Notice of 115th ANNUAL GENERAL MEETING SUNDAY 1st AUGUST 2021

NOTICE is hereby given that the 115th Annual General Meeting of the Coogee Surf Life Saving Club Incorporated will be held in the Ocean Room, Coogee Surf Life Saving Club, on Sunday 1st August 2021 commencing at 10:00am.

AGENDA

Pursuant to Rule A27 of the Rules, business will be conducted as follows:

1. Opening of the meeting by the Chairperson;
2. Apologies;
3. One-minute silence;
4. Adoption of the minutes of the 114th Annual General Meeting;
5. Presentation of the 115th Annual Report;
6. Presentation of the Income and Expenditure Statement and Balance Sheet and Statement of Members pursuant to the relevant legislative provisions;
7. Notices of motion for which due notice has been given;
8. Election of Office Bearers for 2021-2022;
9. General business as may be transacted according to the rules and by-laws.

NOMINATIONS FOR OFFICE BEARERS

Pursuant to Rule A13.2, nominations are now called for the Office Bearers of the Club for the season 2021-2022, being:

President, Vice President; Secretary; Treasurer; Club Captain; two (2) Governors; Director of Minnows; Director of Competition; Director of Fundraising and Sponsorship; Director of Social Events; Director of Youth Services; Publicity, Marketing and Communications Coordinator; Compliance and Public Officer; Club Vice Captain; Club Junior Captain; Chief Instructor; Registrar; Chief Gear Steward; IRB Captain; Radio Officer; Patrol Supervisor; Proficiency Supervisor; First Aid Officer; Boat Captain; Swimming Captain; Surf Board Riding Captain; Beach Captain; Board and Ski Captain; Touring and Carnival Team Fundraiser; R&R Captain; Touring and Carnival Team Manager; March Past Captain; Coaching Coordinator; Surf Sports Official Coordinator; Masters Captain; Life Saving Sports Captain; Deputy Director of Minnows; Minnows Branch Delegate; Minnows Secretary; Minnows Treasurer; and Minnows Registrar.

In accordance with Rule A14.1(d), candidates for the position of elected Officers must be aged 18 years or over, reside in Australia and be financial for the 2021/2022 Season.

Members accepting nominations for Office should familiarise themselves with the duties and responsibilities of the Office they are seeking. A summary of all duties is available from the Secretary.

Pursuant to Rule A24, the listed requirements will be necessary for any candidate to election to the following roles:

- Club Captain: shall hold a Bronze Medallion and Beach Management Award.
- Club Vice Captain: shall hold a Bronze Medallion.
- Chief Instructor: shall hold a Training Officers Certificate.
- Director of Minnows: shall hold an Age Managers award; and
- Two (2) Governors: who will each be a Life Member of the Club.

Pursuant to Rule A14.1(e), nominations must be:

- Made in writing, signed by two proposing members of the Club, and accompanied by the written consent of the nominated member.
- Made and proposed only by members who are entitled to vote at an Annual Meeting, subject to Rule A28; and,
- Delivered to the Honorary Secretary, not less than eight (8) days before the date fixed for the holding of the Annual General Meeting.

Nomination Forms are available from the Secretary or care of admin@coogeeslsc.com.au.
Nominations close at 10:00am on Saturday 24th July 2021.

Members should refer to Rule A28.1 for entitlement to vote at the AGM.

CLUB FEES

*Fees for the 2021/2022 season are now due.
You will note a significant reduction in our Long Service, Reserve
Active, Senior Active, Junior Active
& Cadet Active membership fees.*

*You will note that due to the ongoing pandemic, the Management
Committee has elected to continue ongoing financial support of
our Long Service and Active Members by subsidising membership
subscription fees for the 2021/2022 Season only.
Fees received after 30 September 2021 will attract
an additional late fee of \$25.*

MEMBERSHIP FEES

Life Members	\$0
50 Year Long Service	\$0
Long Service	\$50
Long Service Over 70 Membership	\$50
Reserve Active	\$50
Senior Active (18yrs and over)	\$50
Junior Active (15-18 yrs)	\$50
Cadet/SRC (13-15yrs)	\$25
General (Non-Active Nipper Parents)*	\$50

*or other such fee as the Management Committee may determine from time to time.

ASSOCIATE FEES

Associate	\$200
Over 70 Associate	\$120
Associate Joining Fee *	\$100

**Currently the club is not taking on any new Associate memberships but if and when that occurs there is a \$100 Associate Joining Fee (once only).*

GYM FEES

Gym fees are now due. Please return your gym membership form with your subscription. Failure to renew gym membership by 30 September 2021 will result in electronic fob deactivation.

Long Service/Reserve Active/Senior Active	\$120
Junior Active/Over 70 years	\$ 50
Associate	\$180

NOTE: Senior Active, Junior Active & Cadets (must be over 15 years) members **MUST** be proficient and complete the required number of patrolling hours per season to join and to retain their gym membership.

Life, Seventy Five and Fifty-year members are respectfully reminded that they must complete a membership renewal form each season to ensure continuing service.

President's Report

TODD MISON

There is so much involved in running one of the biggest surf clubs in Australia. To be successful takes a hell of a lot of good people giving up their precious time. I wish to thank all our Office Bearers and volunteers for performing their amazing community service and, in the process, changing people's lives.

Firstly, I would like to thank our Executive, Management team and various Committees that voluntarily run this club. These members are passionate, driven and always working in the best interests of all members. This season, I have witnessed cohesion and vision, which is such a positive for all of us. However, I caution, that all members have to be more mindful of others' actions and interests, otherwise 'One Club' will be relegated to just another meaningless slogan. I urge our members to 'buy in' to Coogee's great culture, built upon since our foundation in 1907. I just wish I could 'bottle up' the strength of mateship and bonding that was on show at our 50-Year Member's function. It was inspiring to see a great bunch of older clubbies coming together to celebrate their club life. My thanks to Luna for keeping this tradition so alive.

The Official Opening of our club's new Ocean Room in December was a memorable event, and our Function Room and Sunday bar trades are exceeding expectations. Trudy Jones and Simon 'FAF' Figures must be commended on their sheer hard work in

this area of our club. Also, the recognition afforded to Matt Scanlon and Tony Waller at our Annual Dinner was richly deserved for their major part in our largest renovations ever.

Congratulations to our lifesaving leadership team and volunteer patrol members for keeping our beach, and its surrounds, safe again. To our outgoing Club Captain Andy Gardiner, thank you for your long years of dedication and leadership. It is great to hear that Andy will be involved in his own son's SRC education next season. Additionally, our club would not be what it is without our Patrol Captains and Vice Captains. Thank you, to all.

It was a tough season for education and awards this season. Like the majority of Sydney Branch clubs, Coogee SLSC experienced a downturn in numbers due to C-19. Thank you to all our wonderful Lead Trainers and Educators who put in a mountain of work throughout the year. Welcome to all new members this season, I hope that you enjoy our Coogee Surf Club family for years to come.

Very recently, the club has been super excited about our competition results

at both State and Australian Titles. Coogee SLSC were the only NSW club who came in the Top 5 Point score in Nippers, Open and Masters. Our talented and dedicated competitors won 8 Youth and Open Aussie titles and our Masters won 5 titles, an outstanding feat. Standout areas were Beach and R&R who dominated their carnivals. Coogee are so lucky to have so many coaches and mentors in their respective areas. To these people, thank you.

Anzac Day was a truly memorable event at our club this year. It is always great to see younger members remembering our forebears and celebrating what they achieved for our country and our club. All club leaders should be pushing hard to increase attendance at this most important event next year.

Season 2020-21 represents 40 years of women membership at Coogee Surf Club. I remember vividly our first seven females joining in 1981 and they were to become trailblazers for our current crop of ladies. We are very lucky to have a big pool of talented female leaders in our club with a healthy representation

First management meeting in the new clubhouse

in management and committees, not to mention the female competitors who are currently ruling at State and Aussies level.

One of the highlights of my season was our fifth Autism Swim Dippers program run throughout January to March. Once again, we probably had too many volunteers at times, assisting kids with other abilities. It was inspiring to see Helen Murphy run this program so professionally.

Another Community project that Coogee SLSC are looking to foster next season is 'Project Libertas', an education and patrolling service by young people suffering from Muscular Dystrophy. This is the brainchild of Tony Waller, with our Youth Director Rebecca Waugh doing lots of background work to establish this program, with the help of our hard-working grants writer Rob Gibellini. Additionally, Coogee is looking to support the Can Too Foundation with water safety assistance during their adult learn-to-ocean-swim program.

Revitalisation of social events is a big priority for our club and its members. It is a tough gig; however, we held several great social events this season. There are new ideas springing up all the time and I thank Allison Roberts for her energy in this area of our club.

How good was it to see our Coogee Island Challenge ocean swim up and running again just recently? Our biggest fundraiser was a great success with nearly 1,500 swimmers turning up post C-19. The Events team led by Sharon Deans and Tass Karozis should be congratulated, and they are already focussing on a big month in November with another CIC plus the inaugural Coogee-Run-Swim. The volunteer effort at CIC was nothing short of outstanding.

Another big fundraiser was the Annual Sportsman's Lunch, hosted by

Steven 'Chimes' Gillis. A host of sporting stars spoke to attendees and a record amount of money was raised that went towards our competitors' efforts at the Aussie Titles. Chimes just keeps putting in for our club and I thank him for that.

Our new Director of Sponsorships Mel Reiter was nominated for the Honour Blazer such was her outstanding efforts in this area this season. Mel has maintained long-term relationships and fostered many new substantial sponsorship agreements. Thank you, Mel, for your dedication in this and other portfolios. Coogee Surf Club also praises all our generous sponsors who just keep giving, year in year out.

SOME OF THE NEW INITIATIVES ACROSS OUR CLUB THIS SEASON INCLUDED:

- The establishment of a **Member Services Committee** chaired by our Vice President Nicola Logan. This committee deals with inclusivity and engagement across all membership categories.
- A re-shaping of our Honours Committee. This is being chaired by Life Member Pat Garcia.
- The reinvigoration of our Coogee SLSC Foundation plans.
- Detailed work on our club's branding guidelines.
- The reinvigoration of club apparel and procedures around it.
- The appointment of a Club Chaplain now that surf lifesaving is recognised as an Emergency Service.
- Our Treasurer Rob Illidge putting in so much time and effort to upgrade and improve our financial and reporting systems and aligning closer with Minnows. Also, I wish to thank club Auditor Greg Middleton who guides the ship so steadily.
- The anticipation on the faces of our new SRC graduates at their information night.

- Engaging and including as many local community groups as possible with inclusivity, community and culture being several of our key club values.

- Increased social interaction and engagement in our new Ocean Room.

As the saying goes, 'Rome wasn't built in a day', so some of our ideas and plans will take several seasons to bear fruit.

We treasure our history and tradition at Coogee Surf Club. Coming up next season we are planning for a Milton Coughlin and Mervyn Gannon Centenary re-dedication ceremony. These two club members were fatally attacked by sharks only one month apart in 1922. Another huge milestone is the 75th Anniversary celebrations of the Penguins Winter Swimming Club, founded by our forefathers in 1947.

I wish to thank our Governors David 'Luna' Park and Tony Waller for their guidance and support and to our 'engine room' that keeps us ticking along so smoothly, Debbie Zonich, Trudy Jones and Karen Beale. Your loyalty to Coogee SLSC is second to none. I also wish to congratulate two of our hardest working long-term members in Mark Doepel (Life Membership) and Greg Smart (1907 Medallion), for their unanimous nominations by both the Honours and Management Committees, to be submitted for endorsement by the membership at our upcoming AGM.

It is my sad duty to offer our condolences to the families and friends of deceased members throughout this season. Our club lost several 50-Year Members and a multiple Australian Beach Champion. Our thoughts are also with those amongst our ranks that are suffering ill health.

TWO BLUE

**Todd Mison
President**

Secretary's Report

GREG SMART

Ladies and Gentlemen, a new season, a new constitution, a renovated Clubhouse, and a new normal. The following pages reflect the activities and achievements of the Club and its members during the past year.

Spring Bronze practicing spinals

Ladies and Gentlemen, Presented to you is the 115th Annual Report and Financial Statement for your consideration.

In Lifesaving terms, the season was once again a success and it is always a pleasure that we can report "NO LIVES LOST" on the beach whilst our patrols were on duty in a summer that was once again disrupted by the continuing pandemic.

Congratulations and thank you to all our Patrol Captains, Vice Captains and active patrolling members for fulfilling your duties both professionally and responsibly throughout the season where you compiled over 21 thousand hours of voluntary community service, completed 6 rescues and countless first aid treatments.

AGM AND LIFE MEMBERS

The season started with the Annual General Meeting being held under Covid-19 restrictions and a Clubhouse in mid-renovation. As a result, the 2020 AGM was held off-site at the Randwick Club and via video link for those that registered. This meant that electronic voting was used for the first time in the history of the club. From that AGM, we empowered a new committee under the new constitution endorsed at the SGM held a few months earlier. We thank the committee and the organizers of our last AGM for their efforts and getting the season kicked off in a timely manner and under unprecedented conditions.

Also at that AGM, we had the proud moment to endorse two of our latest Life Members in Simon Figures and Pat Garcia. Congratulations to you both on the greatest honour the Club

membership can bestow, and on your extraordinary achievements as members of our great Club.

MANAGEMENT

With the new constitution adopted, the new streamlined committee kicked off in September, with quite a few new members and a newly distributed portfolio. We are still feeling our way through the operations of the club under the new structure, but the coming season should be even more productive, as we target our strengths and weaknesses identified in the recent Strategic Workshop sessions.

LIFESAVING AND EDUCATION

As already noted, our patrols performed exceptionally over the summer, and we thank outgoing Club Captain, Andy Gardiner for completing four years in this role. These results come from dedication and commitment across the full patrolling membership, and Andy and his Lifesaving Committee are to be heartily congratulated.

From an education perspective, the season started in the unfortunate position of having no Clubhouse and yet operations expected to commence and proceed as normal. We would like to thank the Randwick Club and Coogee Randwick RSL for providing facilities where we could train and educate our members to ensure our operations continued as close to normal as possible. These facilities were also used for our early season Committee meetings as we settled into the summer.

Although training and education was being managed at an offsite facility until January, our education team still managed to continue our recent form and cadence of squads to achieve the greatest number of awards in Sydney

Branch, but in particular Bronze Medallions. To be achieving this year after year is a great accolade, and congratulations should be passed on to our education team for an outstanding effort under difficult circumstances.

The full lifesaving activities of the summer are detailed in the Club Captains and Education reports to follow.

COMPETITION

On the competition front, the club has had its most successful season ever at an Australian Championships. Not since the boom years of the early 1970s where we dominated the Beach events as individuals and relay teams has Coogee brought home more gold medals. As the sun finally set on the Aussies, Coogee had won a total of 8 Gold in the Youth and Open carnivals across Beach and R&R events, with a further 5 Gold in the Masters, along with many silver and bronze medal results and outstanding personal achievements. Congratulations to the competition team, coaches, trainers and committee for an outstanding season. The full competition activities of the summer are detailed in the Competition Directors report and Championship results to follow.

EVENTS

With a Covid enforced cancellation of the Island Challenge in November, April saw the return of the event for what was a delayed 20th Anniversary. With close to 1500 swimmers participating, it was a fantastic fundraising event for the Club. Sharon Deans, Tass Karozis and their Events Committee are to be heartily congratulated on running a great event, and the volunteer effort amazing as always. This event continues to grow in stature, thanks to all involved.

COMMUNITY

Coogee Surf Club continued our ongoing commitment to community programmes in 2020/21, running successful programmes with the UNSW and ongoing support for the Autism Swim, colloquially known as Dippers. Thanks to Helen Murphy and her team for running a successful programme. As we approach the new season, other programmes are now being developed. We encourage all members to support and get involved in these rewarding efforts.

MEMBERSHIP

Club membership had a mixed season, with a total of 2250 members across all categories. This is reflected in the membership summary at the start of this Annual Report and detailed listing at the conclusion. While lower than last season, of particular note has been the encouraging continued growth in the Active Senior (18yrs+) and Active Junior (15-18 yrs) membership categories. Unfortunately, we do not see the same growth in the Cadet (13-15 yrs) category which has continued a slight decline. This has been identified as a weakness we need to address.

The biggest change in membership numbers compared to last season has been seen in the Junior Activity Members (Minnows 5-13 years). This was to be expected with the Covid restrictions limiting the group activity size and interaction, and the Minnows cancelling the U6 Age Group activities altogether. We are expecting the Minnows group membership to rebound in the coming season when hopefully all restrictions are removed.

ADMINISTRATION AND OPERATIONS

From an Administration and Operations perspective, the club reopened to its members in December 2020, just in time for the Christmas period. We had hoped to open the lower clubhouse earlier in the season, but we were thwarted by water damage caused by a series of east coast lows. We thank all our membership for your patience during the renovation period, and we hope you enjoy our new Ocean Room facilities.

On a personal note, I would like to thank Tony Waller and Matt Scanlon for countless hours in working with the external building contractors during the renovation works, and their continued support as we work through the minor issues that remain to be resolved. Matt, in particular, has been on hand almost 24/7 during this period, and we cannot thank him enough.

With the Ocean Room renovation now complete, we are seeing significant interest in the hire of the Club facilities for private functions and great attendance at Sunday afternoon trading. These will allow the Club to become financially self-sufficient and allow expenditure in areas that have been tightly controlled in recent years. This doesn't mean we can be any less vigilant with our expenditure, and all expenses will need to follow the processes we have put in place to ensure our ongoing viability as a Club.

While the Clubhouse may have been closed to members from April 2020, the Club was still operational as a business. To this end, we have now employed Debbie Zonich as a permanent part-time Administration Officer, while Karen Beale continued as our Financial Administrator in a part-time capacity. In December, we also appointed Trudy Jones as our Functions Manager to be the first point of contact for all potential Ocean Room bookings. These names are the persons that kept the Club running through the closure of the Clubhouse during the renovation, and through the winter of the pandemic, in preparation for the season ahead. They are unsung heroes of the Club, and deserve every accolade that can be afforded them. We are truly lucky to have them working for Coogee SLSC and I personally thank these three people for their extraordinary efforts.

VALES

This season, we again lost some long and distinguished members of our Surf Club community. To all those who lost family or friends during the past year, the Club extends our sincerest condolences.

CONCLUSION

In conclusion, it has been a very successful year for the Club. This success has not been achieved by individuals, but the efforts of many. We hope that more people can assist in achieving our goals and distribute the knowledge and workload further, allowing all our committees to run more efficiently - the goal of any responsible organisation.

Finally, I'd like to take this opportunity to thank the Management Committee and Executive of the Club, and all office bearers across our committees in general, for their ongoing support of all our activities. We always endeavour to operate as One Club to ensure that we determine the best outcomes in the interests of all our members. Sometimes this can feel like a thankless task, and others very rewarding. Thank you for the honour of being Club Secretary for our great Club this season and I greatly appreciate everything we have achieved.

Ladies and Gentlemen, I present to you the 115th Annual Report.

Yours in Lifesaving,

Greg Smart
Honorary Secretary

Building Committee Report

TONY WALLER & MATT SCANLON

On the 13th December 2020 our Club celebrated the re-opening of our clubhouse after major renovations which took nine months to complete.

With the Covid pandemic and a community lock-down hitting just as the works were to begin there was much trepidation as to whether we should commence the works.

Would we be able to get the necessary tradesmen? Would the hardware and building supplies be readily available?

After much deliberation it was decided to commence the works, as the Clubhouse was to be closed because of the pandemic regardless. It was a prudent decision by the management committee which held its nerve and commenced the project.

Overall delays were experienced totalling approximately 2 months. The most significant being the elevator which arrived only days before the official opening. Strings were pulled by Lifesavers who knew Lifesavers (we are a diverse bunch) and magically our newly arrived elevator cleared customs and the wharves in record time. Its installation was completed the night before the

opening ceremony. Catastrophe diverted!

The opening ceremony was something to behold. Lifesavers, both young and old; community members, The President George Shales and board members of Surf Life Saving NSW watched on whilst Club President Todd Mison and the Mayor of Randwick Danny Said officially cut the ribbon and declared the Club open for business.

We thank both the State Government and Randwick City Council for their financial support of this project.

A special mention must also be made of the fantastic support given to the Club by the Council Officers, the project team from Xenia, and the architectural team from AJ&C.

REVITALISING AN ICON

So, what have we achieved? The Clubhouse had been extended over time resulting in a series of disparate rooms with access difficulties and no visual connection from Clubhouse to beach.

Its most loved features were the iconic clock and classical style portico which needed to be retained. Keeping within the existing building footprint the brief was to repair and augment as much of the structure as possible with a further requirement to remediate the damaged seawall upon which our Clubhouse sits.

The outcome has surpassed our expectations. With a function centre & training space for our members we are now able to conduct up to five separate training sessions & meetings at the one time in a fully compliant public hall.

Most importantly with an elevator and full disability access and facilities for the first time in our history we can now reinvent what a "Coogee Lifesaver" looks like..... a truly inclusive Club that reflects the community that we serve.

**Tony Waller & Matt Scanlon,
Building Committee**

CLUB AWARDS

HONOUR BLAZER

Craig Howie

The Club's most prestigious seasonal award is given to a member who has made an outstanding contribution to the Club during a single season. The blazer is adorned with a gold star and the season for which it is awarded. The recipient's name is listed on the Silver Proficiency Tablet in the Jack Cannot Ocean Room.

Craig is an outstanding lifesaver with intimate knowledge across first aid and resuscitation. As a senior patrolling member, he is engaged and leads by example, always happy to share his extensive knowledge with other life savers to help them progress.

Craig is our First Aid Officer, which he has led with management and exemplary communication. Craig has been a leading trainer across numerous Bronze Medallion courses, but is also one of the few ART Trainers that the club has. He has run countless ART courses, which are essential to keep our patrols appropriately resourced. He is also responsible for training First Aid, Spinal Management and many ad hoc sessions, always happy to jump in and help if courses are low on trainers, or if they need specific expert advice. Craig has been assisting with the Dippers Program since its inception and is also the Director of Education for Sydney Branch and puts in an enormous amount of additional effort on top of his club work.

Coogee SLSC would be a worse place without Craig volunteering countless hours both on, but particularly off the beach. He is an exemplary member and truly deserving of the Honour Blazer.

MAURIE DALY MEMORIAL AWARD/ SYDNEY MUTUAL BANK SCHOLARSHIP

Will Davison

Maurie Daly was a long-time associate of the Club, a Life Member and president of Wylie's Baths Trust, and, for 27 years, the general manager of Sydney Mutual Bank. His son Gary Daly is a former President and Life Member of the Club. This scholarship is awarded to an exemplary member undertaking full-time education. The scholarship of \$2,000, is kindly donated by the Sydney Mutual Bank and is to assist the member with financial costs of their study.

Will joined the Club in 2009, and is currently a Patrol Vice Captain of Patrol 15, an active competitor in the Beach Area, and a patrolling member on SR30. Will is also an active member of the education team as an instructor in Bronze courses, ART courses, IRB crew and IRB drivers.

Will is currently in his second year of university at UNSW completing a double degree, a Bachelor of Mechanical Engineering and Commerce.

SINGER-YEO ROOKIE OF THE YEAR Finian Stronach

This award is given in memory of

the Club's two active patrolling members, Tom Singer and Gerard Yeo, who lost their lives in the Bali bombing, October 2002. This award recognises the most outstanding new member to complete their bronze medallion award this season.

Sponsor: Frank Bedford

PATROL PERSON OF THE YEAR

Matt Larkin

This award is bestowed to the person who is the Clubs most knowledgeable and most prestigious lifesaver. It recognises the achievements of the Club's patrolling lifesavers and is awarded annually to the Club Member who has completed 100% patrol attendance, demonstrated a proficiency in lifesaving skills through a series of theoretical and practical assessments and has shown a significant commitment to the Club and the community it serves via an interview with Club Management representatives.

Congratulations, Matt, as being identified as our Patrol Person of the Year.

COL & JACK SCOTT MEMORIAL AWARD MOST OUTSTANDING JUNIOR Ruby Thomasyu

This award is presented in memory of the only others to become Life Members: Jack, a former Secretary and President and Col, one of the hardest working members and our longest serving gear steward. This prize is awarded to the Junior member, who's been outstanding in all facets of the club life across the season.

Sponsor: Frank Bedford

Patrol Captains 2020-21

AGM 2020 HONOUR AWARDS

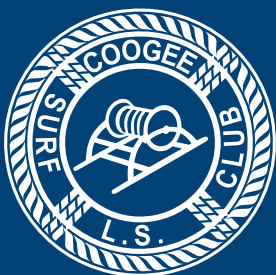

At the 114th Annual General Meeting, the membership voted and bestowed the following honours to several of our members.

Life Member

Subject to the Constitution, the Management Committee at an Annual General Meeting may vote to award Life Membership to a member for conspicuous and sustained voluntary service to the Club and to Surf Life Saving generally in some or all of its areas.

1907 Foundation Medallion

1907 Foundation Medallion is an award that may be given each year to a Member or Members who in the opinion of the majority of the Management Committee and as approved at the club AGM has performed sustained and distinguished service to the Club over more than one season.

LIFE MEMBERSHIP

Simon Figures

Simon's achievements in the club have been numerous and spanned over 40 years, including becoming the Club President in 2007/08. He competed for Coogee and maintained and brought numerous sponsors to the club over the years. He has held the club's Liquor License continually for the past 20 years and held a diversity of positions from Assistant Secretary to Club President.

He was awarded the prestigious 1907 Medal in 2012/2013, and was endorsed by the membership as a Life Member at the AGM. Congratulations, Simon, on an outstanding achievement.

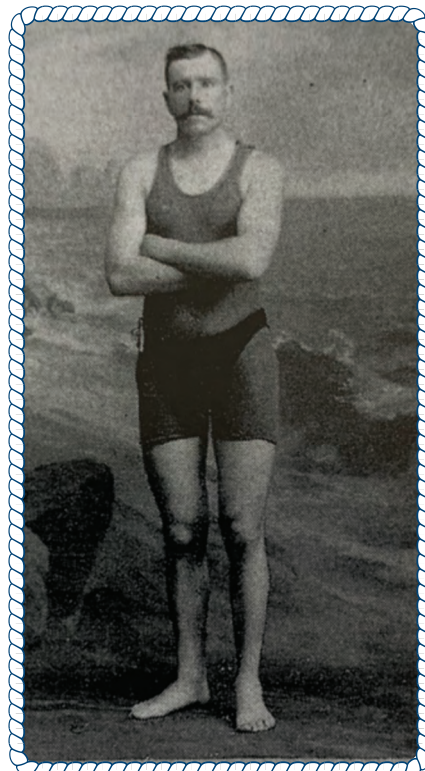

LIFE MEMBERSHIP

Pat Garcia

Pat joined the Club in the 2000/2001 Season and has maintained numerous positions within the Club ranging from Chief Instructor through to Club Captain and Secretary. Pat was an active patrol captain holding 59 Surf Awards, and spent 10 years on the Club Executive, 8 seasons as Secretary, and has spent many years with the Junior Activities as an Age Manager among other roles. He has worked as a conduit between Randwick City Council and the surf club along with the State Member for the Coogee electorate on certain matters.

Congratulations, Pat, on being endorsed by the membership as a Life Member at the AGM.

A.B. Parker, Chairman of the inaugural general meeting; Founder of the Coogee Surf Life Saving Brigade, First Chief Instructor and First Life Member.

AGM 2020 HONOUR AWARDS

**1907 FOUNDATION
MEDALLION**
Rebecca Waugh

Rebecca “Bec” Waugh was nominated for the 1907 Award after being the club’s first female Minnows Captain and a wonderful example of leadership and service for the club’s nippers and in particular, the club’s female membership.

Rebecca obtained her Surf Rescue Certificate with Coogee in 1986, and her Bronze medallion in 1988. She obtained her Advanced Rescue Certificate in 1990 and her Training Officers Certificate in 1991. Rebecca is one of the club’s pioneering female leaders, championing gender equality, competition, and the expansion of the Minnows programmes that include Dippers, Inclusivity, Retention and Leadership pathways among many others.

Congratulations, Rebecca, on being endorsed by the membership as a 1907 Medallion recipient at the AGM.

**1907 FOUNDATION
MEDALLION**
Michael Kavanagh

Michael was nominated from the Junior Activities (Minnows) for his sustained and incredible amount of time, energy and passion he has dedicated toward the success of the Coogee SLSC Junior Competition Squad. Not only have Michael’s efforts resulted in a successful 2019/2020 season but they will deliver a lasting benefit to the success and culture of our club.

Michael served as Coogee Minnows Competition director for the 3 years prior to the AGM, and assisted in the transformation of Coogee SLSC’s junior competition program with a vision “To build a strong surf sports community at Coogee SLSC through engaging and developing our Coogee kids”.

Michael’s valuable contribution to the Club was honoured by the membership endorsing him for the 1907 Medallion at the AGM.

**1907 FOUNDATION
MEDALLION**
Peter Court

Peter Court was a fully qualified senior active patrolling surf lifesaver at our club in the 1970s and 1980s. Today he remains a long service member of the Surf Life Saving Association.

Peter has been the Club’s Honorary Solicitor for more than 44 years. In this time, we have called upon Peter to guide us through constitutional changes, issues associated with the purchase of property and advice on the structure and administration of loans. He assisted the Club with the introduction of the GST and the requirements for our charitable status. Peter has administered three significant rule changes as well as the very big job of turning the Club into an incorporated body. Apart from this, he has led the Club through the reforming of committee structures as well as being there for the day-to-day matters that require legal advice. He has done this work on a purely voluntary basis and the estimation of the value of such legal work, over the past 40-plus years, would have to be considerable.

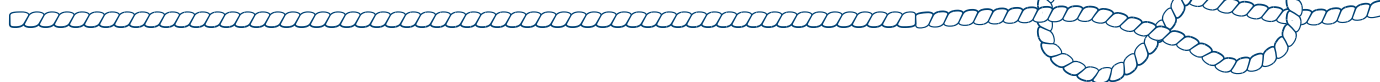

Peter’s invaluable and sustained contribution to the Club was honoured by the membership endorsing him for the 1907 Medallion at the AGM. Congratulations, Peter.

Bravery Certificate awarded to Harold Wylie of Wylie’s Baths Coogee in 1920. He was awarded “Rescue of the Year” for his incredible rescue of Mrs Smith off Coogee in November 1920. The rescue was noted by the club.

Lifesaving

Another turbulent year rounds out our season, and proof that our lifesavers can adapt to the ever-changing environment of life with Covid-19. We have an exemplary group of people stepping up to keep our community and beach safe.

Early morning training

Club Captain's Report

ANDY GARDINER

This season has been one of uncertainty and disruption, for obvious reasons, but I am not going to drone on about Covid-19 as I think everybody has heard enough on that subject. I would like instead, to congratulate all our patrolling members and trainers who rose to the challenge of patrolling and training in uncertain times and applaud the tenacity, resilience and good humour which has carried them all through a turbulent season.

This was my fourth year as Club Captain, and I have enjoyed this one just as much as the others. It has been particularly pleasing to watch our younger members rise through the ranks on committees, patrols, in the training arena and across competition. We are blessed with a host of talented young men and women at Coogee SLSC, and I look forward to continuing to help them succeed in their Surf Life Saving careers.

The patrols, as always, were well attended. Despite the restrictions of the pandemic, our life savers completed over 20,000 hours of volunteer service from the end of September 2020 to the end of April 2021, an average of nearly 3,000 hours every month.

The weather was up and down this season and so were the crowds. There were some very busy days, but Christmas and New Year passed without incident and there was a feeling of calm across the entire summer holiday as locals enjoyed their beach without the usual crowds of tourists.

Despite the smaller crowds, there always seem to be people who find a way to injure themselves. There were 165 serious first aid treatments required, but the patrols were on hand, as always.

There were also some serious rescues performed this season, including the Branch Rescue of the Month in November 2020. Brie Turner, Matt Serhon & Alexandra Scott responded to a capsized fishing vessel in the bay. Brie

and Matt in the IRB, with Alexandra coordinating the emergency services from the beach, extracted 2 very tired and scared individuals, one with a dislocated shoulder, and safely returned them to shore for urgent medical attention. Without their swift and professional response, the outcome could have been very different, and it was a great reminder of the important work that all our volunteers do.

November's Coogee Island Challenge had to be cancelled, but the April swim went ahead and was one of the largest island events we have ever had with nearly 1,400 swimmers taking part. The social media and communications around the event were also a big factor in the day's success and thanks go to all the volunteers and the organising committee; Tass Karozis, Sharon Deans, Nicola Logan, Melanie Reiter, Sarah Young, Michael Scroop and Martin Mashford. It was great to see their effort, experience and attention to detail rewarded with so many smiles by everyone who attended.

Our Education team managed another 138 new bronze medallion holders, as well as 64 Minnows who completed their Surf Rescue Certificates. Thanks to the lead trainers and their teams in the Bronze and SRC courses; Charlotte McHenry and Allison Roberts, Michael Barnes and Adam Treharne and Doug Hawkins and George Fatseas. Countless other trainers assisted them and also gave their time to train higher awards and the Thunder and Lightning Bronze

courses. Without this team, the club would grind to a halt, so thank you to you all.

Two members gained their Gold Medallion this season. This is the highest life saving award available and congratulations must go to Brett Morgan and Raul Plimer.

This season, Coogee produced a total of 377 new awards, the most in the branch yet again.

Despite restrictions, everybody still had to complete their Skills Maintenance. Our Proficiency Officer, Cameron Callaghan managed 3 full-service days and multiple specialist sessions, all running very smoothly. Cameron introduced a session booking system to manage Covid restrictions. This was a great solution and had the added benefit of providing a dedicated time for members to arrive, which meant less standing around on the beach and more time getting things done.

As a result, Cameron was able to oversee 801 members through their skills maintenance and get them competition and patrol ready. Well done Cameron.

The results of the patrol competition were added to the patrol's scores from inspections across the season. Congratulations to Patrick Moore and Patrol 6 who took the honours as Patrol of the Year.

Congratulations also to Matt Larkin who was awarded Patrol Person of the Year in what was a very close competition.

Rookie of the Year was awarded to Finian Stronach, for his outstanding contribution in his first season with Coogee SLSC, including winning the Coogee Biathlon and completing a real-life board rescue during his final bronze assessment.

Patrol season ended with small crowds and shortened patrol hours and the final weekend of patrolling closed without incident.

Thanks to all the Patrol Captains over the last four years and to their Vice Captains and higher award holders who have ensured that there was not a single weekend in four seasons where Coogee Beach was unpatrolled.

Thanks also to the Life Saving Committee, the Club's Executive and Management Committees and to the Club Governors and Life Members for all their support.

Congratulations to Pat Garcia and Simon Figures on their elevation to Life Membership of Coogee SLSC.

It has been a humbling and rewarding experience to lead the life saving arm of the largest Surf Life Saving Club in Australia. I would like to thank all the members who have made the effort to patrol, not just this season, but for the last four that I have been Club Captain, for their time and service.

I look forward to seeing you all on the beach again soon! Finally thank you to the Management Committee, the Club Executive and the Club Governors for their continued support and assistance.

Bluey's Report

RUBY THOMASYU

Our Bluey's are the 14 to 17-year-old members of Coogee Surf Lifesaving Club. We aim to help them get involved, have fun and give back to their community through the course of the season. They are a really impressive group of young people. Here are a few of the season highlights!

Bluey's preparing for their Bronze Medallion Assessment, with Ben Finegan speaking to the group.

ANZAC Day

Wow! What a season 20/21 has been, and how impressive have all our Youth been throughout all aspects of surf lifesaving. Throughout this season there have been many opportunities in the areas of lifesaving, competition, education, training and leadership over this season, all ultimately building great camaraderie between our Bluey's. We've had some key highlights where young people had fun, gave back to the community, and got really involved.

To start, we visited Garie with a group of young people to patrol and experience a beach with conditions. There was lots of fun had with a range of opportunities, including the exploration of the new beach, experimenting with the club soccer table, a delicious barbeque, some important patrolling and finishing the day with an excited (and loud) bus ride home. Thank you to club president Todd Mison and Youth Services Director Bec Waugh who made the day possible. Another memorable mention was our Bluey's Social Night, held in mid-March where we had over 50 young people join us for a movie, snacks and great company in the newly

renovated clubhouse. A great night of fun, socialising and engagement!

However, the excitement didn't end there. Our Bluey's were involved in a number of other great opportunities through the season, including volunteering as water safety for Nippers and Dippers, where a large group of young people regularly assisted on early Saturday and Sunday mornings – this was really appreciated by the community. Another highlight was the Cadet and Junior Academy's where a group of motivated young people each week, joined in a range of fantastic opportunities! We saw the graduation of 65 SRC's who transitioned from Minnows to Bluey's, as well as 20 young people working for the Kiosk during the season. We had a few really impressive Bluey's attend the State and Branch development camps where they did a great job representing our club.

In our education section, the Lightning and Transition Bronze Courses were as popular as ever amongst our 14–17-year-olds, with over 60 young people finishing with the Bronze Medallion. In higher awards there was a number of Bluey's who upskilled

Bluey's represent the club in Anzac Day Service with Club President Todd Mison (left), Lieutenant Grace Partridge (middle) and Club Governor David (Luna) Park (right).

themselves by engaging in IRB crew, First Aid, and other additional training courses which was really great to see. In the competition arena, there were an amazing number of great results throughout the season, especially in Aussies where the u15s, u17s and u19s Bluey's did everyone very proud. Congratulations to all who competed! Your training and behind the scenes efforts definitely paid off!

Finally, at the heart of our club is the service and commitment to patrol. This is where so many of our young people shone brightly. We continue to be extremely impressed with the dedication, enthusiasm and joy that all our Bluey's bring to lifesaving. Overall, such a great season with some really impressive involvement across the board from all our young people. Well done everyone and see you next season!

Director of Youth Report

REBECCA WAUGH

This season, the Coogee SLSC Management Team included the new position, Director of Youth. This position was created to be the lynch pin between junior to senior lifesavers and aspires to seamlessly join the lifelong journey that has started for many in our local community from under sixes to senior club and may continue beyond.

The role of Director of Youth will assist in the retention of our kids, looks for opportunities for them to excel, helps them continue their connection and offers intergenerational mentorship and friendships.

The new role is the advocate for youth at management level. Working with the Junior Captain Ruby Thomasyu and Vice Club Captain Emily Miers, a youth committee was established to listen, share, and action ideas and initiatives from and for our youth.

Sixty-four Surf life Saving Certificate Minnows graduated into the senior club and sixty-eight under eighteen completed their Bronze Medallion this season. We have one hundred and seventy three under eighteen active patrolling members in our club. Across fifteen patrols that's seventeen kids per patrol!

It has been a challenging year for

our young members, and we did our best to foster the Coogee SLSC community by creating more social connections. We took a busload of youth down to Garie, hosted movie nights and an induction breakfast. We employed our kids in our own Blueys Kiosk and established a Sunday morning youth academy as well as supported our under eighteens in their own surf sports training commitments.

Many of our life members were invited to talk to our kids about their experiences within the club with an aim to create intergenerational relationships. It is important for our youth to understand the heritage and legacy of our members past and present, honouring our club's rich history and in doing so offer the joy, unfettered passion, and exuberance of youth. This will build on a foundation of respect, honour and build a culture that can be celebrated by us all.

To Karen Beale and Wayne Penn in the work with the Coogee Bluey's Kiosk, thank you, our own youth gaining experience, and opportunity and a great place to work on a Saturday afternoon.

To Paul Haes, Mary Ryan and Wayne Penn, for their assistance in the establishment and operations of the Youth Academy, thank you. The kids enjoyed run swim runs from Coogee, Clovelly and Gordons Bay, swam to Wylies, paddled to the Island, played plenty of touch and shared many stories and sunshine around the Sunday morning BBQ.

These kids are our future, they want responsibility and opportunity, to give back and have a fun time doing it.

I look forward to continuing in this vital position, and support and grow as the kids do.

Chief Instructor's Report

GEORGE FATSEAS

I am pleased to report that during the 2020-2021 season the Education area continued to deliver the highest number of Awards (377) in the Surf Life Saving Sydney Branch. This was in spite of restrictions due to COVID19 as well as having no club room to train in during the first few months of the season.

I would like to thank The Randwick Club and James Giltinan from the Eastern Suburbs Tennis Club for their support in allowing us to use their facilities to deliver our courses.

This season we welcomed 139 new bronze medallion members, which is the highest in the Sydney Branch as well as a significant 40 % increase from the previous season.

The Spring Bronze started off the Bronze courses. This was the first season we saw the fruition of our Coogee SLSC Academy members as they progressed from SRC to Bronze. Transition through the Academy meant that they were more engaged with the Club over the years in areas of education, leadership, competition and community service. There was only 1 Academy member who did not achieve their bronze this season and this was due to medical issues, we hope to see them well soon. This demonstrates the effectiveness of the Academy in membership retention and development.

This season we ran several Transition Bronze courses for members as they go from SRC to Bronze. The new SRC and Bronze medallion courses will allow for a smoother and shorter transition from SRC to Bronze medallion in future seasons. The Lightning Bronze course lead by Doug Hawkins continued to deliver opportunities to non-members to achieve their Bronze Award over a 10 day period and join the Club participating in patrols and contributing to all of the Club activities.

The last of our Bronze courses was the Dads and Mums Army Course. This course was established to train Minnows parents to take on roles during patrols but also to provide water safety and lifesaving needs during Minnows.

This season our members continued to upskill by achieving Higher Awards including Silver Medallion Beach Management, IRB crew and driver, Advanced Resuscitation Techniques, Gold Medallion, First Aid, Trainers and Assessors showing the depth of our member qualifications.

Even though international University student numbers were reduced due to COVID19 restrictions, this season, Coogee SLSC continued to support and deliver

courses to community groups including The University of New South Wales. Members attended a full day course where they learned about the dangers and joys of using Coogee beach. I look forward to developing new Community programs next season to engage further with the various community groups.

Building on from previous seasons, we continued our close relationship with the Coogee Minnows, delivering the SRC course to under 14's. We were also engaged with various age managers in developing education programs to be incorporated into the Sunday morning Nipper activities, best preparing them towards their SRC. We delivered Resuscitation Awards to the under 13's and under 12's groups. I would like to thank Tracey Constantinou, Sean Wain, James Campbell, Will Charles, Jon Harwin and Rachel Garcia for their assistance as under 14's, 13's and 12's age managers. I look forward to developing our Minnows relationship further next season.

Being again, the most successful Surf Lifesaving Club in the Sydney Branch does not come easy and is definitely not a 1 person achievement but rather a solid education team outcome. Members of the Education team again selflessly and with dedication worked together to provide numerous hours in the training room and on the beach delivering our courses. This year saw our Education Team grow with the addition of several new trainers and assessors.

I would like to take this opportunity to wholeheartedly thank my Education Team including Zach Giltinan as the Assistant Chief Training officer. The lead trainers from Spring Bronze (Allison Roberts and Charlotte McHenry), SRC, Academy and Transition Bronze, Resuscitation under 13's and 12's (Doug Hawkins and George Fatseas), Lightning Bronze and Dads and Mums Army Bronze (Doug Hawkins), Summer Bronze (Adam Treharne, Fiona Phelps and Michael Barnes). Higher Awards are essential to up-skill our patrolling members ensuring that we continue to provide the highest possible care on our beach. This season Craig Howie, took on the lead for the Advanced Resuscitation Techniques with Beck Mister. The IRB area continued to be led by Andrew Tooher, Scott Parker and Brie Turner excelled by training both IRB crew and drivers, that are critical roles on

every patrol. The Coogee Silver Medallion returned this season lead by myself and supported by 16 members who improved their skills both on the beach and in the classroom gaining valuable knowledge and experience specific to patrolling on Coogee Beach. The highest achievable Award obtainable in Surf Life Saving is the Gold Medallion, and this season I was privileged to be the lead trainer for the squad. It was personally rewarding to see members train and achieve higher awards on their way to the gold medallion.

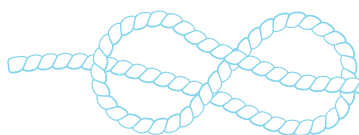

I would like to also thank the numerous trainers, assessors and club members who assisted during the various courses supporting the lead trainers. There are too many to individually name here but they are all well known to both new and old club members, so they have not gone unnoticed. I would like to thank all of our Club Members who supported Education and took on Higher Awards this season.

The 2020-2021 season continued to be personally rewarding for me as CTO. I enjoyed seeing the fruition of programs started in previous seasons. I enjoyed working with Rebecca Waugh as the Director of Youth Services, Mary Ryan and Wayne Penn who looked after the Academy and Ruby Thomas as the Junior Captain. It was also rewarding welcoming so many new Bronze Members to the Club from various backgrounds and also see old members achieve their gold medallion after seasons of training.

Finally but not least, I would like to thank the Lifesaving Committee lead by our Club Captain Andy Gardiner and our Club Management Committee for their continued support, and assistance throughout the season and our wonderful ladies in the office Debbie Zonich and Karen Beale always cheerful, supportive and facilitating.

Competition

Success isn't always measured in medals. Our competitors all displayed the dedication and sportsmanship we expect from the Two Blues throughout the summer, and that defined, and was a true measure of our disrupted season.

Competition Director's Report

MICHAEL KAVANAGH

It was a season like no other, starting with a new set of policies and procedures for everything in consideration of the global COVID pandemic.

The limitations on training and a paucity of carnivals in the first half of the season lurched into an explosion of carnivals post-Christmas culminating in Aussies on the Sunshine Coast where we achieved the club's greatest ever haul of eight Australian Championship wins to mark this season as truly memorable for something other than coronavirus.

The season began in a climate of social distancing and limitations on group sizes for gatherings. This, combined with the ongoing club renovation, meant conducting a training session was a difficult exercise let alone competing. Carnivals that have been regular fixtures on the season calendar were being cancelled as they could not comply with all the public health orders. With only boat carnivals able to go ahead pre-Christmas, early season was all about preparation and positioning the competition area to be

ready once competition opportunities arose. During this period, the Coogee Boat Academy was launched, the Coogee SLSC Competition group was established on Team App as the common communication channel, and the new R&R trailer delivered.

The first event on the club competition calendar held prior to Christmas was the Anonymous Donors Biathlon. First across the line was Finian Stronach, first female Melanie Reiter and the team event was won by Will Mison and Joey Todd. Special thanks to Michael Scroop for organising and conducting this event.

Once NSW SLS got to the point where they were confident that they could hold the State Championships in March, releasing the entry circular to clubs on 23rd December, the competition calendar began to fill to bursting point. After a few cancellations of events, the season

finally swung into action with the traditional Australia day long weekend carnivals at Manly and Freshwater, the start of a run of twelve weeks with two to three surf sports events every weekend until the end of State Championships, with a short break for Easter, then off to Aussies.

Squeezed into this period were the three well-attended rounds of the Club Championships, building on the reinvigoration last season and the appetite to compete after the limited opportunities in late 2020. Ashley Finegan and Jake Andrews were worthy winners of the Club Championships (Open and Junior for both) after the three rounds were completed. Madeleine Quinn and Max Moylan were the Cadet Champions. Thank you to all who attended and especially those who helped with the smooth running, including Mark Andrews, Michelle Finegan, Andrew Bloxson, Renee Gibbs, and Ben McDonald, plus the band of recorders and Josh Ricamara who looked after IRB support.

Sydney Branch Carnivals were held at various locations in February. Maroubra for Beach events and Masters, Yarra Bay for water events after swarms of blue bottles caused the event to be moved from Maroubra. The R&R Branch was ultimately held at Coogee on 20th February after Coogee stepped in and applied to host.

The carnival was well attended by teams from around Sydney and was lauded as a success. We were great hosts, but our teams weren't as charitable, dominating on the day.

Branch proved a valuable hit out for our surf and beach teams. There were many highlights and medals won including Jake Andrews winning the U19 surf race and combining with Cooper Stokes, Marcus Littlejohn, and Ethan Illidge to win the U19s surf team. Max Moylan came in second in the U15s surf race and combined with Campbell Groves, Josh Fernandez Zoltahn Szabo to claim the U15s surf team. Madeleine Quinn 1st in the U14 surf race and Zoltahn Szabo 3rd in the U14 Ironman and Ash Finegan 4th in Open Women's surf race.

On the track, the U15 girls dominated, and all the relay teams were stand outs. The three strong Lifesavings team also had great success with Lana Reiter 1st female U19, Josh Devine 2nd male U19 and Emma Grand 1st in Female Opens.

NSW STATE CHAMPIONSHIPS

This year, with COVID considerations, the Open carnival was split with Water events at Swansea and Beach events at Redhead. Rules were put in place to prohibit competitors competing at different biozones, so competitors had to choose between Water or Beach events. Masters was held on another weekend with Life Saving events and Boats were separated out from Opens to be held on a fourth weekend, which ended up being postponed due to severe conditions and held two weeks later, on the weekend of 10/11 April, 5 days before Aussies began.

At the end of all that, Coogee placed 4th in Age and Masters, 5th in Opens. the only club to place top 5 in all, an amazing achievement. All medal results are listed separately.

On the Beach, we had 20 competitors make the journey up to the Hunter, our team winning 14 Medals, including 5 Golds, 4 Silvers and 5 Bronze, contributing 84 of the 139 points from the club point score.

In Life Saving events, our small team entered the Champion Lifesaver events as well as the Patrol Competition. The best results were in Champion Lifesaver, 3rd place to Josh Devine in U19, with 4th placings to Lana Reiter (U19) and Emma Grand (Open).

In R&R, we had some excellent results and a great preparation for Aussies. In the Open Male 5 Person

event Coogee finished a very close third to Freshwater and Wanda, our Open Mixed 5 Team finished a respectable 6th and with the addition of Jay Carter, improved to Bronze in the Open 6 Person.

The U19 Team continued their success by again winning their event. They also backed up straight after the U19 event to win their first NSW Open Women's 5 person. U15s events were at Redhead the weekend prior. In the U15 5-person event, two teams represented Coogee, with the U15 Team under coach Drew Hayes triumphant and our developing U14 Team also claiming the bronze. In the U15 2 Person event, Jasmine Miller and Michayla Penn won gold.

In Open Water events, in good conditions at Swansea Belmont, highlights were 7 finalists in surf swim (U15s Max Moylan, Josh Fernandez and Cooper Habler and U19s Ashley Finegan, Alfie Ashton, Cooper Stokes and Jake Andrews, with Ashley and Jake also progressing to the Open Surf race finals)

Jake Andrews made it through to the final of the U19 Ironman, the first year for Jake with the ski leg included. The under 15 surf team finished a very close 4th in their final.

Ashley Finegan won silver medals in both the female U19 and Open belt races. Jake Andrews finished a close 4th in the under 19 belt race. Thank you to Andrew Bloxson for manning the reel, plus U17 and U19s assisting on the lines.

The boys made the semi-finals of the board relays in each age group, quarters of the Board rescue and the final of the U19 Taplin relay.

On finals day, Ashley finished 10th in Open Female Surf Race Jake 8th in the Open Male Surf Final. Ashley then backed up to finish 12th in the U19s and Jake finished 6th to grab a point in the U19 surf race final. The U15s also had strong races with Cooper 10th, Max 11th.

MASTERS STATE CHAMPIONSHIPS

The Coogee Masters team finished 4th at the State Championships with 17 gold, 12 silver & 11 bronze medals. The highlight of the season was our first ever Female Ski Relay team. This has been something they have been striving to achieve for several seasons and they were thrilled with their State Championship bronze medal.

In the Boats, Coogee's 6 crews took it to the rest of the state with some of

our crews achieving great results, the best of which was Open Women crew, Coogee Recoverie, who improved with every race and saved their best till last where they executed their perfect race to finish in silver medal position. The U23 men's crew, Coogee Sons, finished 6th, their second consecutive state titles final.

In other results, our Open Men bowed out in the quarter finals, and two other U23 crews went out in the rounds against stiff competition. The Masters Women crew, Coogee Cogs, had a great run through to bow out in the semis.

Special thank you Rod (Termite) Colman, who swept the Open Men, U23 Sons, and Chameleons whilst their respective sweeps were on injury leave.

AUSSIES

Coogee sent a team of 121 to the Aussie titles on the Sunshine Coast in Queensland.

The carnival started with Youth events U14 and U15, over the first two days. Whilst there was no official point score for Youth, the team won 4 gold, 3 silver and 2 bronze medals. Highlights were aplenty on the beach track where 3 gold medals were won in U15 beach sprint by Luke Avati, the U15 female beach relay (Annabel Penny, Yasmeen Janschek, Eden Levit, and Leila Maxfield) and the U15 mixed beach relay (Annabel Penny, Eden Levit, Luke Avati, Nick Clemson). In the U14 2km beach race, Connor Boyd ran a very gallant race into the silver medal and Huon Groves also did well to finish 11th. They backed up in the U15 2x 1km relay to finish a very solid 8th.

In the flags Luke Avati in the U15s had a great run through to the final, bowing out in 5th and Yasmeen Janschek in U15s placed 9th.

Elsewhere the R&R team also had success with the 2 person R&R team of Jasmine Miller and Michayla Penn earning the silver medal, losing on a countback to the eventual winners. The U15 5 person R&R team took out gold, with 5-point deduction in the final, and were thrilled with their own execution along with the result.

Competition was fierce in the water, but there was a silver medal won by Finn Wilkie in the U15 board riding event. Max Moylan and Campbell Groves made the final of U15 male surf swim. Madeleine Quinn and Zoltahn Szabo missed U14 surf race finals by one place each.

These remarkable results were borne out of the talent of long-term

Minnows, and years of development and coaching in that program.

In Masters competition, our relatively small team of 33 competitors continues to excel amongst the bigger club teams, finishing 8th on the table with 5 gold, 10 silver & 7 bronze medals. Highlights on the beach included the 170+ Female Beach Relay Team of Sharon Deans, Renee Gibbs, Helen Deas, and Linda Walsh winning their 4th Australian Title, with Sharon and Helen also going one-two in the 50-54 beach sprint. Rebecca Waugh won the 45-49 2km beach run title. There were many other medallists and finalists.

In the water, highlights included Elisha Smith winning the 40-44 years Female Surf Race and was a part of the winning 110 Years Female Surf Team with Nicola Logan and Sally Wood, our youngest Master, competing 5 months after joining the club.

In Opens, Coogee finished equal 16th in the pointscore. The team won 4 gold medals, so we have 8 new Australian Champions across Youth and Opens.

In Champion Lifesaver, we had 2 representatives, Josh Devine U19 and Emma Grand in female Opens, compete in the select 9 person fields, where entry is gained via high placings at NSW State Championships. Emma performed brilliantly to claim the bronze medal.

Our 7 boat crews competed hard all week but couldn't quite crack the finals. Still, it was a great effort to have so many crews competing at this level. The experience gained along with the increase in number of competitors and establishment of the Boat Academy has provided a great launch pad for next season.

On the beach, there were early highlights with a gold medal to Bailey Habler in u17 2km beach run, a dominant run from start to finish, he crossed the finish line 30 metres in front of second. The following day, Bailey joined forces with Marcus Littlejohn to win the silver medal in the U19 2 x 1km relay run. Ruby Thomasyu made it through to the final of the U17 beach sprint and finished a very close 5th in final. The U17 mixed relay team of Ruby, Ryan Harper, Ellie, and Max Tanner were the best placed of all the relay teams, winning the silver medal. The boys and girls U17 relay teams both made their finals.

In R&R Open events, Coogee's six teams participated in 5 of the 6 finals conducted, winning 3 of the events, 2nd in another and two other top 6

finishes. The winning teams were the Open Men's 5 person of Chris Gately, Drew Hayes, Grant Hayes, Jay Carter, and Scott Ryan, coached by Andrew McEncroe, plus the U19 mixed team of Sami Gately, Bianca Wallace, Yasmin Stuetz, Eliza Bodkin and Grace McDonald, who backed up to win the Open Women's event against teams with far greater experience.

The Coogee team was able to win the Ron Sandstrom trophy for the most successful R&R club at the Australian Championships for the second time in the club's history, a great achievement for all involved in the R&R team and a great reward for their season long efforts.

In water events, the highlight was Jake Andrews, who qualified to swim the surf race finals in both the U19s and Open Men's races, where he swam two great races to finish 16th in the Opens final, then backed up 90 minutes later to finish 9th in the U19 surf race final.

In summary, a great effort by the whole team, not just the medal winners but all competitors who gave their all representing the Two Blues, they should be very proud of their achievements and efforts.

On behalf of all competitors, we wish to thank all our wonderful volunteer support personnel including carnival officials, IRB Water Safety, transport drivers, mentors, spectators, families, and club administrators.

Special thank you to all managers and Area Captains, along with Aidan Byrne, Renee and Steve Gibbs from the juniors. Thank you also to Kevin Allen (Officials Liaison), Michael Scroop (Coaching Coordinator) and Lachlan Smart (Assistant Competition Director) and all others who served on the Competition Committee and supported these efforts.

Special thank you also to the coaches, who do the season long journey with the competitors, led by senior coaches Chris Gately, Andrew McEncroe, Grant and Drew Hayes, Nick Wright, Cameron Habler, Craig Bennett, Rebecca Hamilton, Matt Leary, David Smith, Harvey Barratt, and Paul Beale.

Thank you to our Office administration staff, Debbie Zonich and Karen Beale who provided great support throughout the season. The ongoing support from the Management Committee of the club in all our endeavours is also greatly appreciated by all of Competition.

Competition cannot run without funds, so thank you firstly to our

ongoing sponsors, Harvey Norman, Sydney Mutual Bank and Macquarie Private Wealth and thank you to our new sponsors this season, BoHaus Café, Facilities First, Recoverie and Chargrill Charlie's. Thank you to Melanie Reiter in Sponsorship who helped facilitate these deals.

Thank you to all who helped raise funds through the course of the season, especially Steve Gillis for putting on the annual "Sportsman's Lunch", supplemented by the competition levies paid by the competitors. Hopefully now that the club is open for business there will be an opportunity to hold fund raising functions for Perth next season and create more social opportunities for the team to come together.

Finally, whilst we bask in the rosy glow from these Aussie results, we should contemplate that there is still lots of work to be done and improvements found. The boats area is on the way with its Academy. Great results were achieved in youth and R&R, but many areas lack depth, especially in water competition and no Open competitors in the beach area.

The water area will require expansion of coaching resources and significant spending on craft for the coming seasons to develop the depth of the skilled juniors coming through the junior program, with the goal to eventually build an Open team again.

We should support and develop these young competitors as we build a strong competitive foundation from within our own Club.

Michael Kavanagh
Competition Director

Minnows Captain's Report

STEVE GIBBS

"Resilience" is the word which best describes our 2020/2021 season and I could not be more proud of how our Minnows and Volunteers persevered and in fact thrived through change and uncertainty to make this one of our best seasons yet.

First I want to recognise the herculean efforts of the Minnows Committee and particularly to Shannon and James Campbell, Emily Ashcroft, Catherine Yuan, Will Charles, Aidan Byrne and Kieran Brown who worked from April 2020 to completely re-design the Minnows Sunday Program at least twice, model and budget for the financial impacts of COVID, established the U15's Academy for the Light Blue Caps, implemented electronic sign ins and re-built the registration and proficiency process. Every step required multiple consultations with Council and SLSNSW and I cannot emphasise enough the work this group did to make our season happen. At the same time I want to call out Aidan Byrne, Renee Gibbs, Michael Kavanagh and Cameron Habler who again re-designed programs and negotiated with various authorities to enable our competition kids to train from July 2020.

Notwithstanding the obstacles our Minnows took great steps forward this year. Minnows engagement improved significantly on last year with consistently higher participation rates on Sunday mornings and 200 plus children attending at least 2 training sessions per week in addition to the Sunday program. It was pleasing to see the children developing deeper bonds both within their training groups and the Coogee SLSC community and developing their confidence in the surf. This is something we want to build upon next year and carry through into the Youth ranks of the club.

AS WITH ALL UNANTICIPATED CHANGE, WE WERE FORCED TO TAKE A STEP BACK AND CHALLENGE THE WAY THINGS HAVE ALWAYS BEEN AND WE LEARNED SOME NEW THINGS:

- We learned that once we remove parents from the beach our participation rates improved. Kids were more willing to have a go because there was not the option to stand next to Mum. At the same time Age Managers had better visibility of those kids who were less confident and could give them more time.
- We also learned that once 100 plus children are participating in swimming and board training during the week, the confidence and competence they bring to the Sunday program lifts the confidence of all of our children.
- Finally we learned that engaging our recent SRC's as our first line Water Safety improved the learning outcomes for our kids. These are all things we will take into next season.

Branch Junior Athlete of the Year 9-10yrs, Marnie Laurence

I WANT TO CALL OUT SOME HIGHLIGHTS FOR THE SEASON

- We graduated 64 SRC's – The SLSNSW Examiners acknowledged this group was the most skilled group they had ever assessed. Well done to Sean Wain, Tracey Constantinou and Team.

- Promotion and inclusion of the active kids voucher for minnows registration.

- Water Competence – A combination of No parents, good weather and higher participation at board training contributed to a significant advance in surf confidence across the program.

- Competition – Aidan, Renee Michael, Cameron and team – Ran a great program and kept the kids motivated. Testament to this group that Coogee SLSC fielded its largest team at the NSW Age Championships with 144 competitors against a backdrop of lower participation

rates in Nippers state-wide due to COVID with that team taking 4th place. Furthermore 2021 marked the first season the Minnows runners who have trained for years under Renee Gibbs and R&R teams who have trained under Chris Gately and Jen Trinca have had an opportunity to match themselves against Australia's best at the Australian Lifesaving Championships. Coogee SLSC's haul of 4 Gold, 2 Silver and 2 Bronze medals in the Youth Championships was simply fantastic. Our athletes and coaches have made us all very proud. With the depth of talent in our Lime Caps and Purple Caps ranks Coogee SLSC should have every reason to be hopeful that we can build upon this great result in years to come.

Thanks for a great season.

Steve Gibbs

Minnows Captain 2020-2021

U7 Age Managers Report

KATRIN BALDOW, WADE O'LEARY AND ELIANE BLAY

Green Caps

Green cap team

The girls and boys of the Green Caps (AKA the Green Berets) are a truly historic bunch - the only cohort ever to be the youngest age group in Minnows over consecutive years - but this is not the only reason they are notable.

They have shown incredible resilience during two of the most challenging and bizarre summers in recent history, brushing aside natural disaster and pandemic to play and compete with great spirit and enthusiasm.

They have lived an excellent culture by always trying their best, being good sports regardless of their own results and cheering on their friends when they are no longer part of the contest.

And they have uniformly demonstrated improvement in key areas: every child in this group progressed over the season in terms of commitment and awareness in the water, as well as agility and decisiveness on the sand.

The managers and age assistants would like to salute the exceptional outcomes achieved by the club

committee in delivering a Minnows program this summer under the most extreme restrictions in a way that, if anything, enhanced the experience for the children.

It seemed to us like they matured before our eyes as they embraced an environment where their parents either operated in an official capacity or kept physically distant: the standards of behaviour and compliance remained high throughout the season, and we would be happy to continue to operate under these conditions.

The highlights were Santa's socially-distanced visit and the two-leg surf carnival but it was the regular displays of bravery, kindness and team spirit that justify a special rewrite of an old song:

*"Trained to thrive on sand and sea
Swimming strong and running free
Kids who learn and play all day
Watch them go - the Green Berets!"*

U8 Age Managers Report

PAUL LARDI AND KALI OGLE

Red Caps

Red cap presentation in the Ocean Room

What a season!!! Hamstrung by the virus that shook the world, Paul was joined by Kali, who entered into a baptism of fire to pull off a seamless season where, by all reports, the kids had an absolute blast, learning plenty of skills along the way. Word must have got out how much fun Sundays mornings are; as we were surprised, pleased and (slightly) concerned that our numbers had continued steady at about 110 very eager children. It was great to see so many kids returning, but also to meet lots of new kids who joined this season. While the parents had to watch from the promenade, we could still hear their calls of encouragement which really motivated the kids.

We were just as excited (and relieved) to see lots of our amazing Assistants and Water Safety return to put their hand up. And we were also fortunate to have a number of new parents volunteer in the role. These parents are instrumental in the success of every Sunday morning session and their positive, enthusiastic and supportive involvement cannot be overstated. We again thank them

for their fantastic contribution and sincerely hope they realise how much their cooperation is appreciated by the Club, the parents and the kids.

For the third season in a row, we were again impressed by the junior club members, the 13-15 year olds who provided assistance with in range of beach and water activities. I'm sorry I can't list them by name, but I really hope it gets fed back to these young people how impressive they are and how grateful we and the U8s are for their time, effort and expertise. They really help our kids with the confidence issues they had during the season and it showed by how well the kids completed all of their tasks, especially at the end of the season.

Once again, it was a pleasure and rewarding to watch the kids develop in so many areas as the season progressed. The children further developed their knowledge and understanding of beach safety e.g. sun smart practices, basic surf signals, where to go for help. We really noticed a huge improvement in skills and confidence of our U8s, especially

in the water. By the end of the season, it was very obvious during water activities, that the kids were becoming comfortable and competent in diving under big waves and controlling a board.

We were also very happy that after our last session being washed out (last year was cancelled because of Coronavirus), we managed to get the majority of the kids, Water Safety and Age Assistants into the club for a presentation of medals and certificates under the backdrop of our breathtaking beach and a slide presentation of photos throughout the season. We even managed a photo to keep for the ages!

Once again, overall it was a very successful and enjoyable season. We are confident that most of the current cohort of Red Caps will return for another fun-filled nippers season in 2021/2022.

Gold Caps

Learning all things rips

What a season for firsts, first season with no parents on the beach, first time the proficiency was done in the sea! First time competing at the NSW State Carnival, as well as getting two new Age managers, Dan and Karren. We welcome the additional assistance they have provided in ensuring minnows runs smoothly and successfully each Sunday.

We can be so proud of what our Gold caps achieved this year, their skills and confidence are gaining in leaps and bounds, especially in the water with their swimming. The John Mudge event at the end of season was also very special and demonstrated the children can work together as a team in becoming the life savers that they are growing up to be.

It's an immense pleasure to see our children represent the club and numerous sporting events throughout the year and we'll always encourage all of them to give it a go and try their best.

Naturally, as you know, the pressure was enormous to make Minnows a safe event for one and all

Raining Gold Caps

each Sunday and we couldn't have done it without the work done by the Executive Committee whose tireless commitment behind the scenes made it all happen. A massive shout out as well to our volunteer Age Assistants and Water safety who without them, nippers wouldn't be running as well as it does.

Ready for the water

U10 Age Managers Report

FIONA NILSSON, STEVE BELLEW & PAT GARCIA

Blue Caps

This season was one like no other. The impact of COVID19 saw huge changes to the logistics and management of the beach on Sunday mornings, as our brave Blue Caps farewelled their parents at the steps and joined in the action all on their own.

Our move to an earlier start time of 7.30am was met with hesitation initially, as the children ran from their beds to the beach, but the early morning session just meant getting in the water and getting it done.

Throughout the season, we had an increased focus on ocean swimming and board paddling; two core skills for junior lifesavers. With the help of our newly qualified SRC's coming back to help out the Blue Caps, we saw a huge improvement in the development of skills and confidence in the water..

A major highlight of the season for many of the children was our board paddle out to the shark net. The sense of achievement in paddling such a long distance in open water was both exciting and rewarding and not something that would have been possible at the beginning of the season.

Our competition team travelled to carnivals near and far and were met with some tough conditions throughout the season, but enjoyed the opportunity to come together and compete for Coogee. A big thank you to Kim Szabo, our U10's Competition Coordinator for managing the communications and logistics, it's a big job and you do it brilliantly.

And finally, to all our Age Assistants and Water Safety - thank you. We simply could not do this without you and we really wouldn't want to!

U11 Age Managers Report

SHANNON CAMPBELL, AIDAN BYRNE & FLORIAN WAGNER

Silver Caps

Waiting for board handover

Cap lost

Goggles ready

Another season over and it was great to have Florian join us as a third Age Manager, see many familiar faces return and welcome some new ones. COVID 19 could not keep Coogee Surf Club from running its season and we are grateful for all the hard work the Committee and Executive did to get everyone on the beach in 2020/2021.

We kept the concept of the Houses this year, and as we move into the final few years of Nippers with the aim to make more Coogee Surf Lifesavers we focused more intently on Signals and First Aid than previous years. The children also extended their skills and had great fun doing tube rescues and a lot more boards.

Focusing more on core surf lifesaving we have seen the U11 group thrive. Their ability to navigate the break both with the swim and boards has been impressive even in some challenging surf. Their confidence grew in all areas throughout the season, and we had some great team and individual efforts and of course lots of fun.

Coogee held its Champo day outside of the regular Minnows schedule for

the first time this year as an optional event. It was wonderful to see a large number of Silver Caps participate and get the competition experience. Many for the first time. Based upon the smiles and enjoyment they had, we hope to see them all giving it another go next season.

For the competitive children, while there were regular carnivals unfortunately the water was often not kind on the day with many competition water events cancelled. This did not hold back our water competitors with them all hitting the water at every opportunity. Again, we took a great cohort of children to the NSW State Age Championships where there were some great performances with many finals made, medals being brought home and all participants helping the Club to fourth place overall.

Finally, many thanks to all of our U11 volunteers (Age Assistants, Water Safety, COVID Marshalls) — Coogee Minnows simply cannot function without you. We hope to see you all again next year.

Purple Caps

Let me tie that for you

Tube rescue just in time

How lucky are we to actually have started and finished this season. The hard work of the committee to get the season up and running with all the covid restrictions in place was just outstanding. So first up a huge thanks to those dedicated people for making this season possible for all our children. After the lock downs and home schooling there was nothing better than seeing all the kids back outside and doing what they love.

The season started not with the usual pool swim but with proficiency swims in the ocean. All our kids passed with flying colours. It showed us just how far we have come from those nervous days at a pool with kids worried they might not pass. In fact most kids put their hand up for the comp swim even though they weren't going to compete. This season was all about taking the next step towards SRC. We had the kids in "patrol groups" so they could learn that surf lifesaving is all about working as a team. The disrupted season made it hard to keep the same teams every week but it showed the kids and parents what we expect for next season.

Due to the limited space on the sand, flags and running were out for the season but that didn't stop us from doing a run swim run every week. Longer board paddles were incorporated because there was plenty of room out the back to social distance. Tube rescues were again very popular with a huge cheer when groups were sent to do that. On the smaller days we started to practise board rescues and towards the end of the season we got a chance on the 3 ¼ boards which made the job a lot easier. Even when the surf was BIG and we gave the kids the option to swim or sit it out more kids chose to swim that last season.

A large group of kids put their hands up to do the midweek resuscitation course which was very successful. We got great feedback from the lead trainer about our kid's knowledge and concentration on the nights. This was the kids first in hopefully many surf lifesaving certificates. The rest of the group got to check and refine their resuscitation skills on John Mudge day.

The season ended much the same as last season with Mother Nature cancelling the last day on the beach.

This season the miserable weather stopped us which was better than last year's pandemic stop. We had planned a mini presentation for the whole group so we could acknowledge all the kids efforts during the season. Well done all the mighty Purple caps on outstanding effort all season.

While this season felt rushed with our covid time restrictions without the help of our great team of parent helpers we could not have achieved half of what we achieved this year. Thank you. Thank you.

See you all again for the U13's

U13 Age Managers Report

WILL CHARLES & JAMES CAMPBELL

Lime Caps

And here we are, merely weeks away from completing our Surf Rescue Certificate next season. Many years of effort has got us to this point and the 2020-21 season was an absolute cracker. Notwithstanding the whole COVID thing, which we're certain has been covered elsewhere in the broader report, we managed to really focus on developing our core skills through the season. Building on our confidence and our individual skills; to really start developing our capacity for saving others (not just saving ourselves!).

This year we doubled down on tube rescues, both conscious and unconscious. Board rescues were prominent too; although, it would be fair to say, most unconscious patients largely resembled those who were considerably more conscious than not. Nonetheless, skills have been honed and we're rapidly starting to resemble the candidates of the red and yellow that we yearn to be.

Off the beach, there was extracurricular training in resuscitation and basic emergency care. Again, we saw a good section of the team take up the opportunity to develop these critical

skills of a surf lifesaver. And beyond the shores of Coogee, our competitive team kicked exceptional goals from local carnivals through to State and Aussies.

From a coach's perspective, this year really saw a change in the individual focus of our young men and women. Not all at once and not always consistently, but the change was there. The reality definitely landed — within a year, we'll be lifesavers.

And as this reality took hold, our sons and daughters started to push their boundaries of comfort and fear. Some of the apprehension was replaced by self confidence, which sometimes paid off with a stunning board ride to the shore, and sometimes with a nose dive and an uncomfortable few seconds chewing sand. But it has been the response to the large surf and the chewing of the sand that has given us the greatest confidence in these young lifesavers, because this year their response changed from 'fear and tears' to one of admiration of the ocean, an acceptance of what had happened, and a desire to learn from it (of course with some emotive tears at times as well).

As we close out the 2020-21 season and refocus on the season ahead, there is much to be grateful for. We were lucky to have had our time on the beach, to train, to learn, and to work as a team. And as always we need to thank our Age Assistants and Water Safety for their continued support each and every weekend. It's a cliché, but we simply cannot run the Sundays without them.

Enjoy the off season with your winter sports. Remember the basics, keep swimming and be ready to be daring once again in the surf; to train hard, occasionally eat sand but all in the hope that when you are called upon to save a life, that you have the skills and team around you to do so without apprehension.

U14 Age Managers Report

SEAN WAIN & TRACEY CONSTANTINOU

Pink Caps

Carries

Rescue ready

Tracey & Sean

The last season of nippers for the pink caps finally arrived, as did all the restrictions required for Covid and the renovations of the Coogee SLS Club. The impact of Covid restrictions meant we were segregated on Sunday mornings from the normal nippers groups. This raised a number of additional difficulties with the public and other training groups. We knew it was going to be a challenging season, but we never thought it would be this challenging.

The Pink caps took all of this in their stride. The culmination of many years of focused training commencing from the Under 10s meant that their SRC skills were already developed. It was a case of improving on the good foundation and ensuring that all the pink caps worked on teamwork and in efficient patrol groups. The trainers were very impressed by the commitment and knowledge of this Pink Cap group. At the Part B assessment, the assessors were so impressed that they requested the pink caps to join their Patrols!

It was with a sense of pride and happiness for both Tracey and Sean to see 64 nippers graduate to become SRCs

on the final assessment day. Their sense of achievement was even bigger when all the SRCs paraded in their new Patrol Uniforms.

The second half of the season saw Pink Caps compete in various carnivals. It was equally great to see the Pink Caps providing Water Safety for the younger age groups and the confidence group, as well as patrolling in their red and yellow uniforms.

Well done to the SRCs that completed the first aid training that encompassed professional makeup to reflect realistic injuries. This is the first time this has been organised by the club and it was truly outstanding.

Congratulations to all our competition participants and their hard working "support crews" who put in an enormous effort to compete at the various carnivals. The Pink Caps came home from State clutching a bag of medals across the disciplines. This is a credit to amount of effort, teamwork and training put in by all the competitors and to the competition coordinator Steve Quinn.

It is humbling to see the time, dedication and patience shown

by everyone who contributed to transforming these children over the many seasons.

We were privileged to have exceptional trainers guiding the children for this SRC season. They took the pink caps through their paces with a weekly theory night and a practical session every Sunday. Special mention must go to SRC trainers, Doug, George, Pat, Ros, Peter and Katrin.

We would also like to thank the volunteers in the water acting as beacons of safety, encouraging, supporting, and training the children in some particularly tough conditions. The Age Assistants on the beach providing direction and coordination throughout the years, assisting with building core strength, fitness and agility in the pink caps. Also, to all the parents for their support and encouragement over the years.

The nippers' journey has now come to a successful end for the Pink Caps. The transition from under 6 babies to young adults, skilled and competent in surf lifesaving has been remarkable. It has been an honour and privilege to be part of journey and a sense of sadness that the journey had ended. It is now their chance to excel within the club with the multitude of opportunities on offer and start your new journey as Blues.

Thank you for the great memories.

Junior Female Captain's Report

MILLIE BLOXSOM

I was always excited coming to nippers, which I am so thankful to have been blessed with the opportunities of being a part of Coogee Minnows. I can't believe it's all over now!

Doug prepping for training

When I started at Coogee Minnows four seasons ago, I knew this is what I wanted to do - having loved being in the water and going out past the break when I was little. Now I patrol Coogee Beach and compete for the 'Two Blues' at carnivals in boards, swimming and R&R. Coogee Minnows have helped me become a more confident person in everything I do; it has also made me a more competent person on and off the beach, working through situations, keeping calm, and helping others. Whenever I would go to school after Sunday nippers, I would always go on about how fantastic Coogee Minnows is!

I am so grateful to have had the experiences giving me the knowledge I now know to help save someone's life. With this I need to thank some

amazing people who helped guide me and all of the 2020 SRCs on this fun and exciting journey. Sean and Tracey for being our age managers in the Pink Caps; Doug Hawkins, George Fatseas and the training team. All the other volunteers, such as covid marshalls, assistant managers and water safety, all of whom helped my age group pass our SRC exams. I would also like to thank all my coaches who have inspired me, such as Grant Hayes, Chris 'Hips' Gately, Cam Habler, Trevor Folsom and Craig Bennett. Without extraordinary people like this I would not be where I am today.

Lastly but not certainly not least, thanks to everyone in the Pink Caps who have made the years more enjoyable and worthwhile.

See you all at the beach.

Junior Male Captain's Report

CONNOR BOYD

What a season 2020/2021 was for Coogee Minnows! With a forced delay to the start of Coogee Minnows due to COVID-19, the moment the rules were eased and COVID protocols in place, everyone was ready to get back to Sunday mornings with their friends on Coogee beach.

All 2020/2021 SRC's after having been presented their patrol gear

With the Pink Caps being separated from the rest of the Minnows, we were able to push on and after many hard sessions with Doug Hawkins, George Fatseas and the numerous other trainers, all 64 SRC candidates passed.

During this season I was able to compete with my fellow peers and after numerous training sessions and a few carnivals, I was lucky enough to come away with a bronze at State. Coogee was also lucky enough to come 5th overall at state but none of that would have happened without the dedication of every trainer that helped out during such an unusual COVID season with a special mention to Micheal Kavanagh.

On behalf of the Pink caps, I would like to thank Sean Wain, Tracey Constantinou and Steve Quinn for all

the tireless efforts over the years. On behalf of all the Minnows, I would also like to thank all the age managers, water safety and age assistances who took time out of their busy lives to help every Sunday morning and allowed everything to run smoothly. With the Pink Cap's Minnows career coming to an end and a new chapter with the senior club beginning, I would like to thank anyone who has helped us gain these new skills and hope to see everyone in the future.

Finally to all the Minnows that are a part of this great club I want you to continue your journey in the club as I am sure that you will all enjoy every moment of it.

Competition Report

AIDAN BYRNE

The 2020/21 season was set against a backdrop of the COVID-19 pandemic where our number 1 goal was to have a competitive season at all. As new guidelines were issued by NSW Health, our program had to be continually adapted to ensure the health and wellbeing of our competitors and families.

The great success of the season was that we put on close to a full program, once again had a top 5 placing at the NSW State Age Championships and, more importantly, all of the competitors enjoyed themselves and continued to show their commitment to competing for Coogee.

The season started under a cloud of uncertainty and with the number of participants at Community Events capped by the Government, it was becoming clear that most carnivals would be split between Sand and Water events and Age Groups. With no carnivals scheduled by the Sydney Branch Clubs and the Randwick Shield also cancelled, we were left to look across the Bridge for competition with the Sydney Northern Beaches Clubs and arrange our own local competition.

Our first carnival of the season was in early November where our Sand team competed at Queenscliff. The Water team kicked off their season with a visit to Swansea Belmont for the Kracka Challenge. Coogee also sent competitors to carnivals at Freshwater (Water) and North Narrabeen (Sand), while also hosting the Coogee Gala Day. The Coogee Gala Day was a Water and Sand invitational event for the U8-U14 age groups, with our Eastern Suburbs neighbours, North Bondi, Maroubra and South Maroubra in attendance. It was a resounding success and definitely a model to be used in the future.

Over Christmas, we got some clarity of what the NSW State Age Championships would look like - the make-up of these events was going to be like never before with the Championships being broken up into 4 sub events by age group and discipline (U9-U11 Sand, U9-U11 Water, U12-U14 Sand and U12-U14 Water). New rules were also introduced on the Sand limiting each competitor being only

able to compete in one team event. With the team events being a historical strength of Coogee, these rules were felt to be very harsh indeed, something all of our fellow Sydney Branch Clubs agreed with.

The Competition Team also ran the Coogee Champo Day in mid-February – it also acted as one final hit-out in preparation for State. Along with the other carnivals and gala day, all played important roles in honing and developing skills, building teamwork and having the team ready for the State titles. Despite all of the obstacles put in front of us, Coogee sent a team of nearly 140 competitors to compete at State.

On the 25th & 26th of February, our U9-U11s competed and on 27th & 28th of February our U12-U14s competed at Swansea Belmont (Water) and Redhead (Sand) – we were greeted by some big surf in the water and, while the carnival being split between Sand and Water gave it a different feel, our competitors were enthusiastic and ready to compete. As always, the competition was of a very

high standard and all our competitors represented the Club with distinction.

Highlights included:

- The Club place 4th overall in the State with 173 points
- For the fourth year in a row the Sand team won the overall points score in their area.
- The Club won 5 individual medals:
Gold (4)
Marnie Laurence –
U9 Female Beach Flags
Marnie Laurence –
U9 Female Beach Sprint
Richard Nestor –
U11 Male Beach Flags
Taylor Morgan –
U11 Female Beach Sprint
Bronze (1)
Alice Bowler –
U13 Female Beach Sprint
- The Club won 19 team medals:
Gold (8)
U9 Female Sprint Relay
(Marnie Laurence, Maya McHale, Louka Savdie, Alice Seed)

- **U9 Male Sprint Relay**
(Jack Baker Sedgman, Jacob Coleman, Matteo Menviel, Henry Moore)
- **U11 Female Sprint Relay**
(Riley Baker Sedgman, Aoife Connolly, Matilda LeBard, Taylor Morgan)
- **U11 2 Person R&R**
(Margot Godfrey, Coco Sweeney)
- **U12 Mixed Sprint Relay**
(Evie Bowie, Emma Haley, Samuel Patterson, Flynn Robinson)
- **U13 Female Sprint Relay**
(Alice Bowler, Amelia Byrne, Niamh Lynch, Jemima Sewell)
- **U13 Male Sprint Relay**
(Noah Anderson, Jack Johnson, Finlay Swift, Bodie Turnbull)
- **U14 Female Sprint Relay**
(Sienna Durante, Juliette Gray, Emily Matheson-Rayner, Leila Maxfield)
Silver(6)
- **U9 Mixed Sprint Relay**
(Charles Davila, Estelle Glass, Charlie Haley, Harry Yang)
- **U10 Male Board Relay**
(Ashton Habler, Jacob Samokhin, Roman Szabo)
- **U10 Male Surf Relay**
(Henry Gellin, Ashton Habler, Jacob Samokhin, Roman Szabo)
- **U10 Mixed Sprint Relay**
(Nicholas Giannikouris, Talin Opai, Layla Pablecheque, Yve Sullivan)
- **U11 2 person R&R**
(Sofia Hartcher, Sophie Zammit)
- **U13 2 Person R&R**
(Bronte Bloxsom, Ruby Hawkes)
Bronze (5)

- **U10 Female Board Relay**
(Amber Curry, Ally Folsom, Kathryn Jordan)
- **U11 Mixed Sprint Relay**
(Dylan Branagan, Darragh Hogan, Ruby McFadden, Willow Swift)
- **U13 2 Person R&R**
(Milla Hlywa, Laura Peshevski)
- **U14 Male Sprint Relay**
(Connor Boyd, Nicholas Clemson, Conor McFadden, Ronan Sheppard)
- **U14 5 Person R&R**
(Amelie Bald, Millie Bloxsom, Lachlan Hume, Julia Mallam, William Tanner)
- 29 Individual top 8 finishes
- 29 team top 8 finishes

These results were borne of the incredible dedication and effort of our competitors, both in training and competition, along with the programs put in place by our coaches and their passion in delivering them. All the coaches, led by Renee Gibbs on Sand, Cameron Habler in the Water and R&R Coordinator, Jen Trinca, have invested enormous amounts of personal time and commitment to developing and implementing these programs, for which we are all grateful. The way all our kids compete with respect and a smile, genuinely enjoying themselves is a credit to all the coaches.

In the background, a small army of parents facilitated the training and participation at carnivals, so thank you to those that provided Water Safety, Officiated at carnivals, provided First Aid, IRB support, Age Group Comp

Coordinators and those that managed and chaperoned the competitors, plus our tent and gear transporters, who made major contributions to our enjoyment of carnivals. Also, with us hosting 2 events ourselves this year, many thanks to all the parents that helped in the preparation and on the day from set-up, pack-down, COVID Marshalls and recorders.

A special mention to the Competition Committee (Michael Johnson, Sheila Royles, Marie Holmes, Simone Turnbull, Sharyn Baker, Nicky Bowie & Sasha Morello) and all of the coaches (Cameron Habler, Renee Gibbs, Steve Gibbs, Michael Kavanagh, Ben Robinson, Tony Sheppard, Kevin Branagan, Mary Ryan, Ben McDonald, Ruby Thomasyu, Ellie Tanner, Trevor Folsom, Elisha Curry, Josh Hankin, Jenny Trinca & Chris Gately) – I personally thank each and every one of you. We navigated the most extraordinary season ever and the fact that we can look back on as close to a 'normal' season as was possible, despite the multitude of road blocks put in our way, is down to the passion and drive that you each continue to show. With people like you involved, the Club is in very good hands for the future.

Aidan Byrne
Competition Coordinator

Coogee Dippers

HELEN MURPHY

The Autism Swim Dippers program (Nippers for children with other abilities) would not have been able to go ahead this season without the support of our fabulous volunteers and community.

After sorting out some issues with COVID restrictions a few phone calls were made and the program was up and running on a Saturday morning. Danny Said, our mayor from Randwick Council, very kindly supplied us with our own lifeguard for the sessions. This was very much appreciated and reassuring to know they were watching over us with the conditions we had to battle over the seven weeks; big surf, rain and dreaded blue bottles to name a few. It didn't stop us from all working together around these conditions and both participants, their families and our team of helpers all went home every week with big smiles on their faces.

A big thank you goes out to the McHenry family for supplying and cooking a barbeque for us all each Saturday.

Thank you also to Todd Mison and Mark Doepel and the Executive Committee for supporting this

beneficial program, and to the wonderful lifeguards that seemed to enjoy their time as much as we all did.

They say it takes a village to raise a child and we are so lucky to have the community we do. We couldn't have pulled it off if we didn't have so many people put their hands up to help at short notice.

I look forward to seeing all our volunteers and supporters again next season, and welcome anyone new that would like to join us.

For more information on the Dippers program and to see more photos, visit Autism Swim's website here:

<https://autismswim.com.au/events/>

Helen Murphy
Dippers Coordinator

Water Safety Report

JAZ MCGHEE AND GLEN SHELTON

To say that the 2020 / 2021 Nippers season was different, is an understatement! The whole approach to the beach on a Sunday had to be changed to comply with Covid restrictions and this included water safety.

Helping boards

Remain stationary

Out to sea

In the water, we had new Mums and Dads joining the water safety family as well as many old faces committing for yet another year. There was a phased approach this season, introducing a couple of age groups each week and therefore we never had the full complement of Water Safety in the water until just before Christmas. As usual, the water was a bit chilly at the start of the season and the Water Safety played a huge role in encouraging the kids into the water and keeping their confidence up.

Surf carnivals also looked very different this season with many not taking place or limited in their approach. Coogee Water Safety played a big role in supporting the training of our competitors as we ramped up the number of sessions in readiness for States – if it was not for these dedicated volunteers, the training could not have occurred. A large contingent also represented Coogee at the State Titles in very trying conditions.

On a few occasions we had to cancel water activities, this is not made lightly. We always conduct a thorough risk assessment and take into consideration the safety of both the children and our water safety team.

With regards to major first aid incidents, we are happy to report that the season came to a close without any serious injury and are delighted that the children and water safety alike enjoyed

Wave

our wonderful beach safely and with no incidents.

The commitment and dedication the Water Safety displayed whilst keeping our children safe in the water whilst learning valuable surf skills was awesome. Every week there was a different challenge – including large dumping waves, flash rips, abandoned boards and of course, blue bottles! Thank you very much! We wish to recognise a couple of key milestones for the season:

- The 2020 SRCs who qualified as lifesavers and committed their Sunday mornings to performing water safety in their orange shirts – this garnered very positive feedback.

- Alex Hillston who once again gave up his time to provide a very successful water confidence group.

- The Dippers program which is designed to assist children with Autism to have fun on the beach and in the water in a safe and controlled environment. Thank you to those Water Safety and buddies that volunteered to assist, you have made a massive impact to the lives of these children and their families and you have again done Coogee Surf Lifesaving Club proud.

Anzac Commemoration

DAVID PARK

The 25th April was a little different to pre-covid years with our council and local sub-branch delivering a restricted dawn service.

This was a ticketed event which allowed 3000 seated participants into the Goldstein Reserve venue for the 5.30am dawn service.

With limited tickets available, the club was represented by President Todd, Secretary Greg, Club Captain Andy, Public Officer Mark, Governor Tony and Ruby who was representing the Juniors.

Ruby Thomasyu and Tony Waller laid wreaths on behalf of the club.

A big thank you to Andy for pulling together 12 of our members to act as ushers and covid marshals for the early morning start.

Both the RSL Sub-Branch and Randwick Council have given all our volunteers a huge thank you for your involvement stating they couldn't have done it without you.

This was followed by our own service in our Memorial Hall where we honour those club members past and present who have served in our Defence Forces (ADF).

Special mention was made of those who lost their lives and the four members from the 1914-18 war who were awarded military medals for their brave actions.

We were joined by Mayor, Danny Said and Councillor Dylan Parker, representing State Member Dr Marjorie O'Neill, both laid wreaths. Councillor Christie Hamilton was also in attendance.

Wreaths were laid by Connor Boyd and Amie Garcia on behalf of the junior club and Rebecca Waugh and Todd Mison for the senior club.

Tony Waller acted as MC while Doug Hawkins gave an address drawing everyone's attention to the names on our War Honour Boards and the importance of remembering those who served.

ADF member Grace Partridge read the ODE and Tia's song "The Men Who Built Our Home" was part of the video presentation. Tia is fast becoming part of our own Anzac tradition.

The last post, a minute's silence and reveille were all part of our service.

We thank Doug Hawkins for putting our commemoration service together which is a very important part of our tradition. Thanks Doug on a job well done.

Part of the districts commemoration for 2021 was a march from the Diggers Club, down Byron St to the bottom of Coogee Bay Road.

This was organised by the RSL sub-branch, in particular the returned service personal from the Middle East, especially Afghanistan.

This group are part of the sub-branch and are known as Swiss 8. Their objective is to help the returned service men and women back into civilian life.

Our club is working to offer bronze medallion courses, and for them to become part of our surf club activities aiding in their transition.

They have stated that the march will be bigger and better next year and the surf club will have a formal roll in the Anzac Day activities.

We thank everyone involved, the volunteers, Karen who organised the wreaths, Doug for our own service, along with those who represented the club on that morning.

It takes many members moving in the same direction for this important day that honours all who have served, with some paying the ultimate sacrifice.

David 'Luna' Park
Governor & Life Member

50 Year Long Service Function

DAVID PARK

A reunion of our longest serving members, where their strength of mateship and bonding provides inspiration to all members, as they celebrate their club life together.

We did have a pre-function duty to perform with the scattering of the ashes of Life Member and Club Patron, Barrie Cribb. Barrie's family travelled to the club, many from the northern rivers, including his home town of Yamba. His daughter, Julie, put her life in the hands of Termite who took her and his boat crew out beyond the reef to scatter Barrie's ashes. It was mentioned by Termite that Julie was the best dressed passenger, (in a lovely little black number), that he had ever taken out in a boat.

Barrie's family and friends gathered for a few drinks and a catch up with club members whom they grew up with in the Coogee area.

The function started with our resident MC, Mark Doepel, guiding us through the evening.

Since last year's function was covid cancelled, it was good to get together again, especially seeing Henry 'H' Parsons making the effort.

We noted our two 75-year Long Service members in Kevin Turner and Clyde 'Trux' Park who couldn't be with us tonight.

It should also be noted that Barrie Cribb was also part of this elite group. A minute's silence was observed for those members who are no longer with us.

An overview of the season was given by President Todd who also made the presentation to the two new 50-year members present, they being John Bransby and David Ramsay. The other recipients, Tony Le Marseny and Greg Julian, couldn't be with us so their presentations are being held over, as is Anthony Barden from last season.

Paul Gately, a former Aussie surf champion, was recognised by the club as a 50-year member.

Our two new Life members, Simon 'Faf' Figures and Pat Garcia, were introduced to those present.

Doug Hawkins presented the video of the opening of the new Ocean Room while Tony Waller gave an overview of the renovations.

This was the first chance many of the 50-year members have had to see the new Ocean Room and all were impressed. It was great to see our older members come together and celebrate all things Coogee.

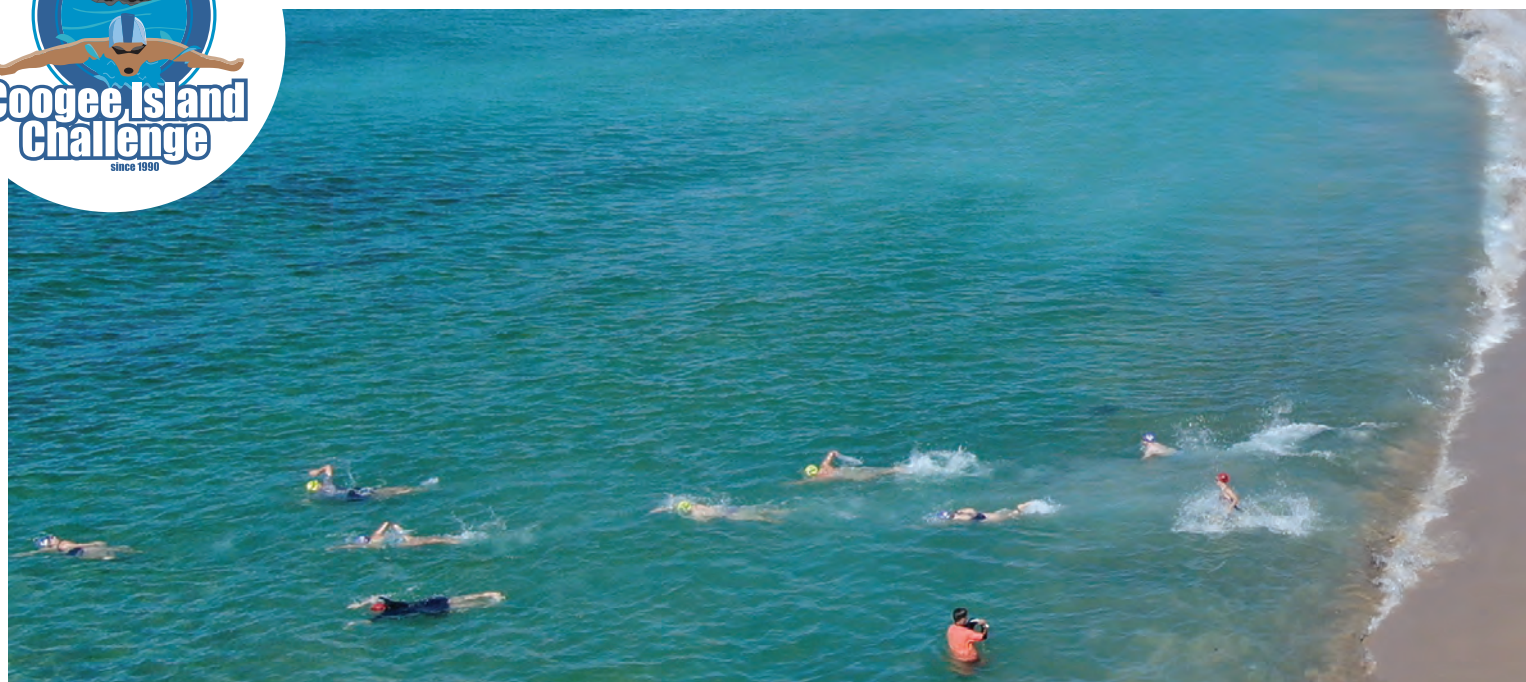

Dinner and cool refreshments were enjoyed and we thank Trudy and Debbie for pulling it all together.

Also, a big thank you to Doug H, Mark D and Danny Gibbs for the memories.

David 'Luna' Park
Governor & Life Member

Coogee Island Challenge

SHARON DEANS

The COVID-19 pandemic affected events in such a profound and devastating way that scuttled mass events in 2020. The November 2020 CIC was not immune and with restrictions capping events to a maximum of 500 the swim was unfortunately cancelled.

By early 2021 restrictions had eased enough that it looked promising the April swim would proceed. The Events Committee moved full steam ahead with planning, albeit with far more detailed approvals and processes than in previous years.

One of these was developing a COVID-19 Safe Plan highlighting:

- Paperless on-day entries, all online and no cash payments
- New Rolling Start arrangements, 3 entrants every 5 seconds
- COVID check-in QR code(s) for entrants and volunteers

Thanks also must go to our major sponsor Harvey Norman Commercial for their enduring support of our event, and to Coogee Diggers for the most welcomed post-event food for our hungry volunteers.

Registrations were steadily increasing, the ocean swim market was desperate for an event. Digital promotions were in full swing, the club's website event page revamped

and the brilliance of social media saw immediate results in consistent surges of registrations as the event grew closer.

In the days leading up to the swim the local swell was significant that an ocean swim on the northern beaches was cancelled. Was this an ominous sign?

However come race day conditions turned around completely. The day was a cracker. Flat ocean, clear sky, outside temperature reaching 25 degrees with water temperature 23 degrees.

Coogee's renowned volunteer turnout didn't disappoint with over 180 registered volunteers!

Before sunrise the IRB's were fueled up and in the water setting out the marker buoys. Thanks to Randwick Council for supply of a new rainbow sock to the finish buoy as a symbol of inclusion.

The new beach setup incorporated a snake-like formation for competitors spread 3 across, encouraging a socially distanced start format, rolling into the start every 5 seconds. Registration tables became timing chip pick up points. Volunteer sign on sheets all by QR codes.

RUNSWIM COOGEE – Postponed till late 2021. As of going to press, road closure approvals under consideration by Randwick City Council.

For the first time in CIC history, late entries were ONLINE ONLY, removing a big slice of administration time on the beach

At race close, event numbers reached 1,459 swimmers - a 16% increase on April 2019 but a massive 55% increase on November 2019.

Notably, Vice Club Captain and PC, Emily Miers took out overall 2nd place in the womens 2.4km.

Big thanks to the Events Committee (Tass, Michael, Nicola, Sharon, Melanie, Sarah & Marty) and to the masses of Water Safety, First Aid and setup crew. Special mentions to Andy Gardiner, Matt Spooner, Clive Stiff, Rob Illidge, Paul Lardi, Craig Howie, Andrew Tooher, Scotty Parker, Jenny Todd, Helen Murphy, Maree Weekes, Rebecca Partridge, Helen Deas, Mark Doepel and Carolyn Martin.

Special thanks also to Heather, Deacon, Tony and Margaret for the incredible 21 years of CIC and to the Mayor Danny Said and Marjorie O'Neill for starting the races.

Support of CIC by sponsors Harvey Norman Commercial, Randwick City Council along with new sponsor Chagrill Charlies is as always greatly appreciated.

40 Years of Women's Participation

The 2020/2021 Season represents the fortieth anniversary of women's participation in Surf Lifesaving, and particularly Coogee Surf Club.

At the Annual General Meeting held on Sunday 26 July 1981, the motion by JJ Seddon (President) and seconded by PE Carney (Club Captain) that the Section/Sections of the Constitution reading "Membership of the Club is open to males over the age of 13 years" be amended to read "Membership of the Club is open to persons over the age of 13 years", and furthermore wherever the word "male" appears the word "male" be deleted, was carried by the membership.

This season represents the fortieth anniversary of female participation in Coogee Surf Life Saving Club. From our first four Bronze Medallions and three Qualifying Certificates in 1981/82, females now represent 43.9% of our patrolling members (Cadet, Junior and Active Senior), and a growing percentage of our Reserve Active (32.5%) and Long Service (12.0%) members. Females also represent 44.2% of our total membership that includes our Minnows, Associate and General membership categories.

On behalf of Coogee Surf Club Management, we would like to extend our thanks for all female contributions that have been made since their introduction in the 1981/82 Season, and also to the Management of the Club in the early years for their foresight to make female participation and inclusiveness a part of our Club.

We are very proud of everyone's contribution to our Club across all aspects including Minnows, lifesaving, competition and management, and indeed, we would not be the Club we are today without our female members.

FIRST FEMALE BRONZE MEDALLIONS:
Julie Andrews, Felicity Breene,
Marita Campbell & Sheryl Spogle.

FIRST FEMALE QUALIFYING CERTIFICATES:
Joanne Hadrick, Karen Schembri
& Debbie Turney.

Community Education

DOUG HAWKINS

Sharing our knowledge and understanding to increase beach safety and awareness for everyone

While usually a busy part of our season, our Community Education program was heavily impacted by COVID restrictions. This season we only had limited groups attending, and these were all in the second half of the season.

Even though we had less groups, the enthusiasm and dedication to this program from the Coogee SLSC team is always exceptional.

This year we worked specifically with the University of Sydney and UNSW, and two of these sessions were delivered online. While this scenario missed our engaging and skills based water session, the session was still very beneficial to the International Uni students.

Those students that attended our two on-beach Sessions at the Club (approx 50) had an amazing time and learnt lots. For a number of these students, who have been living here for a number of years, this was their first time in the ocean, so a wonderful milestone for them.

The feedback was very encouraging from those who attended our sessions, and some of those students have shared their experience with different media organisations. These students spoke about the program's impact in terms of the importance of water and beach safety, cultural acceptance, improving self-esteem, and creating a sense of belonging within the international student community.

We are also looking forward to having two of the students hopefully join one of our Coogee BM courses next season, to extend their skills and join us on Patrol.

Many thanks to all those Coogee lifesavers who assisted with your time, effort, skills and smiles. Special thanks to the Blueys and the SRC team for your support.

Doug Hawkins
CE Co-Ordinator

Coffee Club

DAVID PARK

The Coffee Club is a highlight of the week for many of our older members, with an opportunity to catchup with old friends and stay connected to the Club.

After a disrupted Coffee Club in 2020 I'm happy to report that everything is back on track.

With Covid closing us down in March 2020 along with the April start to the Ocean Room renovations it caused a hic-cup to our weekly get together.

Operations started up again in early February 21 with the old crowd back enjoying our Monday coffee.

We have had a couple of appearances from our 99-year-old Duke, Billy Bishop, but missed our favourite teacher, Bob Outterside, who has been doing it tough.

George has the swimming fraternity doing the swim, shower, coffee procedure and on a good day they can number many.

Of course it wouldn't happen without our Chief Barista, the one and only Glen Miller - what a worker.

Also, George gets involved acting as covid marshal, doorman, along with a little coffee making.

We look forward to welcoming all members on a Monday between 10am and noon. Come down and enjoy the company over a coffee/tea.

David 'Luna' Park
Assistant Barista

Penguins Winter Swimming Club

DENNIS MORGAN

The highlight for the Penguins in 2020 was that we were able to swim at all, in this very unusual year. During lockdown we swam in the ocean, and then were able to put together a Covid Plan, which allowed us to start swimming in the pool in early July. We also overcame the obstacle of Surf Club renovations – instead of changerooms we used the building site.

We managed to hold all events except the 20 laps and operated a brief round-robin for the relay teams. The after-swim coffee in the park was the only, but enjoyable, way we could mix socially.

Sadly, two of our esteemed members passed away in 2020. Paul Overton was a swimmer for over 30 years. He was a Life Member, and our Treasurer for 20 years. Geoff Taylor swam with us for 20 years, was Handicapper for many of these, and was the instigator of the IM series. We have re-named two trophies in their honour.

Our AGM and Presentation were held in the newly renovated Surf Club in January. All swimmers received a jacket with MMXX identifying this unusual year. Jim Cassimatis won the overall point score. The prestigious Queen Penguin was won by Kate Halls and King Penguin by Julian McDowell. Alligators won the Sue Phillips Relay Shield. There were four 100% swimmers – David McDowall, Mick McMahon, Christine Devine and Stuart Cooney.

The Executive for the 2020 season was:

Emperor: Mick McMahon

Secretary: Christine Devine

Treasurer: Tim Green

Captain: Dennis Morgan

Handicapper: Stuart Cooney

Chief Judge: Mick McMahon

Delegate to WSAA: Margaret Wilkinson

Sponsorship Report

MELANIE REITER

An integral part of the Coogee Surf Life Saving Club is the support of the sponsors, local government and institution grants, in-kind donations and bequeaths. As a volunteer organisation, together with our members, our sponsors are an essential part of the club.

The 2020/21 season has been unprecedented; fraught with disruption and uncertainty inflicted by the COVID-19 global pandemic which has seen events cancelled, postponed, and downsized. During this time, Coogee Surf Life Saving Club has been fortunate to sustain sponsorship from both our long-standing sponsors and we have had the privilege to welcome new sponsors to the club. We look forward to continuing the strong sponsorship support, as the club further evolves and grows. Sporting a new club house that builds on the iconic landscape of Coogee Beach we thank all our sponsors for their generosity that supports Coogee Surf Life Saving Club members in keeping beachgoers safe through vigilance and service.

I ask all members to familiarise themselves with the club sponsors, through the new electronic board on the front of the club house and as listed on the Coogee Surf Club website and at the end of the Two Blue weekly newsletter. Please consider how you can show your gratitude and support our sponsors by engaging with them by the choices you make when purchasing and making recommendations to friends and family. As without sponsors we would not see new equipment, watercrafts boats, boards, apparel, and the like. Let's give back to those that support the Coogee Life Saving Club.

A special thank you to David Park, Todd Mison and Mark Doepel for this direction of sponsorship, Doug Hawkins for the videos and footage provided throughout the season, and Andrew Bloxsom and Glen Duffus for the amazing photos of the April Coogee Island Challenge.

On behalf of the executive, management, and members, a huge thank you to all our sponsors for another amazing year at Coogee SLSC.

Melanie Reiter
Sponsorship Director

COMMUNITY SPONSORS

RANDWICK CITY COUNCIL

A big thank you to Mayor, Danny Said, and the Councillors along with the management of RCC for their guidance and help in getting a major project finished at the Club. Their support in running our various events for both the senior club and junior Minnows club, is very much appreciated.

We also thank the Lifeguards for their cooperation throughout the season.

We make mention of the support of our Federal Member, Matt Thistlethwaite and State Member, Dr Marjorie O'Neill for their contribution in what has been a covid affected year.

RANDWICK CLUB INCORPORATING THE COOGEE BEACH CLUB

We thank President Vic Smith and the directors of the club for their generous donation through the community grants scheme. This season we were presented with a brand-new IRB which has already taken on a heavy workload.

THE DIGGERS

Also, part of the community grant system are our good friends at the Diggers. We thank Steve Despea and the board of directors for their support. Both clubs are a strong part of the local community, and our association has always been a close one. Thanks to all at the Diggers.

SOUTH SYDNEY JUNIOR RUGBY LEAGUE CLUB

Through community grants The Juniors have been great supporters over several decades. We thank President, Keith McCaw, CEO, Geoff Knight, and the board of directors, including Mick Fisher and strong supporter, Henry Morris. Thanks for your support of our lifesaving activities.

2020/21 SPONSORS & SUPPORTERS

COOGEE BAY HOTEL (CBH)

A big thank you to principal, Chris Cheung, and the Cheung Family for their support over many decades. The CBH signage is on our patrol uniforms plus other pieces of equipment throughout the club. Their support over the many years has helped the Coogee Club keep up with the latest lifesaving equipment and training techniques. We look forward to our continued association and support that they offer to the local community through lifesaving.

HARVEY NORMAN COMMERCIAL

We know Al does not like to be in the spotlight as a sponsor but his generosity this season has been exceptional. Al has been a huge help in outfitting the tech side of the new Ocean Room as well as supporting the boats, special events and the bar on Sundays. You are a good mate of the club and we do appreciate your involvement.

SYDNEY MUTUAL BANK (SMB)

Previously known as Sydney Credit Union (SCU) they are now a mutual bank. This hasn't changed the fact that they are our oldest sponsor, dating back to the early 1980's.

SMB has been providing a scholarship to one of our up-and-coming future leaders since the 1990's. They also provide sponsorship support to areas of the club that they determine. We thank Mark Worthington (who is an active lifesaver), and marketing manager, Adam Milbank for the support of the SMB.

RANDWICK RUGBY FOUNDATION

Another example of local community support from the Foundation. Throughout the history of the club, we have always been very close to Randwick Rugby. The club thanks the Chair, Jon Collins, and the board of the Foundation for their continued support.

WE ACKNOWLEDGE AND THANK THE ONGOING SUPPORT
OF ALL OUR SPONSORS LISTED BELOW, AND YOUR CONTRIBUTIONS

Finance

Our club manages its resources in order to support its members when patrolling, competing, learning, training or teaching. The responsible management of our club's finances remains a key platform of our club's success.

Treasurer's Report

ROBERT ILLIDGE

The Club reported an Operating Surplus of \$143,593 – however \$90,000 of this relates to a revaluation of the investment unit rather than club operations. Neglecting the revaluation, FY21 Operating Surplus was \$53,593 (which compared to a Surplus of \$76,951 in FY20 and a Surplus of \$2,338 in FY19. This headline result was particularly welcome given the challenging Covid-19 operating environment and the considerable task of commissioning the new Functions room.

FY21 INCOME

Favourable revenue impacts included strong support of our sponsors, additional grants & donations, government COVID 19 support subsidies (Jobkeeper & Cash Boost), a successful Ocean Swim (Apr 2021) and strong trading for the 4 months post commissioning of the new Functions room. Unfavourable revenue impacts included the cancellation of one Island Challenge Ocean swim (Nov 2020), cancellation of RunSwim Coogee Biathlon and the loss of 8 months of functions/bar trading as the new Functions room was built.

MEMBER SUBSCRIPTIONS

SLNSW provided \$35K to allow us to support lifesavers through the impact of Covid 19. This amount was used to discount fees for cadet & active members and to support SRC's and family fee relief in the Junior club. Due to Covid-19, the Junior club had reduced members subscriptions. When the subsidy is factored into total member subscriptions, despite the disruptions the result is close to that of FY20. External Funding-Donations recovered significantly over this year to \$35K (FY20 \$7K) and sponsorship & grants remained strong at \$201K (FY20 \$211K). A special mention to all Junior & Senior club sponsors – thank you once again for honouring your sponsorship commitments despite the impact of Covid-19 – we could not do what we do without you. Jobkeeper & Cash Boost – the club is an eligible charity under these government schemes received \$77K to support payment of our office staff.

CLUB VENTURES

- Function room income for 4 months was \$76K. Liquor sales were \$111.1K. Total Function room and bar expenses were ~\$200K and includes one-off fitout & commissioning costs (eg. stock) that make assessing the profitability problematic. Separation of the function/bar accounts from general operations and a longer period of normal trading will allow accurate analysis ongoing.
- The cancellation of Island Challenge in November and the cancellation of the RunSwim Coogee Biathlon were unfortunate hits. A superb effort by the Events Committee delivered a spectacular Island Challenge in April that yielded a net profit of around \$50K. Given the improved marketing strategies it is likely they will exceed expectations for both Island Challenges and the RunSwim this coming year.
- The Sportspersons Lunch generated a larger profit than last year (\$27K vs \$24.7K) - Thanks again to club stalwart Steve Gillis and his fantastic yearly commitment to fund the Aussie's touring team.
- Excluding the Sportspersons Lunch, total

Competition income was \$80.4K (FY20 \$41.1K) comprised of Competition Levy \$8.5K (FY20 \$12K), Aussies' accommodation payments \$51K (FY20 \$0) and gym fees (6 months) \$20.6 (FY20 \$28.4).

- The Lifesaving teams supporting our various education courses & patrols at Wylies Baths continue to provide a significant contribution to the Club of \$36K (FY20 \$29K).
- The Kiosk produced a net profit of \$2K. This social enterprise venture employs a significant number of Junior members. Significant thanks to the office staff and several parents for a lot of the hidden tasks required to make this work.

OTHER INCOME

- Other Earnings. Interest earned on our Cash and Term Deposits was \$8.2K, this reflects a reduction in balances as \$330K in grants held were remitted to Randwick Council (renovation costs) and the low interest rate environment. Note the club still holds a grant to the value of \$102.5K (exc. GST) that is to be paid to Randwick Council on final project acquittal.
- Home unit returns were down 20% on FY20 due to Covid rent reduction. Note that rent relief allowed us to retain the tenant during FY21, and a new 6-month lease is in place.
- Club Sunday raffles yielded \$8.5K – thank you to all competitors and supporters that made this happen.

FY21 EXPENDITURE – HIGH LEVEL

Expenditure was extremely well controlled in the first 6 months of the year and fitout of the Function room came in below initial expectations. Expenditure from January onwards was normalised and in the latter part of FY21 capital purchases of IRB motors, boards and skis for both the Junior and Senior clubs were made. Funds were also committed to upgrade both the competition garage and Memorial Hall to provide improved storage.

- Lifesaving expenses were as per FY20 however Education expenses increased by 130%, largely due to increased awards and external courses. Many of these expenses were offset by grants.
- Total competition expenses less Sportsmans Lunch were \$168.1K. R&R trailer & craft purchases were \$36K & Aussies costs were \$88K (in line with previous championships held on the Sunshine Coast). Net competition expenses were \$44K (FY20 \$37.7K) when these items were deducted.
- Event expenses were up \$24.6K (72%) which largely reflects a return to 'normal' as the function room was used for member functions. Within this Island Challenge costs were only \$16K (FY20 \$23K) that reflects that some associated expenses (merchandise) that were not incurred in FY21.
- Admin & Office expenses were down \$16K (5%) on FY20. The main changes were a reduction in admin labour expenses of 20% and merchandise purchases of 77%. One-off fitout expenses were \$31K.
- Cleaning expenses for 5 months (due to Covid gym closure) were \$24K – equivalent to an annual spend of \$57K compared to \$27K in FY2020. This increase to meet COVID19

requirements remains a concern – annual gym fees offsetting this expense are typically \$28K. Fees may need to be reviewed in the future.

- Maintenance expenses were \$34K (up 235%) but this includes significant plumbing works for the change rooms and accruals for the fitout of both the garage & Memorial Hall.
- Insurance costs remain similar at \$53.3K. There is an active review of the current insurance portfolio underway. To date this will yield a minimum of \$8K in savings for FY22.

SUMMARY

A review of the Balance Sheet suggests our Club remains in a sound financial position, highlighted by the Net Asset and Net Cash position. Of note for the coming year:

- The Management Committee acknowledge that members have made sacrifices over recent years. To 'give back' to members a fee reduction for next season has been approved - \$50 for senior members and \$25 for cadets. In addition, the charges for hot water in the shower areas will be removed over the coming months.
- There is a project underway to separate the club accounts into three areas – CSLSC Functions, Operations and Minnows. This will result in better reporting to the Management Committee and allow effective evaluation of profitability and enable better decision making.
- There are also projects underway to modernise all Financial Standard Operating Procedures, introduce electronic timesheets, review the bar register/stocking/POS systems and optimise the club's banking arrangements.

Once again this was a very tough year – I would like to thank Todd Mison and the Executive Committee for the enormous amount of effective work we managed, and David Winkle as Vice Treasurer for his assistance. I would also like to congratulate Steve Gibbs and the Minnows Committee for creating a brilliantly successful nippers' season during a pandemic, and for their sound financial management.

All members, please applaud our valued employees - Karen Beale, Debbie Zonich & Trudy Jones for their essential contributions. Karen is retiring from the club after 21 years of dedicated service and I would like to publicly thank her for everything she has done.

Andrew Gardiner is also finishing a long tenure as Club Captain – he tirelessly worked to improve Lifesaving at Coogee and has created a great legacy in that regard.

Yet again I single out Rob Gibellini for his massive and ongoing contribution to our club. He tirelessly seeks out and applies for numerous grants – most of which are successful and help us offset significant expenses – sincere thanks for your efforts over many years.

Lastly to the Management Committee, Building Committee (Matt & Tony) & Governors (Luna & Tony) – thanks for your patience and support.

Independent Auditor's Report

GREG MIDDLETON

OPINION

We have audited the financial report of Coogee Surf Life Saving Club Inc ("the Entity"), which comprises the statement of financial position as at 31 May 2021, the statement of comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the declaration by the Committee.

In our opinion, the accompanying financial report of the Entity is in accordance with Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012*, including:

a) giving a true and fair view of the Entity's financial position as at 31 May 2021 and of its financial performance and cash flows for the year then ended; and

b) complying with Australian Accounting Standards to the extent described in Note 1 and Division 60 of the *Australian Charities and Not-for-profits Commission Regulation 2013*.

BASIS FOR OPINION

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Entity in accordance with the auditor independence requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of *Ethics for Professional Accountants* ("the Code") that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012*, which has been given to the Committee, would be in the same terms if given as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

RESPONSIBILITIES OF MANAGEMENT AND THE COMMITTEE FOR THE FINANCIAL REPORT

Management is responsible for the preparation of the special purpose financial report that gives a true and fair view in

accordance with the relevant Australian Accounting Standards in accordance with the *Australian Charities and Not-for Profits Commission Regulations 2013* and the *Australian Charities and Not-for-profits Commission Act 2012* and for such internal control as management determines is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the special purpose financial report, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intend to liquidate the Entity or to cease operations, or have no realistic alternative but to do so.

The Committee is responsible for overseeing the Entity's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL REPORT

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error,

as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

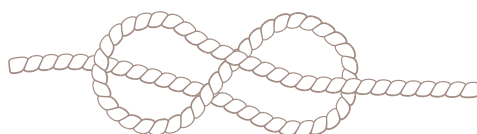

We also provide the Committee with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

STATEMENT BY MEMBERS OF THE COMMITTEE COOGEE SURF LIFE SAVING CLUB INC 65 015 261 451

The committee has determined that the association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

In the opinion of the committee the financial report as set out on pages 1 to 9:

1. Presents a true and fair view of the financial position of COOGEE SURF LIFE SAVING CLUB INC as at 31 May 2021 and its performance for the year ended on that date.
2. At the date of this statement, there are reasonable grounds to believe that COOGEE SURF LIFE SAVING CLUB INC will be able to pay its debts as and when they fall due.

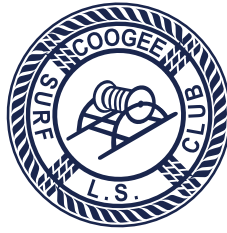

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

President: Todd Mison

Treasurer: Robert Illidge

Dated 30 June 2021

** A full set of detailed accounts are available upon request.*

VALE

THOMAS ANTHONY 'TONY' FARTHING 50 Year Member Of Coogee SLSC

We received the news with great sadness that Tony Farthing, a highly respected 50 Year Member and one of our truly great club characters had passed away in April 2021. He joined our club in 1950, completing his bronze on the 1st April

1951 at the age of 16. Despite his age after gaining his bronze, Brian 'Weepy'

Sims grabbed Tony and three other new bronzies, and formed a junior boat crew. The next season, 'Weep' swept them to a State silver medal in the junior boats at Byron Bay. Our records show that Tony continued rowing into his senior years with him being a member of the Senior crew that travelled to the 1956 Australian Titles held at Torquay, to coincide with the Melbourne Olympics.

In 1955/56 he received his Instructors Certificate and was named the most outstanding instructor of the year, winning the J.K. Vaughan Trophy.

Tony, and partner in crime club member, boatie Frank Bedford, flew with Qantas as cabin crew starting with the Constellations, prior the introduction of jets. Tony loved his job.

He was an active member until season 1961/62, when he moved to Reserve Active.

After retiring, along with his great mates, 'Ginger' Weber, Col Scott, 'Bolla' Telford and others, they formed the Sunshine Club, gathering daily to swim and sit outside our club soaking up the sun. This group gave a lot of voluntary support to the club office and the physical work that was required to make our club a success. There were no paid employees back in that era, so they became an essential part of the club's work force. They were the Secretary's 'best friend'.

Tony was to become a stalwart of the Coffee Club and everyone enjoyed it immensely when he told his life stories and reminisced about the good times with Qantas and our surf club.

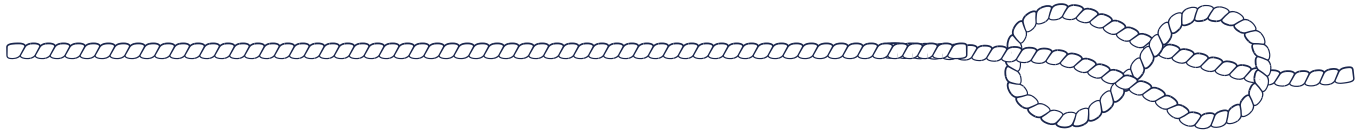

Always easy to talk to, especially over a beer, he is fondly remembered by his surf club mates.

Our condolences go out to his family, daughter Tracey, wife Fay (dec), son Paul (dec), grandson Blake and current partner Robyn, along with his many surf club friends.

RIP old mate.

VALE

PAUL OVERTON Life Member Penguins Winter Swimming Club

We were saddened to announce the passing of one of our precious Life Members of Penguins Winter Swimming Club, Paul Overton. Paul was a long-term Associate member of Coogee SLSC and was Treasurer of Penguins for many years.

Paul had been ill for a long time. We send our collective condolences to Paul's family and winter swimming friends. Paul's life has been celebrated with a new annual trophy for the 20-lap nominated time event.

JOHN "GINGER" WEBER

We were saddened to announce the passing of Coogee & Bronte Surf Club and Randwick Rugby stalwart John "Ginger" Weber. A 50-year member of our club, Ginger was a giant of a man and an elite rugby player with Randwick, Sydney & NSW Rugby in the 1960-70's, winning several premierships and playing alongside many Wallabies greats.

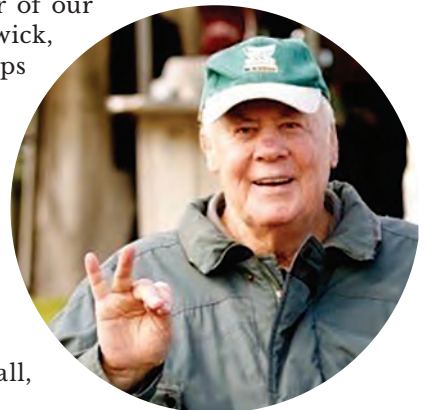

Ginger was a Vice President of Coogee SLSC and part of the Coogee "Sunshine Club". In his later years, John parked himself out front of the club every morning with his best mate Tony Farthing. His daughter Alyson was one of our very early female members who was Chief Instructor for 5 seasons. Ginger competed strongly in surf boat and the long-gone pillow fight event for Bronte SLSC, which was his original club. John came to Coogee in 1968 and has been prominent around our club since then.

A great rugby player, an active lifesaver and competitor, but above all, a gentleman, who always had time to have a yarn.

To his wife Helen, sons Jason and Kieran and daughter, Alyson and their children and grandchildren, our thoughts are with you at this time.

Ginger was a giant of a man and his family, rugby and surf club mates will truly miss him.

RIP old mate.

TWO MEMBERS OF THE SUNSHINE CLUB

John "Ginger" Weber and Tony Farthing. The "Club" was invaluable in doing all the laborious administrative tasks and odd jobs

VALE

RON HAWKINS

We are sorry to report the passing of Ron Hawkins who died on 2nd October 2020. Ron was an Associate member, joining in 1976 so would have been known to many members of our club.

As a keen swimmer in his 44-year membership he did spend a lot of time in the Coogee surf.

Our condolences go out to his daughter, Joanne and the Hawkins family. To all who knew Ron, he will be sadly missed.

GEOFF TAYLOR

Long-term Coogee Penguins Winter Swimming Club member and friend of Coogee Surf Club, Geoff Taylor sadly passed away after suffering for two long years with the debilitating Motor Neurone Disease (MND). Geoff was an extremely friendly and well-liked guy amongst the winter swimming fraternity and we offer his wife, family and friends our deepest sympathy.

RICHARD "DICK" EVANS

We were saddened to announce the passing of 50 Year Associate Member Richard "Dick" Evans on 27/12/20. Dick spent the past couple of years in Moran's nursing home at Little Bay. Richard did serve as Assistant Treasurer and asked the hard financial questions at AGM's. Our condolences to Richard's extended family and friends at the surf club and Coffee Club.

ELLIE OXBORROW

Sad news with the passing of Ellie, the wife of 50 Year, Life Member and ex-President Michael Oxborrow. Ellie was well known at our club attending many functions throughout the decades and also being a regular at our coffee club with Mick. Our thoughts and prayers are with Mick and his children Sean, Leigh, Jason and their grandchildren who are all clubbies as well.

VALE

BRUCE MAIDEN 3 Times Australian Champion

Damien & Phil Costello, attended Bruce Maiden's funeral to represent the club. Memories of 3 Australian Gold medals and a NSW State individual championship featured heavily in the speeches. As a teacher, he was held in high regard by the many students that he taught. As fellow teammates, Rob Middeldorp and Phil Costello stated, you couldn't find a nicer person to compete with, he was such a gentleman and one of the finest beach sprinters Coogee SLSC has ever produced. He made contact with all his old team mates prior to his passing as he knew his time was limited. RIP you champion.

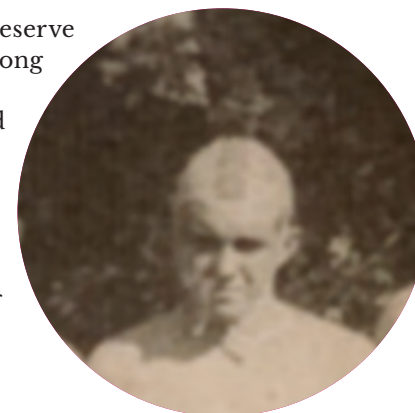

ROBERT PRINGLE Joined our Club in 1949

Robert was an active patrolling member between 1950-64. He was a Reserve Active member for 15 years between 1965-1979 before becoming a Long Service member in 1980.

In season 2011-12, Robert became a 50-year member of our club and remained a member until his passing – a total of nearly 60 years membership. As a boat competitor, Robert excelled in our 'A' crew in the 1950's winning & placing in Metropolitan, Interstate and at NSW State Championships.

Robert achieved the very prestigious and respected honour of 50-Year membership of our club and was obviously a very prominent member of the 1950's and 1960's – a golden era at Coogee Surf Club.

TERRY "CHANGA" MCMAHON

It is with great sorrow that we reported that Terry passed away on Friday 24th July 2020.

'Changa' as he was affectionately known, was an Associate member of Coogee Surf Club and a Life Member of Randwick Rugby.

He was a fun-loving guy who always had a smile on his face, and this, coupled with his funny comments, made him a very popular character.

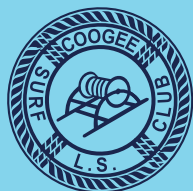

Terry played for the 'Wicks' for many years and after his playing days he spent numerous hours volunteering his time with Randwick Rugby. He will be remembered as a hardworking team manager and was awarded Life Membership of the Randwick Club in 2014.

I think the words of the club's 50-Year, long service member, Vic 'Nigel' Greenfield sums it up: "Sad news, he was a good mate, I will lift a beer to his memory and the good times"

Our thoughts are with his wife, Faye, son Nathan, brother and long service member, Michael and family.

We miss you, old mate.
