistance also.

Administration

The control and management of the club is vested in the Club Council, supported by the Executive and Life Saving Committee. The Club Council met regularly on the second Monday of each month and the members' attendances at such meetings are set out hereunder.

The club council is chaired by the president and this season that task was fulfilled very capably by Mick Oxborrow.

Life Saving Committee

This committee is charged with the responsibility for all matters pertaining to active members, both life saving and competition. It meets monthly on the first Monday of the month and is chaired by our club captain. This season as for the past three seasons the task has been capably carried out by Club Captain Tony Waller.

You will note from earlier remarks there is a proposal to restructure our committee system from the Annual General Meeting on. Set out on the page opposite is a report by Gary Daly on the restructure. It is here for your consideration. Please read it and if there are any queries contact Gary or the club executive, if possible before the special meeting.

For the record members attendances at the meetings are as follows.

James O'Toole & Damien Costello receive their Qualifying Certificates

Computerisation of Records

The club has continued to make good progress with the programme of computerisation especially in the area of members' records, address listings and also finances.

To enable us to continue with this programme and to do so at a cost we can afford it is extremely important that all members fill out the enclosed renewal form in full. Before this year is out the project will be completed and if it is to be worthwhile you must be prompt in returning a renewal.

It really is not good enough to give a club official your fees at the club or pub without an official form since without the form you can not be included in our members' list. It acts as a computer input form.

Fill it out now and post it back with your fees via the reply paid envelope system.

Finances

This season saw the completion of the Ocean Room project which placed extreme pressure on our finances. However, the optimism for the original concept has already been proven and the investment will pay dividends for many years to come.

The club's life saving equipment was also substantially upgraded throughout the season with the expenditure in excess of \$8000 being made.

We are now well equipped to meet the challenges of the coming seasons.

It would be remiss if I did not mention here the support from the South Sydney Rugby League Football Club in allowing us to participate in their raffle. Also thanks again to club stalwart and "chief shop steward" Jack Cannot. Whilst the weather certainly made a dent in their activities, Jack and his solid band of helpers certainly gave the club a financial filip at a time when it was needed most. Jack's report for the season is set out hereunder.

The club's finances were well controlled by Treasurer Geoff Martin. Geoff has not held this type of position before and is the first treasurer of the club to operate under the computerised system. He performed the onerous task conscientiously. Thanks Geoff.

Geoff's assistant Ron "Daisy" Day is considered the best assistant Treasurer we have ever had. "He does not make mistakes...but on the other hand he does not do anything either..." Thanks Daisy.

The club is indeed fortunate to have the services of Honorary Auditor John Howard OAM. John's expertise in club and association accounting is well known and our financial reporting system is now first class.

John is also Treasurer of the Australian Rugby Union and the President of the Randwick Rugby Club Ltd.

Club Shop

Well once again we complain about "dud" weekends, the seasons seem to be changing, it stays cool when it should be hot and stays hot when it should be cool. But the public say when March is over it is time to put away trunks and bikinis and stay away from the beach. And what happens? No customers. But overall we managed to put together quite a tidy sum which will appear in the balance sheet.

Many thanks to our old stalwarts, Noel Lumby (associate award 84/85) and Tony Kilpatrick, to the cadets who helped out during Christmas holidays, Adam Andrews, Michael Burns, Burke Sweeney, Danny Hamilton, Paul Julian, Craig Sharpley, Naomi Dent and Chris Paul. Also a very big thanks to two new helpers who put in many hours. Laurie Lenehan and Hilton Hibbert. If we could obtain three or four more older members like them there would be no trouble in staffing, so if any member could spare a few Saturdays or Sundays it would make our task very simple. Thanks to Noel Hart for his many donations of cakes and goodies. Also to Danny Groom who supplied oils and creams from Sterling Pharmaceuticals Pty. Ltd. and Damien Maree for donation of Epsom umbrellas. Last but not least Cadbury-Schweppes Pty. Ltd. and Peters and Pauls for their courteous attention to our needs during 85/86.

President Mick Oxborrow presents Qualifying Certificates to Luke McGuiggan, Jamie Reid and Steven Simpson

Life Saving Awards and Reports

Patrols

The club rostered 145 members on patrol during the season and our members gave 8,700 man hours of voluntary service to the community. Rescues have been summarised in the earlier paragraphs of this report.

Our club participated in the inaugural State Club Patrol Competition and whilst not successful we certainly were not disgraced and were placed fifth. We also competed in the Sydney Branch competition and were second in the District competition. Congratulation to all for a good result.

As in previous years the club conducted a patrol efficiency competition. The following is a list of members who successfully complied with the relevant conditions.

Now to the thank yous. First to Matt Scanlon and Felicity Breene, my two hardworking assistants who worked tirelessly with the squads throughout the year. To James (Chives) Corcoran for running the community awards at Marcellin. To Mick Oxborrow and Geoff Martin, my two guiding hands. And thank you to all those who assisted in the training, examining and progressing of Coogee Surf Club's newest members. Best of luck for 1986/87.

Awards 1985/86

The Honour Blazer is awarded to an active Reserve Active, or Long Service member who, in the opinion of the Club Council, has performed outstanding work and service to the Club during the past year.

This year the award was voted unanimously to Club President Michael Oxborrow.

During the past year Mick has been instrumental in bringing the Ocean Room project to fruition where it is generally accepted as the best recreational area of any surf club. Mick has taken a vital interest in all matters that affect our club and is presently chairman of the Randwick District Executive. Congratulations Mick - an honour truly deserved.

10 Year Patrol Efficiency Award is an honour that comes only after much hard work and self sacrifice. This season Paul "Coota" Leary joins a select band of club members who have attained this award. Paul's name will now be added to the board denoting such service.

Steve "Chimes" Gillis also attained his 10 year award. Steve's name will also be added to the honour roll.

25 Year Long Service Awards The following club members have completed 25 years service awards. Between them they have completed over 500 years service to our club. For the record the recipients are:

Doug Kimber	Dennis Cleary
John Beckett	John Cook
Richard O'Farrell	Alan Norley
Keith Beitsch	Peter Primo
Doug Barrie	David Habler
Alan Cripps	Robert Brown
Harry Dobeson	Jeff Sayle
Bert Greathead	Hans Meerindick
Michael Nailon	Phil McGuigan
Ken Upton	Gordon McGuigan

Most Outstanding Junior This season the winner of this most prestigious Award was Scott Sorrell. Scott is club junior champion and junior iron man champion and competed with distinction at many club and championship carnivals in

both malibu board and junior iron man events. Keep up the good work, Scott.

Most Improved Junior The award was made to the very popular Beachie Greg Smart. Greg competed regularly in all club events and surf carnivals. He also assisted cheerfully with any activities in and around the club. Congratulations.

Most Improved Cadet This season was awarded to club cadet Champion James O'Toole. James had an extremely busy time competing as a last year Nipper with distinction and also qualifying for the Cadet Surf Race final at the Australian Surf Championships in Adelaide. He is an extremely talented lad, a product of our Minnows and has a big future in this club. Perhaps an Australian or State medal next year, James!

Most Outstanding Cadet This year the award went to Adam Andrew. Adam has had an extremely successful season in malibu competition, attending all club point score and championships and many carnivals. He was also selected as part of the club's team to the Australian Championships in Adelaide. Keep up the good work, Adam.

Club Competitions and Point Scores It is sad to record a noticeable decline in the numbers of competing members at our traditional Sunday events. It is this base from which the club's competitive base is built and serious thought must be given by our officers to ensure that the damage already caused to this vital segment of our activities is repaired.

It is pleasing, on the other hand, to report that the problems are being openly discussed and certain members have indicated they are prepared to introduce the necessary reforms.

The major initiative will be the resumption of responsibility for this area of activity by the Club's Vice Captain.

We have the numbers wanting to compete; we must put an attractive package system in place to allow them to do so and then we must ensure all members are treated fairly and equally.

Championships Club Championship: Chris Gately (1), Craig Bennett (2), Scott Sorrell (3).

Hips annexed this championship for the 8th successive time and the Gately family has had a mortgage (building society, of course, Geoff) for over 12 years now.

Junior Championship: Scott Sorrell (1), Stephen Lovell (2), Louise Walker (3).

Louise Walker becomes the first female member to be placed in the club's open or junior series. Perhaps Louise can take away "Hip's" crown in the coming years.

Cadet Championship: James O'Toole (1), Damien Costello (2), L. Walker (3).

Open Beach Sprint Championship: James Corcoran (1), Andrew Walker (2), Greg Steele and Rod Miller D.H. 3rd.

Junior Beach Sprint Championship: Andrew Walker (1), Greg Smart (2), Jason Webber (3).

Cadet Beach Sprint Championship: Jeff Oxford (1), David Graham (2), Damien Costello and Jason Oxborrow D.H. 3rd.

Open Beach Flags Championship: Jeff LeMarseny (1), Greg Steele (2), Terry McDonald (3).

Junior Beach Flags Championship: Andrew Walker (1), Greg Smart (2), Kelly Campbell (3).

Cadet Beach Flags Championship: Damien Costello (1), Jeff Oxford (2), David Graham (3).

Open Malibu Championship: Scott Sorrell (1), Michael Byrnes (2), Craig Bennett (3).

Club Teams and Carnival Results Results at Open and Championship Carnivals were extremely scarce this year. It is worth mentioning that for the first time in 20 years this club did not field a senior, junior or cadet R&R Team. It is a sad fact that Mike Connolly, who agreed to coach a junior team, met with a tremendous amount of disinterest and apathy; similarly Gary Daly and James Corcoran were unable to stir up sufficient interest in the senior ranks.

The club went from four cadet sides competing and training to nil in the space of one season.

Something is sadly wrong here when one considers that it is only two seasons since we were the NSW Premiers.

The R&R section was not the only area to experience problems this year. The Beach area could provide only one open team with no junior or cadet team competition and the Board and Ski area functioned for the greater part of the season with a severe shortage of cadets and no seniors.

The boat section experienced some difficulties early in the season but under the guidance of John LeMarseny, who made a "come back" as boat captain, soon settled into a viable group:

Results for the season are as follows:

Carl Wilson - Open Belt Sydney Branch Championships, 2nd Open Surf Champion

Chris Gately - Open Belt Sydney Branch Champs 3rd.

Open Boat Crew: Cronulla 3rd, Branch Championship 3rd, Freshwater 2nd.

Junior Boat: South Curl Curl 3rd, Branch Champs 3rd.

Derek Meredith - Open Sprint: Garie 2nd, North Cronulla 3rd, Wanda 2nd, North Bondi 3rd, Maroochydore 2nd, Coogee 1st, Metropolitan Champs 3rd.

Greg Steele - Open Sprint: Cronulla 2nd, Queenscliff 2nd.

Open Beach Relay: Nth Cronulla 3rd, Wanda 2nd, Nth Bondi 3rd, Coogee 3rd, Metrops 3rd.

Clayton Kearney - Open Sprint: Open Beach Sprint Champion of Australia.

Cadet Malibu Board Relay: Branch Championships 3rd.

Kathy Smith (Women's Beach Sprint): Branch Championships 3rd.

The above results only reflect the comments made earlier. Only two years ago this club managed in excess of seventy five placings at Open Carnivals. A far cry from this year's meagre 23.

Australian Champion - Clayton Kearney

The one major plus in the competitive arena this year was the win by Clayton Kearney in the Open Beach Sprint. Clayton's win was by one of the widest margins in contemporary times and deserves much recognition as such. Clayton also narrowly missed Commonwealth Games Selection.

Commonwealth Games Representative

Carl Wilson is the club's only other championship winner this season having taken out the Branch Open Surf Championship and being runner up in the Open Belt.

Carl has been selected to represent Australia at the forthcoming Commonwealth Games and I am sure I speak for all members in congratulating him on this achievement and wishing him every success in Edinburgh.

NSW State Surf Life Savings Championships were conducted at South Maroubra Beach. The carnival was a huge success and the South Maroubra club are to be congratulated for the production of an extremely fine Championship. Unfortunately Coogee was unplaced in the events conducted. However, I am sure our presence ("and Crowie's") was felt, especially around the used can collection point.

Minnows Presentation Day

Australian Surf Life Saving Championships, Moana, South Australia.

The club selected a team of 26 to represent at the titles. Those selected were: John LeMarseny, Jeff LeMarseny, Barry Schuettrumpf, Paul Baker, Paul Leary, Phil McGuigan, Rob Russell-Smith, Michael Chieka, Matt Scanlon, Craig Hawkins,

Rod Colman, Sean McDonald, Martin Meredith, Rees Campbell, David Smith, James O'Toole, Chris Gately, Carl Wilson, Scott Sorrell, David Graham, Adam Andrew, Derek Meredith, Sean Oxborrow, Michael Cantarella, Kelly Campbell, Greg Smart.

The team was managed by Geoff Martin with Chris Gately as captain and James Corcoran as assistant.

Geoff reported that the team quickly developed the "Coogee Spirit" and all gave of their best. Most reached semi finals of their respective events, with Clayton Kearney being our only gold medal winner.

Thank you, Geoff, for the usual job well done.

The Association

The club is affiliated with the *Sydney Branch* of the Surf Life Saving Association and we wish to acknowledge the work done on our behalf by the Branch. President, Rex Sargeant, and Secretary, Steve Strange, were ever helpful to our requests. A particular thank you to Joan Vaughan also for her assistance.

NSW State Centre

Our club has regular contact with State Centre, in particular with the organisation of the Mayne Nickless Champion of Champions Carnival at our beach. State administrator, Ernie Davis, Henry Henda, Andrew May and all the staff are extremely helpful and sympathetic to our requests. Thank you sincerely.

National Council is the supreme policy making arm of our Association and as such we have little direct contact. However, a number of their senior officers show considerable interest in our club especially President Alan Whelpton, Executive Director Gus Staunton and Chief Superintendent Warren Rennie.

The Sydney Branch Board of Control is charged with the overall life saving function in our branch.

The club has encouraged its members to become board members and the following are members as at 1985/86. P. Carney, R. Day, J. Seddon, M. De Luca, G. Martin, J. Vaughan, R. Miller, W. Everingham, F. Breene, S. Spörle, P. Julian, T. Pashalis, G. Daly, J. Corcoran, R. Russell.

Members are reminded that to be eligible for the Board, they must be eighteen years of age and hold an instructor's certificate for six months. However, members should also note that any competitor is eligible to help at Carnivals without actually joining the Board. Remember, many hands make light work.

Anzac Remembrance

On the Sunday morning before Anzac Day the club remembered those members who fought for this nation and did not return from service. Former club Captain Norm "Nob" Hill read a tribute, addressing members as to the meaning of Anzac and recited the Ode.

Whilst the years have gone by since War, the supreme sacrifice paid by members of this club and by relatives of members of the club is still as important today as it was when the events were happening.

This year the club council felt it appropriate to honour all those members who served in the Second World War.

Norm Hill undertook to provide the research.

His abridged report follows as does the list of all who served. We intend to erect a small memorial in the near future and this list is presented so that any corrections can be made.

Report by Norm (Nob) Hill

I have been a member of this club since 1941 and had the privilege of serving as Gear Steward, Vice Captain, Captain and Vice President during the past 43 years. This has given me a great deal of pleasure and I have many fond memories of the past events and watched this club develop to become recognized as one of the best managed surf clubs in Australia.

Our history is something to be proud of and should be recorded before the facts are overlooked and forgotten. Much of our past is recorded around our walls which show our Life Members, Officials, Club Champions etc. It also records members who paid the supreme sacrifice whilst on active service during two world wars, together with a list of members who joined the armed forces from this club between 1914-18.

During World War Two (1939-45) this country was under a dire threat of invasion, the members of this club responded magnificently and approximately 170 enlisted in the Army, Navy or Airforce. I believe this would be the highest number for any Surf Club in Australia. I feel their names should be recorded alongside the members who volunteered for the 1914-18 war.

After researching our Annual Reports for the years 1939 through 1946 I have found a list of all our members who served in the armed forces and the list is attached.

Note: This is a list of all who served. Those whose lives were lost are already commemorated.

Community Awards

As has been traditional with our club, our instructors arranged for tuition at Marcellin College, Randwick. It is appropriate to note here the extremely large percentage of our total membership that either are students or ex-students of the college.

It is our privilege to offer this service to the college and to record our sincere thanks for their efforts on our behalf. In particular, we say thank you to Brothers Ernest, Cleophas and Peter.

This year 31 awards were gained by college students in the community award system and these have been handed on to the College for presentation at the appropriate time.

Gary Daly was Chief Instructor for 1985/6 and an abridged version of his report follows. Gary deserves the appreciation of all for a job well done under trying circumstances of insufficient instructors.

1986 Chief Instructor's Report

This season has proved to be a highly successful year with increases in award numbers across the board.

As you can see from the numbers and types of awards gained, there has been a movement away from traditional awards (Bronze and Lifesaving Certificates) to more specialised areas, such as Examination, jet boat and helicopter certificates.

This will present problems to our club in future years, as we have an average turnover of 70% over a five-year period. To retain five or six members in five years' time the club must push through approximately fifty bronze awards for this season.

The club has an obligation to offer community awards, and this year with the help of James Corcoran we were able to present 40 candidates for the resuscitation certificate. This award was included in the Duke of Edinburgh award scheme.

Footnote

Some of you will have noted the adverse criticism in the "Randwick Rag" implicating the club in the Annual Anzac Day Island Picnic and attempting to portray that activity as desecrating Anzac Day. The club has a long standing policy of disassociating itself from that event. It is not and never has been a club function and all members are asked to note that fact.

Sponsors

Our club cannot operate without sponsors. They are vital to our financial well-being. We are extremely grateful to our long standing sponsors and we welcome some new benefactors this year.

Randwick Municipal Council lease our building to us from the Crown Lands Department for a nominal fee. The Council also provides us with an Annual Grant for administration and repairs and maintenance.

For the record this year Council provided the club with the following:

Administration	\$3000
Repairs and Maintenance	\$4300
	<hr/> \$7300

Council is one of our major supporters and on your behalf I would like to extend our appreciation to Aldermen Peter Read and Ken Finn and to the mayor Bill Newman.

Council Staff have long been exceptionally helpful. Thank you to Engineer Pat Walsh, Town Planner Vince Messina and their various departments.

Kings Parking (NSW) Limited

Over a period of seven years Kings Parking have contributed substantially to the club (in excess of \$26,000). This year long service club member Len Canty resigned from Kings and we would like to express our appreciation to him for his assistance over the years. To Mr Jim King our sincere thanks and appreciation for his most valuable continuing assistance.

Mayne Nickless Ltd have also been club sponsors for over eight years. In supporting our carnival they have actually supported us and we have now received over \$40,000 in cash during that period. To Peter Cheeseman and his board thank you sincerely.

Sunbeam/Victa have been a long standing supporter in the board and ski area. Whilst I can not quantify their support they have assisted greatly since the early 1970s. Thank you Max Butler and Sunbeam.

Eric Corbett, club member and former auditor, has donated regularly towards the junior and cadet board ranks. Eric very kindly continued his support this season.

Clyde Park Sales - Luna and Trux Park have been benefactors for a substantial period of time and we thank them for their valuable contribution.

Don DuVall and Electronic Enterprises have also assisted with the club and nippers for over 15 years. Thank you Don.

The Department of Sport and Recreation

During the period 1978 until now the Department has made Capital Assistance Grants totalling \$24000 to this club. This is an area that is often overlooked and the club wishes to express its appreciation to the Department and to our local member, The Minister for Sport & Recreation, Michael Cleary M.P.

Sydney Credit Union Limited

The Sydney Credit Union has sponsored our IRB for the past 3 years. Besides purchasing the boat initially they have also contributed the full running costs. This is a magnificent gesture and the club wishes to express its appreciation to chairman Jack Coyne, deputy chairman Jack Bannister and General Manager Maurie Daly. Maurie is of course the father of our Chief Instructor Gary and is also President of the Randwick and Coogee Amateur Swimming Club.

At this point it would also be opportune to thank Maurie personally for his own efforts in providing his time for our membership listing and to the Credit Union for allowing us to share their computer resources free of charge.

Randwick Rugby Club Ltd. Well! What can one say? Whatever we have asked for has been courteously and kindly given. The "Rugger" is a big benefactor to this club and we share a huge common membership. Coogee wishes them well in their quest for premiership honours this year and offers them our assistance wherever possible. To John Howard and the Board thank you. A special mention to Jeff Sayle – congratulations on your well deserved appointment as Secretary Manager and thank you for your help and assistance.

New Major Donors and Sponsors

It is with great pleasure that I announce the acceptance of the Chase Corporation to a major sponsorship of this club.

Chase Corporation is a New Zealand based property group associated with the Hooker Corporation. Club members Alan Gaffney, John LeMarseny and Michael Chieka were all involved in initial discussions prior to the final acceptance. The club has decided to place this sponsorship money towards the purchase of a new surf boat. Our thanks and appreciation to Peter Wynyard and the Chase Corporation for this substantial sponsorship.

Alderman Jack Dillon Jack has been a well known supporter of the Coogee Club for many years, his advice and counsel often having been sought and accepted. This year he made a generous personal donation of \$4500 to specifically assist with the upgrading of the club's very important life saving equipment. The donation allowed us to purchase new Ambu Simulators, Oxy-Vivas and UHF Rescue Radios. The club is extremely grateful to Jack for his tremendous assistance. Thank you Jack Dillon. The Municipality is fortunate to have such a representative.

Lend Lease administer a scheme whereby an employee may nominate a community service to receive assistance. Todd Mison nominated us for assistance and the club received a donation of \$1000. Thank you Todd and Lend Lease.

Auditors John Howard OAM of the well known local firm of Meagher Howard and Co is our Honorary auditor. The club is extremely fortunate to have an auditor of his ability to assist our financial accounting.

Honorary Solicitor Mr Peter Court has been our honorary solicitor for the past three years. Peter is a well known local identity holding many positions within the Randwick Rugby Club. He has been kept quite busy attending to our requests of late, especially in regard to incorporation. We are fortunate to be able to call upon his expertise.

The Annual Carnival – Mayne Nickless Champion of Champions The club is fortunate in being allotted this prestigious event by our State Centre. The carnival organiser was James Corcoran ably assisted by Geoff Martin and Gary Daly. Unfortunately this year, due to no fault of ours, the event was not televised. The organiser's report follows.

The Coogee Randwick RSL Club Ltd have supported the club over a long period. Recently they have provided us with a tent for our competitors and the chairs that are now in our Ocean Room. Thank you Jim Lawler and George Elliott. A special thanks to Sub Branch President Dave Cheffins for his help also.

Hon. Carnival Organiser's Report

The 1985/86 Coogee Carnival was held on Saturday February 1, in fine conditions with a slight swell. The feature event of the day, the Mayne Nickless Champion of Champions Boat Race, was a closely fought affair with North Cronulla edging out Bulli and Redhead. The Entrance Surf Club won the fully equipped IRB and trailer.

The special guests, including the Deputy Prime Minister, Lionel Bowen and his wife, and the State Minister for Sport and Recreation, Michael Cleary, and various local identities were treated to a fine display of surf lifesaving competition that was ably complemented by the efficiency of John Dewey, the Carnival Referee and the Sydney Branch Board of Control who had the onerous task of officiating at one of the largest non-championship carnivals in the country.

Thanks is especially directed to the Carnival Committee of Geoff Martin, Gary Daly and Bob Waterhouse and Peter Beadle of MSS, who was of great help in administrative matters. The contribution of some of the more senior statesmen of the club who (along with their wives) helped control money, the BBQ, Car Park, and VIP function was nothing short of magnificent. The efforts of the juniors and cadets is also to be commended as they, as usual, did all the "dirty work". The competitors support on the day was also much appreciated.

The club will again host this prestigious carnival next year and with the help of all members it will again be a highly successful event.

The Coogee Junior Surf Life Saving Club

Our Coogee Minnows had an extremely successful season. It is indeed pleasing to note the number of cadets whose origins are in the Minnows. Many of us believe the club's competitive revival will come from this selection. Don Campbell, the Minnow's Captain, has provided the following report.

The club places on record its appreciation to all those who have assisted the nippers throughout the year; a special thank you and get well quick to "Uncle Bill" Farrow from all his friends in the nippers.

Minnows Report

The 1985-86 season got off to a wet and windy start but by the time the weather improved we had some 130 children registered and rarin'-to-go.

The Sunday morning events were well attended throughout the season and both championship and handicap events were keenly contested. Our handicapper, Jim Dubos, sometimes did his job

too well and the beach sprints often resulted in 'horror' finishes for the judges. As for the surf events, I found it particularly gratifying to see a number of our weaker swimmers improve during the season. A special thanks to the Patrol Captains on Sunday mornings for providing patrol members to swim with the children. Not only did they encourage the kids but their presence reassured the parents (many of whom cannot swim) who were watching from the beach.

This year we took teams to the Branch, Metropolitan and State Titles and the Club performed creditably at each carnival. The State Carnival saw six of our competitors reach the finals: Leigh Habler, Karla Bunton, David Mayne, Paul Graham, Cameron Habler and James O' Toole. David took the bronze in the 10 years beach sprint while James took the bronze in the 13 years surf race.

Earlier in the season Paul Graham and Cameron Habler were selected in the State team which competed at the Australian Titles in South Australia. Paul performed particularly well, running third in the 11 years beach sprint final and being a member of the winning 11 years relay and all age relay teams.

During the summer we had three 'socials' - the Christmas Party, the North Curl Curl trip and the Presentation Day. If noise levels are any indication each of these days was a 'roaring success'. At the Christmas Party Jack Cannot played his usual accomplished role as Santa and his timely arrival averted a near riot by some over-anxious children. Our trip to the North Curl Curl Nippers on a 'bendy-bus' was a very relaxing day involving a friendly competition on the beach in the morning followed by lunch in the North Curl Curl Clubhouse. Our Presentation Day and B.B.Q. was also very well attended. The Minnows 'Most Outstanding Girl' award went to Leigh Habler while the Coogee Surf Club Trophy for 'Outstanding Performance' was shared by Cameron Habler and Paul Graham.

In conclusion I must thank all those who helped with the running of the Minnows this season. In particular - John Dingle, Mary Leary, Jim Dubos, Ken and Cheryl Graham, Carol Schulze, David Habler, and John and Helen Byrnes. A special thanks to Eddie Wilson and Ron McKay who organised the beach activities for our five- and six-year-olds. Finally, to Mick Oxborrow and Joe Seddon, thanks again for your support in 1985-86.

Thanks

The Club wishes to thank all those who assisted in any way with our activities throughout the year, in particular to officials of the Minnows, who have patiently built up a junior club which is the envy of many other surf clubs.

To my assistants Peter Carney and Mike Connolly, a very sincere thanks for your help.

The Club is fortunate in having a President of the calibre of Michael Oxborrow. His efforts on our behalf often go unnoticed - thanks Mick.

The Club Executive functioned strongly and effectively - thanks Mick, Geoff and Tony.

And finally thank you to the Middleton family, Paul, Greg and Noel for their kind assistance in providing the typesetting for this report. It is quite a large job and I wish to thank Paul especially for his time and patience in completing the task.

Presentation Trophies and Awards

Presentation of Trophies and Awards was held at the club house in the Ocean Room and was a great success.

Guests included The Mayor and Mayoress of Randwick, Alderman Bill Newman and his wife Barbara, and Clive Owens - treasurer of our own Sydney Branch.

A fine array of trophies were presented to winners as detailed earlier.

A special thank you to Club Captain Tony Waller, Vice Captain James Corcoran and Sheryl Spore and her assistants.

Club Gear

Last season and the season under review the Club spent over \$12,000 in upgrading life saving gear and equipment.

It is indeed pleasing to report that the Branch Inspectors gave the Club's Gear Steward a very commendable report. Coogee shared first place in the Inspection with two other clubs. Congratulations to Paul Good and his assistants, to John LeMarseny and his helpers with the boat and Tim Causer (IRB Captain).

Estate of the Late Arthur Charles Waters

The late Mr. A. C. Waters, former director of Hatfield Industries nominated our Club as a Beneficiary of his Estate and in 1980/81 a very considerable sum of \$58,000 was received.

\$48,000 was invested in a home unit and the sum of \$10,000 was placed in a trust fund (trustees of the fund being Messrs Johnston, Middleton and Seddon). In the 5 years since the original bequest an additional \$12,500 has been received and placed in that fund making a total of \$22,500 available for club funds.

At present that fund is depleted because of continual demands on it for the day to day running of the club. Competition items purchased over the five years include a surf boat, five boards, four skis, four surf reels. The balance was used this year to finance our commitments. An Executor of the Estate, Mr Engel, advised the then Club Secretary, Reg Johnston, at the time of the bequest that the late Mr. Waters and himself had spent many a lunch hour at Coogee and he admired our voluntary lifesaving system.

Some five years after the original bequest I think it appropriate to again publicly acknowledge the continuing bequest and denote how the funds have been used.

Club Captain's Report

Our Club Captain, Tony Waller, has been at the helm now for three seasons. Tony is one of our most highly qualified lifesavers and this year was a finalist in the NSW Life Saver of the Year Series. His report to the members follows:

I am pleased to report that no lives were lost at Coogee during this, our eightieth season.

Rescues were up and there were three cases of resuscitation. The club is fortunate to have the services of some very dedicated lifesavers and this season's result is a direct reflection on them. A special congratulations to Paul Leary and Steve Gillis who this season attained their 10 years' efficiency on the beach. Paul and Steve are an outstanding example of everything that epitomises a club man.

The major overhaul of the life saving equipment that commenced last season was continued during this year and the club now has life saving and training gear second to none. This was reflected in our club winning the Branch Gear Inspector.

Awards were up on last year and although we saw a drop in bronze and QC's hard working instructors, Gary, Sheryl and Matt deserve a vote of thanks.

With the big influx of cadets joining I feel the club's future in both life saving and competition is extremely bright.

Finally, I would like to thank the Life Saving Committee and all members for the support you have given me. I am proud to be captain of the greatest surf club in Australia.

Treasurer's Report

Ladies and Gentlemen,

I present the Annual Balance Sheet and Financial Statements for your perusal and adoption.

There are a number of significant features affecting the result. Early in November the Club Executive reviewed all the expenses – actual and expected – and all our sources of income. At the rate of expenditure the club was in severe financial straits. A projected loss of \$20,000 for the year was anticipated.

After much investigation a series of recommendations was put to the Council and adopted. These allowed the Club to achieve its most urgent aims without leaving the incoming committees with a significant burden. All sections of the club deserve to be congratulated for their assistance.

Significant features of the accounts are:

- (a) A net loss of \$4682 after providing for the repainting of the club externally.
- (b) A very healthy income from sponsorships and donations in excess of \$2800.
- (c) A significant increase in club ventures of the order of \$15,000 reflecting the popularity of Friday and Sunday socials.
- (d) A significant increase in subscriptions reflecting the increase in Associates allowed at the last A.G.M.
- (e) Decrease in stall revenue to \$8959 was influenced by seasonal factors.

On behalf of Ron Day and myself, thank you to all those who assisted me during the year.

*G. A. Martin
Hon. Treasurer*

Hon. Treasurer Geoff Martin

President's Addendum.

Members,

During late November the club executive took the steps to curb expenditure drastically because of a projected huge deficit by the end of the season.

Fees alone no longer give us the liquidity to operate a large club as ours for any length of time, because most of this is dissipated by insurance, capitation, association fees, cleaning and the likes. It is now impossible to even buy basic life saving equipment without a donation or a sponsor.

With this in mind the members of the council gave wholehearted support to club ventures in fund raising and the procurement of sponsorships both for life saving equipment and competition areas. It was quite evident that the club could not achieve its goals without this effort.

We were able to fulfil most of our goals for the season and finished only marginally behind, after some large appropriations for repainting and competitive equipment.

Last year I expressed great concern over the Local Council's Plan of management involving the club. I would like to report we have had an acceptable compromise which excludes the club and other organisations from such plans. But bear in mind the trend of plans of management is paramount in some people's minds.

Also last year I mentioned our ideas to the restructure of committees. I urge you to support the notice of motion with this report for it has been supported by a special council meeting; its implementation is needed. I congratulate the convenor of the restructure, Gary Daly, who set about his task with professionalism and dedication.

With the restructure we will have a closer contact with the Juvenile movement whom we need for our membership recruitment in lifesaving and competition. This will be controlled by a Vice President under the new proposals.

Life saving awards were down early in the season but, with a confident approach, the Chief Instructor and Club Captain, along with some current holders of Instructor's Certificates helped rectify this, giving us a large number of awards. Well done to those who helped. Competition was not all that rewarding this year. There was a marked fall off in Sunday events, and this was noted by some older members of the club, and plans and ideas are in hand for next season.

The team to the Australian Championships was smaller than in past years but they performed very well, most making the finals and semi-finals. Well done, fellas! Clayton Kearney, in his first year with the club, was a Gold Medallist in the Open Beach Sprint. Congratulations Clayton, we hope there will be many more. Finally, I would like to thank our sponsors, we will always do you proud. Thank you for your support gentlemen.

To put this report together is an unenviable task. To the Secretary, Joe Seddon, well done as always; to Tony Waller and Geoff Martin, the members of the Council, Jack and his helpers in the kiosk and to all of you, thank you for your support.

Secretary's Conclusion

The year just finished marks the eightieth year of operation of our club - quite an achievement in itself, however, it also marks a time when we must look to the future and determine our pathway to the new century - the 21st.

It is obvious that we need to change our administrative structures but it is also equally obvious that our incoming officers need a real commitment to Coogee and not just take the easy or expedient way out on many of the complex issues of today.

The Club has the talent in all of its spheres of operation. A commitment to the common goals of the Club will ensure that the future is bright.

I thank you, the members, for entrusting me with the responsibilities of the office.

Joe Seddon
Honorary Secretary

Coogee Surf Life Saving Club
