## MANAGEMENT AREA

Ladies & Gentlemen,

It is with pleasure I present to you the Eighty-Fifth Annual Report and Financial Statement for the season 1990-91.

The main basis of our existence is that of Life Saving and making the beach safe for the public and I am pleased to report that no lives were lost on our beach whilst patrols were in operation.

Breakdown of rescues:

Gear .....	1
Reel and Belt .....	0
Board/Ski .....	0
I.R.B. ....	4
Surf Boat .....	0
Tube .....	0
Preventative action .....	211

Competitively, the club had a very good year particularly in the R&R and boat areas, the Board and Ski area struggled a little. The results of the State Championships at Bondi and the Australian Championships at Scarborough, Perth were most encouraging.

In relation to the Committees — Management had three resignations that of Michael Connolly, Warren Breeze and Andrew Cotis. One of the positions was filled by John Weber late in the season. Life Saving operated with a full committee.

With the workload increasing every year it is becoming difficult to fill all positions, however, most officers of the club performed their roles adequately.

In the sponsorship area there were a few new sponsors — to all our sponsors namely, Coogee Randwick RSL, Randwick Rugby, Clovelly Hotel, 201

for Hair, G.I.O., Sydney Credit Union, Randwick City Council and all those listed in the report, our grateful thanks for your support towards our club.

The 'two blue' review had various printing difficulties, it did, however, provide a source of communication to members. My thanks to Simon Figures and Stewart Crow for their assistance with the production.

Paul Beale our Social Secretary had a great year and his efforts in no small way assisted in raising much needed funds for our touring teams and the general running of the club.

The Anzac Service was held at the Club on Sunday, 21 April and was well attended by members. The service was conducted by N. (Nob) Hill together with Jim Lawler, President Coogee Randwick RSL.

Coogee Carnival was a great success even though there was no major sponsor for the Carnival this year. To Gary Daly as carnival organiser and his team — well done.

Tony Waller and Clayton Allison are crew members of the Helicopter Rescue Service and are proceeding on a study tour to the USA in June/July. We wish them both well.

I have kept my side of the report short to enable the various contributions that I have received to be printed.

In conclusion I thank all those who have assisted me throughout the season. President, Rod Miller, Club Captain, James Corcoran, Asst. Secretary, Gary Daly and all on Management Council and Life Saving Committee.

GEOFFREY MARTIN (Honorary Secretary)

### Treasurer's Report

Presented with this report are the Balance Sheet and Financial Statements for the year ended 30th April, 1991.

The year was a success financially with the club being able to meet all commitments, including the very real cost in sending a team to Perth for the National Championships, whilst continuing to accumulate funds for much needed renovations.

During the year the "old seminar" room was demolished and action taken to rectify flood problems. Despite vandalism and fire the area is now almost complete and will house the clubs gymnasium. In excess of \$18,000 has been expended on this project so far.

Reserves have been accumulated to enable replacement of the verandah and modernisation of the mens change and shower areas whilst incorporating a ladies change area downstairs.

### Income

The clubs funds accrue from 4 main sources and certain members worked extremely hard to ensure that all areas of funding met expectations. Jack Cannot and his band of assistants in the shop experienced a frustrating year with the beach area virtually being cut in two by major earth works.

That they were able to produce a result in line with last year's performance is a tremendous effort and one that deserves the clubs complete appreciation.

The Social Secretary Paul Beale and Warren Breeze put together a fund raising social calendar which was extremely successful and enabled the club to send a big team to the National Championships in Perth at a very modest cost to individual team members. This was quite an achievement and one that deserves highlighting.

Conscientious investment and tight control rewarded the club with substantial investment income whilst subscriptions were at an all time high.

## Expenditure

Expenditure was closely monitored and all accounts vetted by the committee. Most items of expenditure were kept within budget. In particular though I would like to acknowledge the work of our gear stewards Les Barlow and Col Scott who believe in fixing and repairing as opposed to the "throw-away" mentality that afflicts so many today. Their efforts meant that our gear is in good order and condition and our costs are minimal.

Expenditure of over \$10,000 was allocated by way of grants/provision for equipment to individual members as follows.

Brett McInnes, Trent Mison, Tod Mison, Matt Fernandez, Ian Darragh, Cameron Habler, Leigh Habler, Trent Higgs, Belinda Gladstone, Allyson Weber, A Boat Crew.

Expenditure comprised the purchase of boards and skis, swimming subsidies, and payments to the Association for representative team members and members selected to participate in camps, etc.

Entry Fees to carnivals and championships paid on behalf of competitive members were in excess of \$3,500.00 for the season.

## Donors

The Club is indeed fortunate to have many committed donors and a list is printed elsewhere in this report. To each and every one who helped us during the year "thank you sincerely".

To my assistant Warren Breeze (Breezy) a special thank you for his perseverance and patience. The club is lucky to have him.

JOE SEDDON, B.Com. (E.C.), A.S.S.A., J.P.  
Treasurer

## Shop Report

At last a good summer. But what do we find, the beach split in half by the alterations of the beach front. We experienced good weather during the school holidays, which helped our return. Our net profit appears in the balance sheet. I would like to thank Noel Lumby and Hilton Hibbert for their dedicated work on Saturdays and Ron Golby, John and Lucy Clothier for their help during Sundays. Other helpers include Allan Anderson, Ted Knoblaiche, Tony Kilpatrick, The Habler Kids, Cameron, Leigh and Shannon, M. Feiner, S. Dyer and B. McGuinness. We are still asking for extra help during school holidays, if any retired members could lend a hand it would be much appreciated. This appeal is directed to the new older female members as well as the younger people.

### AUDITOR'S REPORT

I have examined the Financial Accounts and other records of the Coogee Surf Life Saving Club for the year ended 30th April, 1991. In my opinion the above Balance Sheet and accompanying Statement of Income & Expenditure for the year ended 30th April, 1991 are properly drawn up so as to give a true and fair view of the Club's affairs as at 30th April, 1991.

### Notes to and forming part of the Financial Accounts as at 30th April, 1991

1. The accounts are prepared on the continuing business concept, using the historical cost convention and therefore do not reflect changes in the purchasing power of money.

2. Stock of Kiosk Goods, Bar Purchases and Stock for resale have been valued at cost price.

3. An amount of \$20,000 was granted by the Department of Sport Racing & Recreation to the Club in 1988 for specified purposes. This amount has now been taken into account and used in accordance with the conditions as specified.

4. The building in which the Club is situated is shown in the Accounts as having a value of \$214,806. In

the event of termination of the lease for the premises, it is anticipated that the building would not have any realisable value.

5. Building renovations estimated to cost in excess of \$100,000 are to be undertaken within the next two years. It is intended that funds set aside in a Provision for Building Maintenance will be used on this project.

6. A Public Liability Insurance Policy is held by the Surf Life Saving Association of Australia providing inter alia cover for the Club and members of the Club whilst engaged in life saving activities or properly authorised duties as approved by the Club.

## MAJOR CLUB AWARDS

James Corcoran

### Honour Blazer

James Corcoran had an excellent year in the club. In addition to his duties as Club Captain, he has assisted and been responsible for the induction and training of new members of the club and the club's strength today, in this field, is indicative of his efforts.

- Carnival Organising Committee
- Coogee gear inspection
- Assisted at various functions
- Member of Board of Control
- Club selector
- District team selector
- Supervised at Junior dances
- Conducted Surf Survival Courses
- Conducted Surf Courses at Child Care Centres
- Conducted Branch Examinations
- Competed in 5 & 6 person R&R
- Coached 5 person B team in R&R
- 100% attendance 10th Year

In addition to performing all of his patrol duties achieving 100% attendance and proficiency, James has contributed a large amount of his time and effort for the betterment of Coogee Surf Club.

The high standard Coogee holds with the Association, is in no small way due to the continued efforts of James.

### Patrolman of the Year

Greg Smart.

Greg won this award after undergoing a gruelling test of Surf Life Saving knowledge. This award is made up of a written knowledge test Resuscitation, general Surf Life Saving awareness and a club attitude mark. Congratulations Greg.

### Most Outstanding Junior

Tony Seddon

After a great Australian board riding effort winning the double (open and junior), Tony also represented in the Sydney Branch Team and completed 100% of his patrols.

Well done Tony.

### Most Improved Junior

Trent Mison

Trent was vice captain of his patrol completing 100% of his patrols and was a member of the Junior R&R team that finished 3rd at the Australian Championships. Trent's swimming and competition improved greatly over the season, even though visits to Archies may have interfered.

Congratulations Trent.

### Most Outstanding Cadet

Leigh Habler

Leigh is a great all-round competitor, completing 100% of her patrol obligations Leigh was a member of the district team and a great competitor for Coogee at the State Championships where she gained 2 gold medals in the cadet board and cadet surf.

Leigh's efforts in the State and Australian still water are also to be congratulated.

### Most Improved Cadet

Matt Leary

Matt was a member of the cadet R&R team that finished 2nd at the State Championships and 4th in the Australian Championships. Matt's all-round improvement in Board and Swimming events together with patrol obligations make him a worthy winner. Well done Matt.

### Associate Award

Lorraine Gaffney was a most worthy recipient of this award.

Lorraine has been a tower of strength with the Minnows area of the club and has been a valuable member assisting with the open surf carnival. Lorraine is most willing to lend a hand wherever necessary around the Club. Congratulations Lorraine.

## LIFE SAVING AREA

### Club Captain's Report

The 1990-91 season was a highly successful one for Coogee S.L.S.C. Firstly, I am proud to report that 'No lives were lost' whilst we patrolled the beach. Five rescues were completed. Four were effected by the IRB, and one with the aid of no rescue equipment. Throughout the season patrolling members also took part in numerous searches for lost children (all successful), treated a large number and variety of minor first aid cases and made some 200 preventative actions. That is, warning people from danger — no doubt contributing to the lower number of rescues this season, proving that prevention is far better than cure.

Some sixty-six members gained their 100% attendance for the season, and I would like to thank them for their unselfish efforts that sometimes carry a number of other less conscientious active members. Thanks also needs to be directed to the Patrol Captains for the efforts that they have made this season to ensure the safety of the bathing/surfing public.

Other major highlights of the season included;

- Tony Seddon's dual Championship wins in Perth in the Open & U-18 board riding;
- Leigh Habler's and Malcolm Allen's surf results and outstanding still water results at Open and Age Championships;
- The large number of placings gained by the Boat, Swim, R&R Boardriding and Ironman sections of the club at weekly carnivals;
- The fact that a large number of teams competed throughout the season (including; 7 Boat crews, 5 R&R teams, a surf team and two board relays) thus enabling some fine club spirit to develop;
- The 10th Place gained by the Rep. Team in the inter-club pointscore at the Australian Titles, a fine team effort;
- The selection of the 'A' Boat Crew in the State Team;
- The efforts of Macro and his helpers who largely contributed to the subsidisation of the team to Perth;
- Three members gaining their 15 years 100% attendance. Congratulations to Shirl, Tony and Bob and finally,
- Six members gaining their 10 years 100% attendance. Congratulations to Pissy, Slug, Scan, Chives, Ash and Brook.

This was my first season as Captain, and found the year both challenging and rewarding. It would have been, neither without the valued assistance of the Lifesaving Committee, thanks especially to Scan, Geoff, Gary, Jeff, Todd, Alison, Deuce, Lurch and Bugs for your efforts this season. I believe the Club is going

from strength to strength, and, with some fine-tuning in a few areas (for example, Club Events, Sponsorship and Record Keeping) we could justifiably claim to have one of the best clubs in the Association.

I trust everyone had a good a time as I did and hopefully next season will be even better.

JAMES F. CORCORAN (Club Captain)

## Radio Officers Report

I'm proud to say our Surf Life Saving Club has had another successful and troublefree season from our radio department.

Thanks to the efforts of the patrol captains and their teams of Lifesavers. We have recorded no radio "clown time". Thus our "UHF" radio is already waiting to do another season's work with no expenditure to its name. Well done patrol people.

Our club will be purchasing a waterproof IRB Radio in the near future. If we can show the same care, courtesy and commonsense shown with our beach radio it will also last for many years of fine operation.

Have a good evening Ladies and Gentlemen.

GREG CAUSER (Radio Officer)

## Helicopter Rescue

The "Lifesaver" helicopter rescue service, as it is now known, has in the last twelve months re-inforced its position as the "number one" Helicopter Emergency Medical and Rescue Service in the country.

The recent purchase of three Dauphin helicopters, refitted to become the most sophisticated rescue helicopters in the country will offer the population of N.S.W. with a service second to none.

Coogee S.L.S.C. is proud to have two members, Tony Waller and Clayton Allis on flying as helicopter rescue crewman, from the Sydney Service, based at Prince Henry Hospital.

Tony and Clayton, who gained their Helicopter Crewman's Certificate in 1985, have carried out numerous rescues, between them in 6 years of service. By the end of this season, both will have completed their Helicopter Crewman Instructors Certificate.

Many club members do not realise the dedication and time commitment required to retain their positions as rescue crew.

Unlike the surfing season, patrols are carried out 12 months of the year, on a 24 hour basis. Each volunteer crewman is required to complete four patrols per month, as well as attended mandatory retraining days and crew meetings each month.

On top of this each crewman is re-examined in all aspects every 6 months.

As for the physical side, each crewman must requalify each alternate month with a 4km timed run, or a 400m pool swim. With a 1km/400m run/swim; and 15 minute treadwater in flight suit, every six months. A yearly medical examination is also carried out.

Crewmen must also remain current with Advanced Resuscitation and Advanced First Aid Certificates.

Flight training is held every second month, with crewmen being checked in all aspects of their role as Rescue Crewmen. A typical day would see a

member abseiling up to 100 metres from a helicopter; jumping from a helicopter to carry out a surf rescue; a winding medical crew 90 metres onto a target below.

A crewman must also be conversant with radio operations, basic navigations and have a general knowledge of Airmanship.

During the year Tony and Clayton have been involved in a number of different missions from a cliff rescue carried out by Clayton to a week spent at Forbes by Tony, carrying out rescue and medical support missions to a community isolated by flood waters.

Overall the boys find it demanding and yet very rewarding.

Come June this year, both Tony and Clayton will be attending a helicopter operations study tour to the west coast of the U.S.A. where they will attend training facilities of the U.S. Coast Guard, Los Angeles City and County Fire Departments and Los Angeles County Lifeguards. All this will be made possible by the support given to them by the members of Coogee S.L.S.C.

## IRB Captain's Report

The 1990-91 proved to be one of consolidation of equipment and provision of a quality IRB service to the beach patrols. This was made extremely difficult by the lack of suitable accommodation for hulls, engines and ancillary equipment necessary for IRB operations. The constraints of working from a shipping container in the middle of the beach are such basic maintenance such as hosing down the hulls and flushing the engines after use are impossible, a circumstance such as changing spark plugs or cleaning carburetors even worse.

I would suggest that the seizure of two motors by Christmas was a direct result of our inability to provide any great degree of maintenance.

However, through a number of initiatives we have been able to rise above these problems and now have two motors that are extremely reliable and well maintained at a minimal cost.

This then allowed the IRB to fulfill its role of support to beach patrols and competition, performing a number of rescues, being available for the training of bronze medallion and IRB driver candidates, and the club providing all IRB need on our carnival day. From our current point we need to develop a group interested in driving the craft and more importantly committed to the maintenance of hull and motor. To foster this the club is now working closely with the Maroubra, South Maroubra and Clovelly Club in an ad hoc co-operative which is improving the ability of drivers within each club.

Finally, I would like to thank the three IRB Captains of the other Randwick District Clubs for their assistance, and John Restuccia for opening the doors to the other clubs.

P. DAVIS (IRB Captain)

## COMPETITION AREA

### Carnival Organiser's Report

The carnival was held on Saturday, 2/2/91 with weather being fine with a 2-3 ft shore dump. Once again several months of preparation was required to ensure the smooth running of the carnival.

Unfortunately the carnival did not have a sponsor this year due to the fact of Mayne-Nickless having withdrawn their sponsorship from State Centre and subsequently our carnival. We would like to thank Mayne-Nickless for their support over the last decade.

Your Organising Committee consisted of the following people:

- G. Daly, Carnival Organiser
- G. Martin, Administration
- P. Beale, Functions
- E. Egan, Carpark
- J. Corcoran, Ass. Carnival Organiser
- W. Breeze, Catering
- M. Scannon/R. Burst, Manpower
- L. Gaffney, B-B-Q

Without these people it would have been very difficult to organise the carnival, and I would like to take the opportunity to thank these people for their valued assistance.

Due to the extensive renovations that are taking place on the beach there were some problems with access of craft and boats but these were solved with the help of Randwick City Council and the use of a tractor.

Competitively the carnival was a success with approximately 1000 participants in the carnival. The branches of Sydney, Illawarra and Manly were represented.

Guests that were in attendance included Mrs Jeanette McHugh MP our local member, Lionel and Claire Bowen and representatives of some of our sponsors including Randwick Rugby Club Ltd., Coogee Randwick RSL, Clovelly Hotel, Sydney Credit Union and others.

Another milestone was reached by Ron Howles the Carnival Referee who celebrated his 50th year of attending Coogee Carnival. We congratulate him on this achievement and wish him well on his retirement.

Financially the carnival was a success with fundraising activities including a BBQ, downstairs refreshment area, raffle, upstairs turn and carpark. I'm sure the treasurer will give you a more detailed synopsis of the carnival finances.

For the future we must start looking for a sponsor for the carnival. This will be essential to the long term viability of having a carnival at Coogee. This we must start doing NOW. Another part of the carnival that I was not happy with was the limited exposure the carnival is receiving. We must start spending more time and money promoting the carnival either through story or advertising.

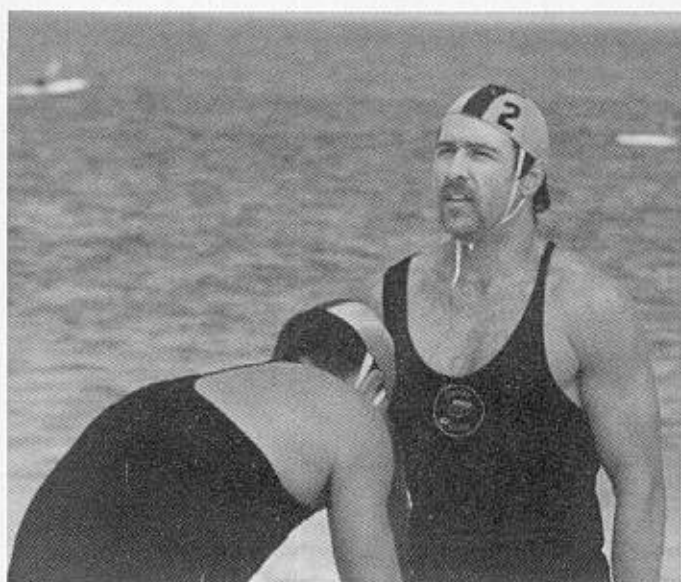

I would like to thank all those who assisted in the running of the carnival for it is you who deserves the credit. It is that without you that the carnival would not exist. To those who on the day had to be chased up, refused or didn't help I think you should seriously think about why you are in the club at all.

I am happy to confirm that the next Coogee carnival will be held on 1st February 1992.

## Team Manager's Report

### Australian Championships — Perth

After a 4 hour flight on Compass Airlines the team settled into its accommodation at the Chateau Commodore Hotel in Perth.

The venue for these Australian Surf Titles was Scarborough Beach.

The team selected was 59, however, there was two withdrawals that of Brett McInnes and Leigh Habler.

Conditions for the championships were ideal with the exception of the Sunday which was wet, windy and cold. The team competed magnificently with outstanding team and individual performances with Tony Seddon achieving 2 Golds in the Open and Junior Board riding, bronze medals went to the Junior R&R Reserve Boat crew and Malcolm Allen in the Junior Surf Race.

Congratulations to the Senior A boat crew swept by 'Noisy' McGuigan on being selected to represent NSW at the interstate carnival at the Australian. With so many outstanding performances by the Juniors and Cadets all goes well for the future of the competition as Coogee.

The overall team behaviour and team spirit was excellent. For those who extended on after the club dinner festivities the Monday return flights on Compass Airlines seemed to take forever.

My thanks to the assistant team managers Rod Miller, Rod Coleman and Joe Seddon and to James Corcoran as team captain.

It was a pleasure to be associated with such a fine and outstanding team.

GEOFFREY MARTIN (Team Manager)

## Swimming Captain's Report

Once again, this season Coogee fielded a large number of Rescue and Resuscitation teams in competitions. These were comprised of 2 open teams, 2 U/18 teams and 2 U/15 teams, with the Tod Mison coached U/18 team being the best performed. This team won an Australian Bronze Medal and a State Silver Medal which was a just reward for 3 years of hard work. Another creditable result was the all-male U/15 team which won a State Silver Medal and were placed 4th at the Australian Titles.

The club owes its thanks to the coaches of the above mentioned teams. Hopefully all of them will be available to coach again next year.

This season also saw Coogee fielding more competitors in Surf Races and Surf teams races, hopefully the trend will continue next season with Coogee fielding surf teams in all three categories.

Success came this season to Mal Allen, Leigh Habler and Larn Darragh who all won individual medals at the State Titles. Mal also swam well to gain a Bronze

Medal at the Australian Titles. Another creditable performer was Matt Fernandez, who competed in U/15 surf race and Run-Swim-Run throughout the season but had luck desert him at the State and Australian titles.

These four swimmers also competed in the Australian Age and Open Swimming titles. Mal Allen finished second in the 200m Backstroke and 4th 100m backstroke and was selected to represent Australia at the Pan Pacific titles in late August in Canada. The full results were:

### Mal Allen

## Coogee S.L.S.C. Swimming Club

To help keep our Champions and "could have been champions" (the majority), at the peak of physical fitness in the pool, the Surf Club have commenced a mixed swimming club held at the Coogee Randwick RSL Pool commencing at 6.15pm every Friday night. Handicap races, Interclub swims, team relays and the now legendary "Dash for Cash" are held and competition is fierce. Why not come and boost the numbers!

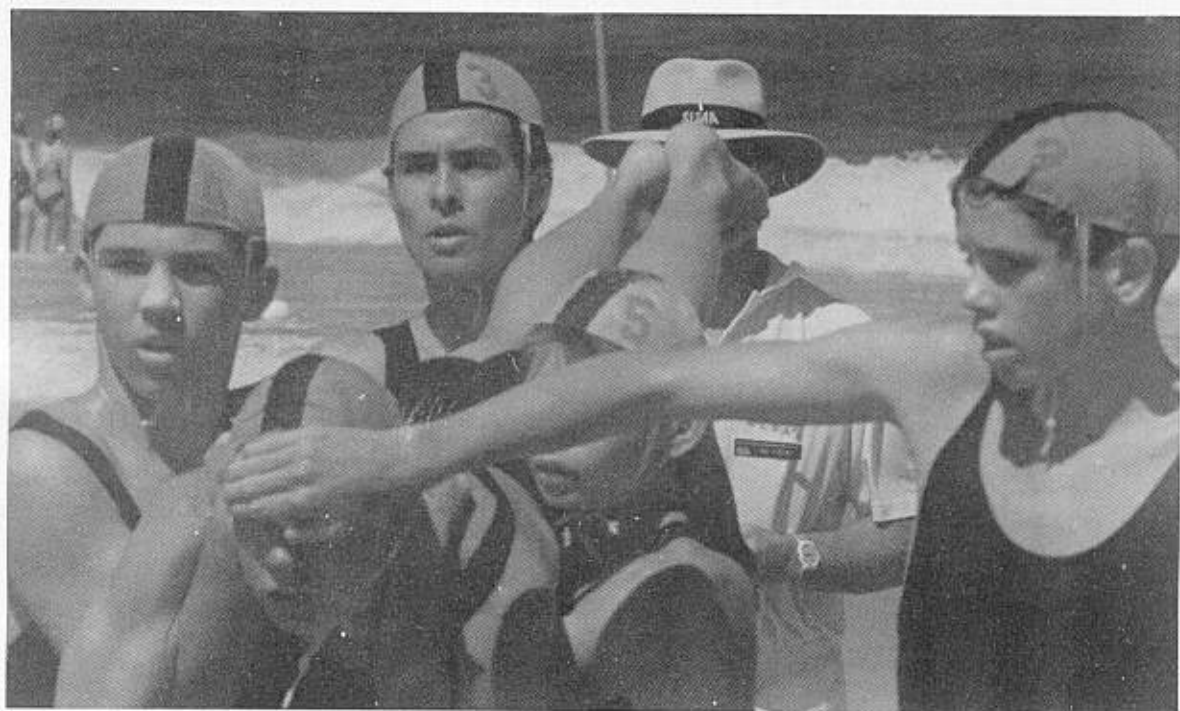

For the socially minded, we get together for a presentation and drinks every two months. You may even get the chance to swim against past and present heroes of the pool like "machine" McDonald, Squire, Shorty, Starsky, Spam, Higgys, Nino, Phibbsy and Chives, amongst others. Our motto "Get out of the pub and into the pool!"

## Boat Captain's Report

G'day, Dan Gibbs reporting on behalf of the Boat Rowing Association of Coogee. An excellent season gone by, showing that the Rowing Association is by far the strength of the club. With a staggering seven complete crews my boys picked up twenty-one hundred plus dollars in prize money in races including

*Junior 5 Person R&R Australian Bronze and State Silver Medallists*

*Cadet 5 Person R&R State Silver Medallists*

that of Pier One, the State Still Water Classics, the Nutri-Grain Super Series and Coffs Harbour, "Get me out of this place", craft carnival. Also yet to come into the Rowers Association treasury hands is the four thousand dollars in prize money from the sweeping wipe-out by us against the rest at the annual cricket day match.

An excellent effort rowed by Termite's crew to get a bronze at the Ozzies, I was with you all the way boys! The 'A' crew won a placing at the State Carnival to seal their selection to represent the Blues at the Australian Titles.

Finally, a Rowing Association isn't an association without help from in and around. Thanks to the rowers who made up our proud Association. My thanks also goes out to Bob Miles who does give us priority in repairing and building our boats and the like. To Paul 'Macro' Beale who raised more money for the club than any other single member, no doubt this is why we should and did have five crews represent the club in Perth. Thanks to captain of vice, Coota, as well as Termite for having me as B.C. Thanks to Michelle Phibbs for flag bearing at the dogs night.

An excellent season gone by.

D.E. GIBBS (Boat Captain)

## Junior Captain's Report

In my opinion the junior section of our club is going from strength to strength in all aspects of lifesaving and competition.

Firstly, numbers are very strong and patrols very well attended throughout the season. The younger members seem to be very mature when it comes to the most important area of a surfclub — keeping fit and saving lives.

Secondly, the results in the competitive side were outstanding with T. Seddon, M. Allen, L. Darragh, L. Habler, C. Habler, M. Fernandez, J. Seddon amongst others excelling in all carnivals including the Australian titles in Perth. Being in a team event as a junior or cadet is very important for development as it gives young ones experience in mateship, winning, losing and respect for coaches. Outstanding teams this year included both cadet and junior R&R, Cadet Malibu and swimming and Junior A & B boats.

In conclusion, I am pleased to be involved with such a great bunch of kids — keep it up.

TODD MISON (Junior Captain)

From the "Southern Courier," 5th March, 1991: The Coogee Surf Life Saving Club has come to the "rescue" ensuring Ronald McDonald House at The Prince of Wales Children's Hospital will have its first colour television when it opens its doors next month.

At a recent fund raising evening for the surf club, a table of guests won the TV in a raffle. Unable to divide the prize, they offered it to the new Ronald McDonald House in Barker Street, Randwick.

Seen here are James Corcoran (left), Brett McInnes, Michelle Phibbs, Geoff Martin and Sister Sheila Petty from the Prince of Wales Children's Hospital.

## Board Riding Report

Once again the clubs board riders were to the fore in all competitions during the winter and summer period competing in 20 events over the year with 10 wins, 7 seconds and 3 third placings. Highlight of the season was Tony Seddon's great dual win at the Nationals.

For the record the major championship results are as follows:

**1990 Winter Championships** — finals were transferred to Coogee during the event because big seas made all other beaches unsurfable.

Open	T. Seddon	2nd	J. Reid	5th
Junior	T. Seddon	1st		
Cadets	J. Seddon	5th		

### Branch Championships — Wanda

Open	T. Seddon	1st	J. Reid	4th
Junior	T. Seddon	1st		
	J. Seddon	2nd		

### Metropolitan — Long Reef

Open	T. Seddon	3rd	J. Reid	4th
Juniors	T. Seddon	1st		

### State Championships — Bondi

Juniors	T. Seddon	2nd	J. Reid	7th
---------	-----------	-----	---------	-----

### Australian Championships — Trigg Island

Open	T. Seddon	1st		
Juniors	T. Seddon	1st		
	J. Seddon	6th		

The club retained its title of the most successful board riding club in the nation for the second successive year defeating Bronte and Manly.

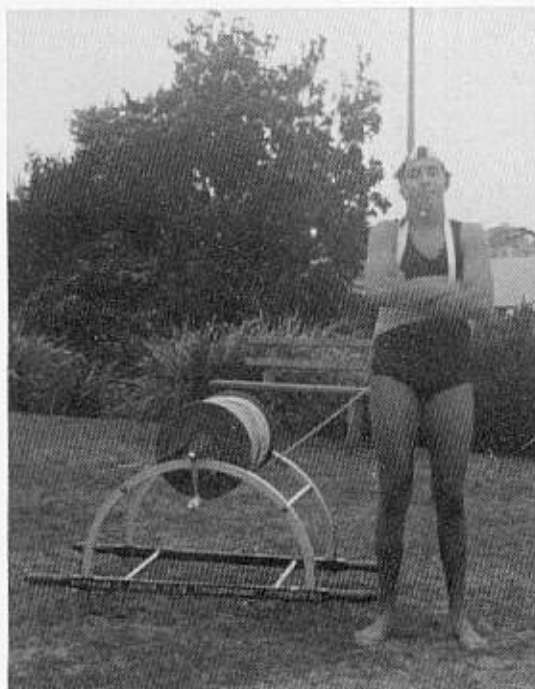

### Representative Honours

The branch selects a team of 6 to compete in the **Peter Doolan Tag Team** which is contested by NSW branches. Tony Seddon, Jamie Reid and Jim Seddon were selected to represent Sydney branch in this event which the branch won.

The board riders would like to thank the club association and officials for their help in providing the competitions throughout the year, mentioning especially Kim Wilson and Peter Doolan for their help at State and Australian Championships.

## AFFILIATED ACTIVITIES

### Coogee "Minnows"

The summer of 1990/91 saw a dramatic improvement in the water quality at Coogee. For the first time in several years we did not have to cancel any events due to water quality problems. The weather was also very kind to us and we only lost one day due to bad weather.

We had over 150 registered members this year all of whom took part in our activities and helped fulfil the aims of the club, i.e. to learn more about water safety and be confident in the surf. Our numbers did dwindle after the Christmas break, however there were many kids who participated and enjoyed the activities until the end of the season.

We had 48 children qualify for their "S" Badge and we had a very good attendance to the various carnivals during the year, particularly at the Branch Champs at Elouera. Congratulations were received from the Sydney Branch for Belinda Gladstones and Shannon Hablers fine efforts in helping the Sydney Branch retain the Interbranch Trophy. Belinda also represented the state at the interstate carnival in South Australia, congratulations Belinda.

Competition for the club championships and handicap events was very keen and all who had 75% attendance were eligible for trophies. The major winners are listed below:

#### Championship Winners

7 Years	Girls	Alicia McDowall
	Boys	Stephen Sharpe
8 Years	Girls	Amber McDonald
	Boys	Patrick Phibbs
9 Years	Girls	Karinda Leary
	Boys	Michael Ormsby
10 Years	Girls	Belinda Gladstone
	Boys	Jose Marquino
11 Years	Girls	Sarah Hoiles
	Boys	James Sweeney
12/13 Years	Girls	Natalie Gaffney
	Boys	Dean Cameron

#### Handicap Winners

7 Years	Girls	Simone Perks
	Boys	Andrew Healy
8 Years	Girls	Amber McDonald
	Boys	Patrick Phibbs

9 Years	Girls	Nicole Perks
	Boys	Daniel Healy
10 Years	Girls	Shannon Habler
	Boys	Paul Maggee
11 Years	Girls	Sarah Hoiles
	Boys	James Sweeney
12/13 Years	Girls	Natalie Gaffney
	Boys	John Georgaris

Bob Price Trophy — Michelle Ormsby

Pro Diving Trophy — Simon Sweeney

Coogee Surf Club Trophy — Belinda Gladstone

John Mudge Trophy — Patrick Phibbs

John Mudge Shield — Kate Middledorp

Minnows Junior Champion — Patrick Phibbs

Minnows Board Champion — Jose Marquino

Junior Beach Champion — Patrick Phibbs

Senior Beach Champion — James Sweeney

Awards for iron persons and encouragement awards were also given.

It was very pleasing that 52 members received National Junior Awards at various levels.

To the water safety officers thanks for suffering the cold water at the beginning of the season and for looking after, encouraging and helping those kids that needed it.

Thanks also to all those parents who helped run the beach events and act as scorers. Without your help we could not run the Minnows.

I would also like to thank the committee, Steven Anderson, Andrew Quigley, Faye McMahon, Helen Byrnes, Michael Georgaris, Kim Young, Michael King, Mandy Hoiles and Lorraine Gaffney, for their time and effort during the year.

Finally thanks to the Senior Club Management Committee for their continued support of the Minnows and to Warren and Margaret Millet of Coogee Backpackers for their continued sponsorship during tough times.

A new committee was elected at our A.G.M. and Trophy Day, so we are set for a good season in 1991/92.

## VALE

The President and Members of the Management Committee extend their sincere sympathy to the families of members who passed away during the year.

## President's Addendum

One of the most outstanding and pleasing aspects to emanate from the past season was the harmony that drifted peacefully through the club. There was a general feeling of well being and contentment with members feeling the benefit of having a close knit and supportive mini society. Our members have always been protective of each other and it is one of the great traditions that this club possesses and should this current trend continue, and there is no reason why it shouldn't, we can only go from our current strength to even greater strength.

In these relatively difficult financial times we had an outstanding season through hard management and tight control of expenditure. For the first time in a number of years we had a sunny, hot summer that should have benefited the club kiosk. However, with the beach virtually split in half due to construction we could not gain the full benefit of the fortuitous weather. However, due to the exemplary work by the few members that man the shop we were able to show a good profit. Again the Sunday Socials were well attended and thanks to the roster and the adherence by those that agreed to work same, we had a successful and financially beneficial year. We were also greatly assisted by Paul Beale and Warren Breeze who ran a number of Saturday night dances. These dances became very popular and boosted the club's ventures substantially.

We learnt early season that the sponsorship of our State Centre controlled annual carnival had come to an end. It was decided that even without financial support the carnival would go on and it was pleasing to see there was no decrease in competitors which shows the confidence other clubs have in Coogee and more pleasing was the "result" we achieved. We sincerely believe that we have the resources to run a great carnival at Coogee and a sponsor would be a great bonus. To this end some ground work has been established and it is hoped that next year our carnival will be bigger and better than ever. Whilst on the subject of carnivals it is pleasing to advise that our club has made formal application to conduct the 1994 Australian Championships. The criteria to conduct these Championships is quite mind boggling and we will more than likely be overlooked due to the restricted length of our beach. The feeling of our current management is that even with such a restriction the Championships could be conducted magnificently at Coogee, however it is a matter of

convincing National Council of same and awaiting their decision.

We have, over the past few years attempted to build the competitive strength of the club in the belief that a strong competitive area makes for a strong club in general. We had our biggest competitive representation at carnivals for many years and the results were outstanding. With the ground work now laid there is little doubt we will continue to attract quality competitors from our local area. We have always been a club that takes pride in its "home grown" competitive members and it is an attitude that should be nurtured.

Good fortune saw the club send a large and very competitive team to Western Australia to contest the Australian Championships. Besides being great ambassadors for the club as far as behaviour and sportsmanship was concerned, the team competed well above expectations enabling this club to be ranked in the top ten in Australia.

Congratulations should be extended to a number of people. To the gentlemen that so proudly accepted their fifty year membership awards at the Annual Dinner, to the members that competed with such distinction at the State and Australian Championships, particularly Tony Seddon for his record achieving result of winning both Junior and Open Board Riding Championships and to Chris Gately, Tod Mison and John Le Marsney for the time, devotion and faith they showed in coaching, befriending and acting as mentors in general to some of our outstanding young team members.

Over the past three years that I have had the pleasure of serving as President of this Club, there have been an enormous amount of people that have offered their help, advice and friendship and that has been greatly appreciated. To thank all these people would be impossible. In general I say thank you for the tolerance and general attitude you, the members, have shown towards me.

ROD MILLER, President
