### CLUB ACCESS AND FUNCTION TIMINGS

19. Access to the Club for function set-up is to be arranged with the Functions Manager. The set-up of the room must be confirmed by the Club prior to the function.
20. The hire fee covers a 4 or 5-hour function. All private functions have a start time and a finish time. This is timed from when your guests arrive until 30 minutes after bar service ends. Functions cannot be extended on the day.
21. 4 and 5-hour beverage packages will cease 30 minutes prior to the scheduled end of the function.
22. All music and any PA must be turned off 10 minutes before the scheduled end of the function.

### SECURITY & COMPLIANCE

24. All guests must follow the directions of the appointed Club Officer during the function. The Club Officer has the right to refuse entry of a guest, immediately remove a guest or terminate the event should any guests be involved in misconduct or serious breach of conditions, including damage to the club, assault, intimidation, drug possession or use, threats towards guests, staff, or club members, or any behaviour deemed significantly inappropriate.
25. If the Club has reason to believe that a function will affect the smooth running of the Club, its security, its reputation or the safety of its members, it reserves the right to cancel a function at its sole discretion.
26. For compliance reasons, events with guest number 100+ will automatically be allocated a security guard at the cost of the client. A guard will also be automatically appointed during summer/peak season.

### LICENCE RESTRICTIONS
